MAY 2004

## NEWS

### THE 2004 DRAW

Club members may be aware of significant difficulties in reaching a competition draw for the current season. It is only in the last few days that we have arrived at a final (?) draw, after several aborted attempts. We understand that the difficulties have been caused in part by Burnside and Elizabeth withdrawing from Division 1. In addition, both Onkaparinga and North Torrens withdrew from Division 2 on 12 May 2004. Currently, only six clubs field Division 1 teams (Old Collegians, Brighton, Southern Suburbs, Onkaparinga, Woodville and Port Adelaide). Accordingly, SARU proposes that the Fourth Divisions reserves for the Second Division, and that the Third Division reserves for the Firsts. To follow are excerpts of a letter from the chairman of SARU, Mr Michael von Berg, commenting on the 2004 Draw (written prior to withdrawal of Burnside from Division 1, but still highlighting some issues of interest):

*Two years ago at a meeting of all Clubs it was agreed that the competition format would remain unchanged for the three year period which completes at the end of the 2004 season. Due to the composition and dynamics of various Clubs there has been an enormous change in teams in all grades which has made the draw on an annual basis for all teams an absolute nightmare. More importantly the major issues which were discussed at that meeting which affects all Clubs was byes, Clubs various grades being split at times across three geographical locations, start and finish times, availability of referees and grounds has not been solved in its present format.*

*A change from the current format was muted earlier this year after we had been advised of the Australian Rugby Shield dates but this was rejected by the Clubs and in the interests of goodwill and honoring that agreement SARU has tried to massage the current format into a workable competition. We were arriving at what would have been acceptable for this year when the Elizabeth Club advised SARU that due to a lack of props capable of playing first grade and the resulting duty of care they would need to play second grade in the 2004 season.*

*This then left seven teams in first grade as University was not prepared to move up as it too is in the stage of rebuilding and this has resulted in a bye in first grade. The Elizabeth Club in second grade then created a problem in that grade where there would be nine teams in that competition with a further bye.*

*Every year the SARU receives its share of criticism in relation to the draw and the format, which we believe at times is unfair. We can only work with what we have and what the Clubs have requested. Consultation with the Clubs in relation to the competition is only a relatively new SARU initiative and at the first Presidents meeting of this year the SARU will produce and discuss a revamped workable competition format for 2005 and beyond.*

*Any initiative must be better than what we have at the moment and in the meantime ask for your patience, indulgence and support.*

## DATES FOR YOUR DIARY

- Saturday 15 May – Australian Rugby Shield - Perth v Adelaide (Perth)
- Saturday 22 May – Super 12 Grand Final in the clubrooms**
- Sunday 23 May – Australian Rugby Shield – Adelaide v Darwin (Gleneagles)
- Saturday 29 May – Australian Rugby Shield – Adelaide v Qld Country (Gleneagles)
- Sunday 30 May – Home game – OC v Woodville**
- Saturday 5 June – Australian Rugby Shield – Melbourne v Adelaide (Melb)
- Sunday 13 June – Wallabies v Scotland (Melb)
- Saturday 19 June – Wallabies v Scotland (Syd)
- Saturday 19 June – Cue & Brew Night (& Aus v Scot on the big screen)**
- Saturday 26 June – Wallabies v England (Bris)
- Saturday 3 July – Home Game – OC v Brighton**
- Saturday 10 July – THE RUGBY BALL**

# THE PHYSIO DIRECT OLD COLLEGIANS DIVISION 1

## 27 March 2004 - Onkaparinga v Old Collegians

After a concerted effort by Onkas the One's settled down and played some good Rugby and was an excellent settler for the start of the season. A good win was achieved in some pretty horrendously hot conditions; and since the regular and erudite James Diack was unavailable for the season opener, superlatives and well placed adjectives could not be found to describe the day's superhuman effort. Playing rugby in that kind of heat was almost ludicrous and so the usual formalities were done away with in the preparation of the Firsts' first match report! The actual score escapes our memory but we know we won. And that's the important thing  
Mick Renfrey

## 3 April 2004 - Old Collegians 26 v Brighton 25

Brighton came to Tregenza on 3<sup>rd</sup> April perhaps with thoughts of an easy win against our Firsts but faced stiff resistance from a revitalised home team determined to win important matches early in the season. Although Colls won the game 26-25, Brighton led for most of the second half, only to confront a sturdy challenge in the closing moments

Neither side was impressive early in the first half. Both teams' lineout play was scrappy making it difficult to gain clean possession and launch penetrative rushes. We saw some good tackling, but the turnover rate was high in phase play. Colls however, settled down later and, for a while, dominated the action. A well-executed backline movement sent Andy McDougall across the line for our first try. Kini Tavui beat a couple of attempted tackles to score our second, which Dan Boughtwood converted. Then the opposition tightened its defence as it strove to strike back Brighton kicked a penalty goal and managed to score one try before half time. Our new five eighth, Dan Boughtwood, had a fine day, tackling effectively and also setting us up in attack. Number eight, Wakeham played well as did Christian Tedge and Tom Secker. Colls struggled a bit in the scrums. We lost possession a few times on our put in. This was our only real blemish on a day when our forwards generally performed well against a pack that was quick to lend support at the breakdown. Andy McDougall, Juan Aguiar and Kini Tavui made useful contributions in the backline.

We had to defend desperately after half time when Brighton launched an attack that pinned us inside our 22. We conceded a penalty try, which gave Brighton a three-point lead. This became eight points when they kept the pressure on to score their next try. A couple of attacking moves saw us gain territory, and, when Brighton failed to clear the ball from inside their 22, Andy gathered the loose ball before he dodged defenders and scored a try, which Boughtwood converted. Our lineouts were more productive in this period giving us more possession, but Brighton got turnovers at critical times. However, instead of passing out wide, where they appeared to have a better chance of scoring, they tried to cut through the centres and met stubborn resistance. They only broke our line on one more occasion. Late in the game we won a sequence of phases, and followed up with a couple of good runs up the line before Brighton turned us away. Undeterred, we regained the ball and sent Juan and a couple of others back up the line. This time we stayed inside Brighton's 22, where we passed to Kini who ran round defenders, straightened up and scored under the posts. With only a couple of minutes left in the game, Boughtwood's conversion provided our one point win. Remember that Brighton will seek revenge next time!  
James Diack

## 17 April 2004 - Woodville 14 v Old Collegians 31

Although our Firsts scored five tries to two in playing Woodville at Gleneagles Reserve on 17<sup>th</sup> April, the final score of 31-14 does not reflect the hard work we had to do to contain the aggressive pack that we faced on the day. Our forwards met the challenge and gave our outside backs the chance to break Woodville's line successfully. Early indications this season are that there are unlikely to be any easy wins in a six-team competition.

We held most of the territory during the first fifteen minutes. We won possession well, retained it in phase play and forced the opposition to concentrate on defence inside their 22. A couple of penalty kicks in quick succession enabled Woodville to encroach on our territory, where they ripped through the centres and scored their first converted try. They maintained the pressure for a while until we won a sequence of phases and sent Paul McFadden across the line for a try.

We set up some fine running movements that ended in last minute tackles. Woodville's back row did much damage to our efforts, tackled effectively and did their best to turn defence into attacking bursts, especially when they got support to drive ahead in mauls and rucks.

After half time, we made better use of the ball, retained it longer in phase play and infiltrated Woodville's line effectively more often. We produced a superb team rush that featured Christian Tedge having a good run before we eventually got the ball to Juan Aguiar who broke through for a try. Dan Boughtwood's conversion gave us a 12-7 lead. We added a further 5 points by scoring a try near the corner post. There were still times when we had to defend stoutly as Woodville kept attempting to regain some impetus. Christian Tedge played well throughout the match, while other forwards to feature prominently were Tom Secker, Ericsson and Richard Czeglik. Paul McFadden, Dan Boughtwood and Juan Aguiar performed well in the backs. Woodville's second try resulted from a 70-metre charge along the touchline that looked impressive, but occurred while a yellow card penalty was in force against us. We regrouped after this and scored two tries late in the match. Good work by the forwards got the ball to the inside backs and subsequently Juan cut a path through the opposition to touch down. A few minutes later Paul crossed the line following a similar team movement. Dan Boughtwood kicked the conversions. James Diack

## 1 May 2004 - Port Adelaide 43 v Old Collegians 22

Port Adelaide scored seven tries to our three and finished comfortable winners 43-22 in the Division 1 match at Tregenza on 1<sup>st</sup> May. With both sides lacking key players due to commitments with the Adelaide Falcons, this game was a test for the clubs' ability to replace the respective absentees. Unfortunately for us, Port had by far the better combination on the day, taking advantage of loose defence and uncoordinated attack by our lads.

Throughout the match, we gained a good share of possession from scrums and lineouts; indeed, early in the first half, we saw an even tussle in general play. However, Port gradually forced us towards our 22 with strength in mauls and rucks, retained control of the ball and broke our line to cross for their first try. Their next came when they forced a turnover, built momentum and got through again. Dan Boughtwood kicked a penalty goal, but Port surged ahead when a player stepped out of a tackle, found good support and the movement ended with their third try, giving them a 21-3 lead which they took into the second half. Colls had players who played well in patches but in the main we had problems in retaining or gaining possession at the breakdown. James Bradley, Ryan Nielson, Craig De Carle and Jeremy Thewlis were some of the forwards who contributed well at times against a pack that was more organised, cohesive and had the ability to turnover possession numerous times. Fullback Dean Bradley had some good runs, while Dan Boughtwood tried hard to provide impetus in attack. Scrum half Tim Austin gave good service most times. From a scrum near

Port's 22, Tim set Dan Boughtwood up to dodge through the defence to score a fine try, which Dan also converted. After a tap penalty kick 15 metres from our line, the Port forwards drove ahead and grounded over our goal line for another try, and shortly afterwards the opposition cruised through big holes in our defence to cross yet again. There were times after that when we started some attacking rushes that gained ground for us, but we needed better support and handling to make vital links needed to break Port's defence often enough to win the game. We got through for a try in which Dan Boughtwood and Paul McFadden combined well, only to be set back when Port scored again within a few minutes. We scored once more, a try resulting from an excellent team effort. Port had the last word when we failed to secure the ball after a pass went astray and they touched down for the seventh time. James Diack

**Thanks to everyone who wrote match reports, particularly the ever faithful and excellent James Diack, and Major Mick Renfrey who is Tregenza Times' new "rugby sub-editor"!!**

# South Australian **HEADACHE TREATMENT CENTRE**

## **ARE CONSTANT HEADACHES STOPPING YOU ENJOYING LIFE?**

Headaches, including migraine and tension headaches, are often related to problems in your upper neck. South Australian Headache Treatment Centre physiotherapists are trained to use advanced techniques for the assessment and treatment of your headache problems.

**Our fees for members of Old Collegians Rugby Union are  
\$45.50 for initial assessment and \$40.00 for subsequent consultations.**

Private Health Insurance Rebates apply.

## **HONG KONG SEVENS 2005**

A bunch of Old Collegians are headed to Hong Kong for the World Cup Sevens in March 2005. If you want to join the tour speak to Kim Evans 0438 704 415. You'll need about A\$2000 for airfare, accommodation and rugby tickets to experience a week of Hong Kong and three days of rugby in the world's greatest sporting event.

## DIVISION 2

### 27 March - Onkaparinga 29 v Old Colls 32

The first game of the season saw a rampant Onkaparinga 2<sup>nd</sup> Grade side start strongly in the 1<sup>st</sup> half against Old Collegians. This early burst saw two unanswered tries to Onkaparinga. Old Collegians weathered the storm and worked hard to bring the scores back to a small margin at half time. The closing half was a bruising encounter seeing both sides taking the lead as they exchanged blows. With 2 minutes of playing time remaining in the match, Marc Fullager drew his opposite centre out wide and popped a blind inside pass to blindside winger, Jake “the bullet on legs” Jervis-Bardy, who sliced through the defence to score a converted try to win the game.

### 3 April - Brighton 22 v Old Colls 5

This was definitely not a pretty game to watch. The highlight was watching Jake “Catch me if you Can” Jervis-Bardy demonstrating to Brighton’s 2<sup>nd</sup>s his impression of a cheetah, while adding another try to the two he scored against Onkas. The game never got going due to the ill-discipline of both sides; regardless the penalty count would suggest that the Ref had a broken arm. Although the 2’s went down eventually 22-5, the outlook is good for the 2004 Season. Joel Fudali, Garth Yeoman and Kael Cooper were the best players on the day with the defensive side of their game showing through.

### 17 April 2004 - Elizabeth 17 v Old Collegians 5

This was not one of the Two’s better days, with an obviously depleted ex 1<sup>st</sup> Grade Elizabeth side taking the field against the Old Colls. It was still hard slog with enough of the old remnant there to give us grief for the duration of the game. Mostly the Two’s were unable to combine their Backs and their Forwards play and the bad ball handling only further exacerbated the problems on field. Transitional play was pretty much non-existent and it made things very difficult for the young fledgling Collegians side (Only a small core of about 6-7 of the 2003 Two’s were still playing at the start of this season).

On a more positive note things are still looking solid for the Two’s Piggies as the boys basically pushed Elizabeth pack all over the park on the day. The 17-5 score didn’t represent the hard work that the young blokes put in but when your Forwards and Backs aren’t combining well, and the lineouts are getting swamped it doesn’t matter how many scrums you win.

### 1 May 2004 – Old Collegians 34 v North Torrens 0

Well what a stark difference comes from a dose of hard work at training, a week off for ANZAC day and a determination to show the Club what the B Squadron can do when we’re off by ourselves! Many of the young blokes were a bit perplexed at the policy that puts us out on our own almost ever other week, unable to support the Ones. So with only the ever present and wonderful hands of our own Kate Denley and more than a bit of grit to depend on we went about demolishing the ever physical Torrens A Side. It was a long time coming and Callum Mackie led the Twos with great leadership and a bit of flair. Finally some of those Forward and Back moves that Rob Sadler and the rest of the coaching staff have been drilling into us started to pay dividends; with some great running passages and drive from the Backs by Joel Fudali. An excellent late surge came when Irish finally making his comeback debut (after two years out, Irish?) set up a late try with a powerful smashing drive and then went in himself after a small push from the Forwards. Unhappy with the looming result for the day several Torrens players decided to absent themselves from the field to join in a bit of a melee in the carpark and then later under the veranda. (Fortunately for us it was all “in-house” at Torrens. Go figure?!) Well done, the lads. Let’s see many more like that one.

## NEW SPONSOR!!

We are very proud to introduce our new sponsor, the Observatory Function Centre. In addition to generous cash sponsorship, the Observatory will be providing us with a fantastic venue for our formal functions this year.

Please consider the Observatory for your own personal or corporate functions. You'll have a chance to experience the Observatory's great atmosphere and excellent catering first hand at our Ball and Presentation Dinner (some details on the Ball appear later in this edition).

An added bonus is that the Observatory is owned by an Old Collegian, Kristian Livolsi who used to prop for the Club before injuring his knee. Kristian plans all the menus, and is the head chef. The lads should be glad to hear that – a meal planned by a prop is unlikely to leave anyone hungry!

conventions  
weddings  
special events

the observatory function centre

Located across from the Botanical Gardens and foot steps from the CBD, the Observatory sets the perfect foundation for a perfect event.

Led by young entrepreneur and executive chef Kristian Livolsi The Observatory boasts two function rooms catering from

20 to 400 and a menu to die for. The only down side: what do you choose?

## DIVISION 3 – THE CROCS

### 27 March 2004 – Onkaparinga 13 v Old Collegians 12

After a long uphill march by the whole team and some significant absences for the first game of the season, the CROC's boys just went down to the Onka's Thirds with a final score line of 13 to 12. First blood went to Colls by Paruku from a great passage of play through Tim Austin and Big Michael and a later try to Peter Polecki who also defended valiantly and staved off certain tries by Onkas. Graham Raymond's kicking game kept Onkas on the back foot most of the day but Onkas line defence was relatively solid. The sweltering conditions really meant that endurance was tested to the limit for their first game, but the forwards were to be commended for their efforts all day.

Apparently Shane Clark, sometime team manager and stalwart of the club for the 4ths was reported to have left his kit secured firmly in a Titanium/Steel safe deposit box in a non-disclosed bank in the city somewhere it seems the keys were locked inside the box also!!

### 17 April 2004 - Woodville 0 v Old Collegians 38

### 1 May 2004 – Old Collegians 37 v Port Adelaide 5

The CROCs took the field against a depleted Port side. Port started the game with twelve players, four of this group doubling up from the Fours. In saying that the CROCs set about their task, they did not allow the lack of opposition numbers to sway them from their game strategy and produce sparkling Rugby that 15 plus two would've found hard to stop. Tries were scored in the 2nd, 5th, 14th, 23rd and 27th minutes. Major contributors during this half were Rob Sadler and Joe Suttell. Unfortunately Port called uncontested scrums which had an effect on the flow of the game. Changes from the bench assured a full team hit out and to their credit Port managed to muster fourteen players to finish the game. All teams should take a note of the CROCs mindset regardless of numbers – go about your work and finish them off. Well done to all and good luck to any that have to face them!!

Ray Butler

## DIVISION 4

17 April 2004 - Elizabeth 39 v Old Collegians 5

1 May 2004 – Old Collegians 22 v Port Adelaide 0

The Boys played with some brilliant Forward moves backed up by some excellent back running. Paul Francis scored two tries and was instigator of many good passages of play. Tony Mills was the best Forward on the day. Fours' match report was brought to you through the hazy recollections of a Thurs afternoon., by a very jealous and wistful Shane Clark.

## WOMEN'S XV – THE FROCS

The Frocs put in some good work in the preseason, including a bonding day at “Challenge Hill” and a fair performance at the Elizabeth 7s where they beat Burnside and physically punished (although ultimately lost to) the Singapore women's 7s team. There have been some selection issues, with long time hooker Max Moran selfishly falling pregnant. Candy was slated to take her place, but *likewise* fell pregnant. It's something about hookers. (No pun intended.)

The season commenced on 3<sup>rd</sup> April, with a game of 10s against reigning three time premiers Southern Suburbs. The score (a loss 17 – 0) does not reflect how closely the game was contested. While Souths fielded most of their experienced players, the Frocs used the game to try out a number of new girls (or old girls in new positions). There is clearly some work left to do, but the signs are good for the season.

The second game recorded a 40 – 0 victory against Port Adelaide. All 40 points were scored in the first half, which was a great display of rugby at its best. Good “team tries” were scored by both backs and forwards. Lineouts and scrums were won with ease and there were virtually no handling errors. Unfortunately, the second half fell apart. The Frocs failed to capitalise on their possession. There was also very high penalty count against the Frocs in the second half, which must be seen as evidence of simple poor discipline. The score of “nil all” in the second half should be seen as very disappointing given the difference in experience and skills between the two teams.

Unfortunately for the Frocs, they have had a four week break between their first and second game (their draw is even sillier than the men's competition...). However, on the bright side, the clubs have committed to playing fifteen a side rugby after the first round and the Frocs eagerly look forward to letting their flankers loose.

# JUNIOR RUGBY

U8	Coach: Trisha Abbott
	<b>1 May - Souths/Vikings 40 v Old Collegians 30</b>
U11	Coaches: Tara Naige & Tony Collett      Manager: Duncan Armstrong
	<b>1 May – Souths 7 v Old Colls 0</b> Souths did not have an U10 team, so combined their U11s with the U10s. After discussion with Old Colls and some waiting, the game started and ended up being half a regular game. All Old Colls players played extremely well and saw some very good tackles on the opposition.
U13	Coaches: Danny McCartan & Mark Gill      Manager: Philip Norris
	<b>1 May – Souths 7 v Old Colls 29</b> (George, Guy, Liam 1 try each, Matt 2 trys, Liam 2 conversions). All of our players had very good first games of the season. Forwards rucked, mauled and backed up at least as well as they had last year. Our backs were largely new players who all played extremely....James and Guy ran and tackled extremely aggressively, and Harry at half back didn't make a mistake all day. Other new players included Nick Harrington, Jack de Caux, and Greg Churcher who all performed well even though they didn't get as much game time as they'd hoped.  With quite a few new players it took the team until well into the first half to score the first try. After some robust build up work by the forwards followed by a 5 metre penalty George scored the first ("hand of God") try. Shortly afterwards Liam broke through on the far side of the field to send a perfectly timed pass to Matt who, as usual, was moving too fast along the side line for the opposition to lay a hand on him. So at half time we lead by 10 to 7. The second half saw the team get into second gear and very quickly to see Liam once again work his way through the entire forward pack to score, and then for Matt to outpace the opposition to score out wide. Guy then scared the coach to death, and put the final result out of question with a one handed touch down after a good piece of straight running.
U15	Coaches: Dean Bradley, Ryan Nielson, James Bradley, Daniel Boughtwood Managers : Doug Mein & Ben Rokobaro
	<b>1 May - South/Vikings 5 v Old Colls 10</b> With a large list to choose we fielded a team of experience players and some first gamers. The game started brightly with the forwards/backs interplay we came to expect last year. Rowan Mein scored the first try of the match, breaking through the Souths defence at the 22 from inside centre. Bulla kicked well, but failed to convert. Several try scoring opportunities then came and went. The second half became a mauling war as fitness and match practice (err lack off) started to tell. Only our better individual defensive skills stopped the game getting away from us. Will Sadler scored from a typically incisive run leaving OC's to win at 10 - 0. Best players were Jack Champion and James Marshall who both worked vigorously in the front line all match.
U17	Coaches: Terry Richards & Jeremy Thewlis      Manager: Geoff Lucas
	<b>1 May – Elizabeth 5 v Old Colls 32</b> Scorers: Tom Sutherland, Oliver Greenwell, Andrew Giles and Rueben Boughtwood. The game started strongly with Old Colls leading from the start. The team initially used forwards well to enable use of the backs to score. Tom Sutherland scored an excellent try with Andrew Giles again showing his natural ability.

Richard Czeglik and Dan Boughtwood (the worse for wear, having won the College Cup) happily singing along to Fern Black

Fern Black may be remembered for creating rugby table dancers, drawing out beautiful harmonies from the crowd (well, sometimes not so beautiful!) and even the occasional undies have been placed on the stage in appreciation for her entertainment! Fern has a big soul voice with a vivacious, addictive stage presence. Blues, Rock, Jazz and Soul is the gig with punchy guitar licks. After several years' absence from Old Collegians, Fern has returned and will hopefully grace us with her presence a few times this year. In her first appearance for us in 2004, true to her previous form, she had us all singing and a few of the usual suspects were dancing (on the floor, on the tables, in their seats).

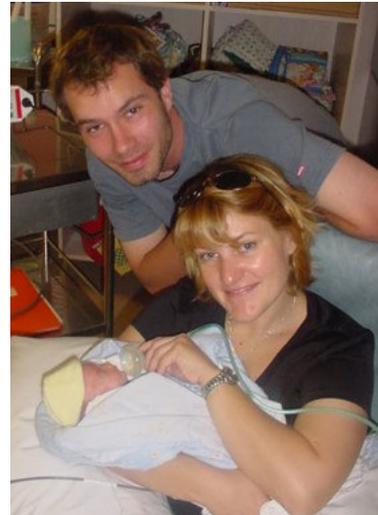

Currently at the head of the footytips competition are Dean Bradley and Gus Elliott.

Kini Tavui has earned himself a contract to play with the Canberra Vikings, and has taken his lovely family eastward for at least this season. Kini will be sadly missed both on and off the pitch. However, we have little reminders of him around the place, like the rungs on the fence around the balcony which had to be bent out of shape to extricate his son's head recently ...

Congratulations to Candice Daniel and Christian Tedge, who are expecting a baby. More recruits for our junior club – and this one is bound to have broad shoulders just like Mum & Dad!

Congratulations also go to Maxine and Greg Moran on the recent birth of young Callum Bruce. (No Calum Mackie – this Calum was *not* named after you!) Young Callum was in a bit of a hurry to get – three months premature by caesarean! However, he is a hearty size in the circumstances, is breathing by himself and is eating well. Callum was born after a Max left a Tuesday night training – he's a true Collegian baby! Always tough, Max is insisting she'll be back in the front row within weeks – but Ray's not so sure!

All Old Colls members are entitled to a 10% discount on footwear at Athlete's Foot Burnside (including **rugby boots**). If they don't have what you're after they'll try to get it in. Burnside Store only!

**Congratulations to Tara Naige and Peter Cross who celebrated their respective 21<sup>st</sup> birthdays recently!**

Gavin Pfister writes to us to tell us that he and Jo are going to be proud parents around 3 November 2004. Quote – "it was slightly unplanned but I can't help it if I have heat seeking missiles." Our warmest congratulations to them! Congratulations also go to Steve Boyd and his wife and Gus Elliott who are (separately) expecting babies, and to John Craven who is the proud new father of a brand new son! Is there anyone in this club who **isn't** making babies? Mr Costello will be sooooo pleased.

Congratulations to **Belinda Wade** (the Frocs five-eight) who recently married Michael Lindo. (This, of course, makes her “Belindalindo” whether she likes it or not.) She was, of course, cheered on by her team.

We hear from Jeremy “Mad Dog” Allport, currently based in Tanzania, that he took the weekend off recently and flew to Arusha for a game. Mt Meru was in the background and can be seen in the photo. “Great hospitality but feeling somewhat fragile today.”

Last year’s trophy for Div 4s Best / Worst on Ground (Master Bates the Cock) was given to Johnny Walker for his performances in the finals. Master Bates has been replaced by his (illegitimate) son Wayne Kerr (shown

here with the beautiful Ethne Bird, born on 8th April 2004 and a veteran by virtue of having watched Dad play twice already). To date the winners of Wayne Kerr have been: Michael Bell (excellent senior debut), Tony Bird (for having a daughter, not a son) and Simon Cross (excellent senior debut).

Young Matt Kyriacou appeared in the local *Messenger* recently, telling of his trip to the national rugby union camp held in Armidale, NSW earlier this year. Under the guidance of players and coaches from Australia's top provincial side, the ACT Brumbies, Kyriacou was one of more than 80 youngsters hoping to make an impression. He was one of just three South Australians at the camp, and he made enough of an impression to be pin-pointed by Brumbies coaches as a player to watch in the future. Apparently all three SA boys performed well, so much so that the New South Wales rugby people are in the process of setting up something similar here.

#### ELIZABETH SEVENS RESULTS

In the men’s divisions, the Cup was won by Brighton, defeating Port Adelaide. Old Collegians narrowly missed winning the Plate, losing to Elizabeth 17 – 10. In the women’s competition the Singapore team (a national team) were thumped by Southern Suburbs. It seems that the Singapore girls don’t play islanders very much back home. The Frocs came third of five.

*Oh no! Macka has grown a second head!*

Congratulations to the Old Collegians in the squad for the Physio Direct South Australian Black Falcons – Christian Tedge, Richard Czeglik, Ben Suttell, Juan Aguiar, Barry Dick, Dan Boughtwood and Tom Secker.

Can’t help ourselves with this one. Dion Smit has joined the navy, and is known by his fellow sailors as Able Seaman Spit.

### FREE KEG FOR BEST TEAM!

The Old Collegian team which best supports the club's bar in 2004 will win a keg of beer at the end of the season to be announced at Presentation Night. Every time you buy a drink (alcoholic or otherwise) you will receive a "tally ticket". You simply drop it in the Tally Box of your choice, located above the bar. There will be six boxes, one for each of the men's teams, one for the women and one for the social members.

**FIRST GRADE CURRENTLY IN THE LEAD WITH SOCIAL MEMBERS CLOSE BEHIND!**

### DRINKS VOUCHERS

Discount drink vouchers available over the bar

**12 drinks for the price of 10**

Must be used within 14 days.

## CUE & BREW MK II

**19th June 2004**

**OC's hotly contested pool competition, complete with happy hour, prizes, sledging and glory!**

**Find a partner now, and sign up!**

**\$10 per team  
sign-up sheet in the clubrooms  
numbers STRICTLY limited**

## **SUPER 12 FINAL ON A REALLY BIG SCREEN**

**The game will be projected  
onto a big screen at the Club on 22 May 2004!**

# **THE RUGBY BALL**

**Saturday, 10 July 2004**

Thanks to our new sponsor, the Observatory Function Centre, we will be holding a ball this year. Details will be finalised soon, so start planning your tables of 10.

Formal dress, great venue, 3 course meal, live band, 4 1/2 hours of drinks. Approx \$75.

# CLUB NOTES

4/9	-----	-----	----	-----	Burnside @ Waite 11.20 am

**THE DRAW HAS BEEN CHANGED OFTEN – PLEASE CHECK WITH YOUR COACH/MANAGER TO CONFIRM PALCE & TIME OF EACH GAME!!**

### STRAPPING TAPE

This year strapping tape will ONLY be supplied by the club on game days and on training nights for players who are undergoing rehabilitation for a recent injury. If you just like to be strapped at training for comfort, support, confidence or any other reason, you'll need to provide your own strapping and electrical tape.

## PHYSIOTHERAPY FOR MEMBERS

All members of Old Collegians are urged if they have any physiotherapy needs to consult with our sponsor Physio Direct as a matter of preference. **Physio Direct offers special rates to ALL Old Collegian members** with particularly attractive rates for 1<sup>st</sup> and 2<sup>nd</sup> grade players.

Physio Direct has six clinics in Adelaide, at Morphettville, Edwardstown, Wayville, Prospect, Salisbury and Gawler. Physio Direct provides treatment for all sports and work injury as well as general physiotherapy and rehabilitation for muscle and joint injuries, headaches, neck and back pains. They use manipulative physiotherapy, Swiss balls, Pilates, aquatic physiotherapy, Feldenkrais and gym rehabilitation.

Call 8373 1324 to arrange an appointment to a clinic near you.

## SUBS FOR 2004

Player \$220      Concession/Student player \$170  
Voting member \$95      Assoc member \$55  
(all fees inclusive of GST)

**SUBS MUST BE PAID ASAP      “NO PAY - NO PLAY”**

## FREE PUBLICITY

We are putting together a directory of Collegians who have services they wish to offer to their fellow club members so that we'll be able to call a Collegian when our pipes burst or tax time comes round! **Club sponsors are entitled to a full advert in the directory, but anyone can register for free.**

If you'd like to list yourself or your business in the directory, email your details to [ktle@bigpond.com](mailto:ktle@bigpond.com) or drop a note in the Suggestion Box at the club  
For example - "Hamish Cranna – 0412 345 678 – nude dancer"

### EVERYONE'S NEEDED

We need a good spread of work types - plumbers, labourers, cleaners, architects, babysitters, gardeners, accountants, doctors, dentists etc etc etc

**CLOSE DATE - 30 JUNE 2004**
