Old Collegians Rugby Union Football Club Inc

March 1st 2016 Newsletter

A great night was had by all who attended and we raised approximately \$10,000 in support of the Suttell Family, through door takings, silent & major auctions, raffle, BBQ, percentage of bar, and many generous donations made by club members, several of whom could not attend on the night.

We wish Amelia well during her treatment in Sydney.

Best Costume was awarded to: **Peter Cross**
and runner up: **Peet (The Hulk) Arnold**

A Big Thank You to Rob Costanzo (#1 Batman) who organised the Fund Raising evening and many thanks to all who assisted with success of the night by donating items for the auction and the raffle, for cooking the BBQ, decorating the club rooms, etc.

And to all those young and old, small and large who came dressed as their favourite ***SUPER HERO!!!!!!!!!!!!***

Meg's Worlds Greatest Shave

Today, 34 Australians will be given the devastating news that they have blood cancer.

I personally know 3 different people who have had to go through treatment for Leukaemia and I am only 12 so don't know a lot of people yet.

I want to try and raise money to help.

I am colouring my hair pink on March 10 and would like to raise as much money as I can to help support families with Leukaemia and try and find a cure.

Please sponsor me.

Thankyou,

Meg Richards

Mouth Guards

PROTECT YOUR SMILE WITH GAMEDAY MOUTHGUARDS.

GAMEDAY provides everyday Australians with access to the highest quality custom mouthguards for low prices and without the traditional need to visit a dentist.

Purchased online, a GAMEDAY home impression kit allows a customer to create a detailed mould of their mouth in the comfort of their own home. The mould is sent back to GAMEDAY in a supplied Reply-Paid box. Using the latest technology, Australian Dental Technicians carefully produce the custom mouthguard on the back of the impression. The customer receives the finished product within 9 days.

GAMEDAY mouthguards offer the highest level of protection for both children and adults.

Cost

GAMEDAY mouthguards start from \$85 but the net cost to a consumer can be as little as \$2 with a rebate. GAMEDAY is registered for rebate with all Australian health care funds.

Why buy a custom mouthguard?

The Australian Dental Association (ADA) recommends that Australians use custom-fitted mouthguards over less effective over-the-counter or 'boil and bite' products. Custom-fitted mouthguards offer the best fit and protection for the mouth. They are comfortable to wear, allow active talking and are hard to dislodge from the mouth.

- Custom-fitted mouthguards – offering superior fit, comfort and protection
- Impression kit means mould can be taken in the comfort of home
- As little as \$85 upfront
- Registered with all Australian health care funds
- No need for costly dentist visits
- **Custom colours and club/team logo prints available**

GAME DAY MOUTHGUARDS will be at the Clubrooms on **Wednesday March 9th**. Get your child's mouthguard fitted and ordered.
