Winner Winner CURRY Dinner!!

The Inaugural OC Curry Champion is Joel Pepper

Big thank you to everyone who participated in the inaugural OC Curry Cup. We were truly spoilt and the fragrant aromas that wafted through the club house were only a taste of the culinary sensations that lay before the astute diner who enjoyed the entries.

With a variety of entries from Beef & Lamb Vindaloo, Chicken Korma, Vegetable Handi and of course our winning entry of Chicken and Pumpkin Curry we toured the Indian sub continent in one amazing evening. In close second was the Chickpea Curry entry from Tim Wonders.

Well Done ladies and gentlemen and lets see what next year brings us!

Volunteers Corner

This week we acknowledge

*Fiona Brady, Fred Monaghan, Simone Punshon,
Sharon Barlow, Megan Brewer, Sue Thewlis, and
Jane Wright.*

In addition to these people we would like to give a massive THANK YOU to everyone who helped out this week. Unfortunately some of our normal volunteers were unavailable at short notice due to various reason (Beth O Shower Screen 1!!) and everyone pulled together. Our junior parents and senior players showed their true OC spirit and stepped up at a moment's notice, setting up or packing down, taking long stints on the BBQ and Canteen and generally putting all their efforts into ensuring that the day ran smoothly.

A big pat on the back—you made the day for everyone and showed the OC hospitality at its best!!

We always need people to help out so why not sign up it only takes a minute—[click here](#)

*We sincerely thank all our Volunteers, you are what make
Old Colls such a great club!!*

Old Collegians Luncheon

launching

The 100 Club

Must Attend:

The Old Collegians Player's Trust invite you to join them for a luncheon at The Robin Hood Hotel to launch The 100 Club, with guest speaker, Peter Fab Fenton. Proceeds will support the Youth Tour on NZ.

What: Launch of The 100 Club
When: Friday July 29th
Where: 315 Portrush Rd, Norwood
Time: 12pm for a 12:30pm start
Other: \$75 per person (3 courses)
RSVP: Oliver Porter
oport@olstar.com.au
Michael McCrea
msjy.mccrea@gmail.com

Old Collegians Luncheon Guest Speaker

Peter Fenton was born in Boggabri, New South Wales and educated at Parramatta High School. He then went on to play over 200 minor grade games for Parramatta and become one of Australia's legendary rugby union coaches.

Peter Fenton's professional career is varied, incorporating his love of writing, film and sport. He wrote and co-produced *The Running Game*, a one hour video on The Wallabies Tour of Great Britain in 1981, *The African Campaign*, a 90 minute video on the Wallaby tour of South Africa in 1992 and *Pick Me Up and Run*, a 50 minute video on how to play rugby, featuring the 1995 Wallabies.

Peter published his first book in 1992, a series of anecdotes on his coaching career and over 50 poems on Australian sport titled *Sport The Way I Speak It*. His second book, a biography on the great boxer, Les Darcy, *The Legend of The Fighting Man* was published in 1994, followed by his third book, *For the Sake of the Game*, released in March 1996, an account of the NSW Waratahs' tour of the United Kingdom and France in 1928/'29. Recent titles include *They Called Him Boy*, Andrew 'Boy' Charlton, the story of one of Australia's great Olympic idols and *Olive*, an account of the heroic life of a north Queensland girl who became an army nurse when Japan threatened to invade Australia in the early months of 1942.

Renowned as Australia's most prolific sound mixer of feature films, Peter has been responsible for the sound tracks of more than 200 Australian films since the early '70s. His Chief Mixer credits include *Caddy*, *Sunday Too Far Away*, *Newsfront*, *Picnic At Hanging Rock*, *The Getting of Wisdom*, *Gallipoli*, *Phar Lap*, *The Year of Living Dangerously*, *Evil Angels*, *The Russia House*, *Lightning Jack*, *I.Q.* and *Six Degrees of Separation*. In 2012 he was the recipient of an OAM for services to the Australian film industry.

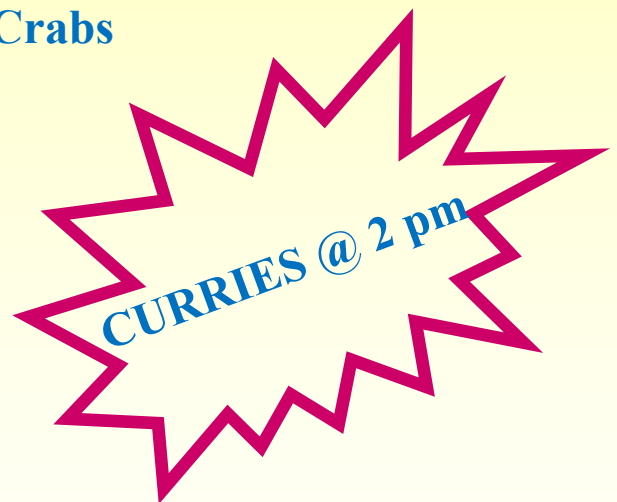

It is fair to say that Peter 'Fab' Fenton is highly regarded as a sound mixer, film maker, coach, commentator, author, poet, raconteur, lover of Australian sporting legends... and occasional drinker!

Reserve XV Match Report

Old Collegians 41 def by Onkaparinga 12

Great to see Ryan 'BooBoo' Nielsen, Derek Lewis and Robbie Paprzycki start in the two's for this top of the table match against Onkaparinga. At the away edition of this fixture in Round 1 Onka's out lasted us for a narrow win, so we knew this would be as much a test of our endeavour and endurance as our skill.

A strong first half performance with tries to Tim Dawes (conv Mitch Sallis), Karl Edgar, Kyle Fleetwood-Pieper and Alex Murphy found us at 22 to nil at halftime. Onka's did mount a couple of challenges but our defence held strong. If the second half went the same way it would be a much easier than expected victory - but it didn't quite. The first 20 minutes of the second half was a seesawing affair. Onka's upped the tempo and it took a good deal of effort to deny them a score. Discipline was good, on both side actually, so there were no clear cut penalty opportunities either. When Mitch Sallis crossed for a try and converted 20 minutes in it looked like game over. But then Onka's hit back with two quick tries, breaking through our tiring defence with disturbing ease. If Onka's could maintain that level of energy our 27 -12 lead could so easily slip away! With 5 minutes to play Derek Lewis scored a well deserved try which Stu Robertson converted. That took the wind out of Onka's sails. And when new recruit Henry Cameron crossed the try line two minutes later it truly was game over.

This match was a testament to our playing depth, defensive effort and ability to create scoring opportunities but there's no doubt that, at their best, Onka's were a hand full. Food for thought there!

Tries to Tim Dawes (1), Karl Edgar (1), Kyle Fleetwood-Peiper (1) Alex Murphy (1), Mitch Sallis (1), Derek Lewis (1) and Henry Cameron (1). Conversion by Mitch Sellers (2) and Stuart Robertson (1) for a final score line of 41 - 12.

Best players Alex Murphy, Karl Edgar and Stuart Robertson.

Third XV Match Report

Old Collegians 21 def Onkaparinga 10

Tries: Matt Milne, Scott Fox, Will McLeay

Conversions: Nick Delany (3)

Best on ground: Justin Elder, Jim Francis, Jack Nicholson

An injury requiring ambulance delayed the start of our match and when the whistle finally signalled the start we were facing two 20 min halves.

The injured Onkas U16 player is thankfully OK.

Onkas started strong and held possession while pressing us in our half. After some scrambling defence they broke out wide and scored. We seemed to have become susceptible to losing possession at the breakdown. It's not long before we again turned it over after a hard effort working the ball into Onkas territory - a kick and we were again defending.. Fortunately, our scrum really worked and a tighthead gave us possession which we maintained until about 30 out where we were awarded a penalty. Nick had a rare miss. We botched the throw to lineout, but win another tighthead from the resultant scrum and kept the ball alive to move well into Onkas territory where we turned it over. Chester gathered a poor Onkas defensive kick, runs it up and fired a perfect long pass to Matt on the right wing.

Matt easily ran around his mark and trots around to place it between the posts.. Nick's conversion brought the score to 7-5 at the half time break.

A much better start sees lifted intensity and OC moving into Onkas half to apply loads of pressure. Scott ends up with the ball and ran through the last two defenders for another 5 points, converted to 7 by Nick's reliable boot. Onkas lift from the restart and were soon threatening our line. We gave them a penalty, quick tap, ball wide finds a three man overlap and five easy points. A period of scrappy play sees Onkas give us more frights than we're giving them. Some dreadful kicking gives Onkas free territory and possession. We hold the pill through phases as we ground the ball deep into Onkas territory. Several picks and go, compromise the defence and Will found the way through. Nick's conversion brought the final score to 21-10.

Women's Team Report

Old Collegians Forfeited

U18's Match Report

Old Collegians Bye

U16's Match Report

Old Collegians U16's 29 – v Onkaparinga U16's 0

Tries – Campbell (1), Seaton (1), Magnus (1), Jack (1), Michael (1)
Conversions – George (2)

Still unbeaten in 2016, with the draw from the abandoned match versus Burnside the only blemish we face an Onkaparinga side who we narrowly beat by 3 points in the season opener. We welcomed Max Linton from the U14's to bench for the lads on a dry, windless day. Once again the game was refereed well with the referee having the fitness levels to keep up with play.

Onkaparinga kicked off and must remember our kick off struggles from the season opener with them as, with no surprise to the fans, we messed it up again and gave them an attacking scrum. Lads, every game we seem to give the initiative to the opponents in this manner. Boosted by this Onkas made all the early running with our defence being superb then came the turnover. George turned them on their heels with a typical Hewitt precision kick. We won a scrum from an amount of pressure. From a secure scrum the ball goes through the hands and Campbell finishes it in the corner in style.

Following on from his flanker role last week, Michael demonstrated pilfering which lead them to hold on and from the resulting penalty we ran the ball. James du Preez missed a couple of players out with an effective long pass and Seaton was the recipient under the posts.

We were looking formidable by now and a clearing kick from Jack had Magnus on a chase. After a tackle from their full back Jack followed up his kick to receive the pass and get our 3rd try. George continued his bad luck in conversions by blasting the ball against the upright, the 3rd such time in the last 2 games.

The 4th try was made by superb forward play, only for the backs to get the acclaim. Kees spotted a counter ruck opportunity and barged through their pillar and post with support from Alfie. Brad scooped up the ball and hoofed it, Jonny Wilkinson style, and we were on. This time following the chase the backs passed it through the hands for Magnus to touchdown.

Our 5th came courtesy of Michael following superb forward pressure. Phase after phase, pod after pod, with great support play, Tom was instrumental among others. The Onkas defence was loaded on the blind-side and James Du Preez had the awareness to switch with a superb long pass giving Michael opportunity to score.

More scores looked inevitable however in the 13th minute of the 2nd half an Onkas lad needed medical treatment for a suspected spinal injury and an ambulance was called. The referee had little choice but to abandon the game at this point and award us the win 29 – 0. On the Sunday we received notice that the lad was cleared of spinal injuries so that is naturally a relief.

Once again the win was built on teamwork with 5 different try scorers being testament to that. All of our blokes contributed to this success. Lads, we now have 2 bye weeks so we need to refresh, train hard, keep our fitness levels up come out raring to face Brighton at home on the 23rd July.

Oh me lads you should have seen us coming.....

U14's Match Report

Old Collegians 10 v Souths 33

Tries: Lefatu Egglestone & Max Linton

U12's Match Report

Old Collegians 34 v Onkaparinga 14

Tries: Jayden Hazzard (4), Morris Clementson, Siobhan Monaghan
Conversions: Morris Clementson (2)

Another week and a well-deserved 6 tries bonus point win against a tough Onka's team.

We had asked our forwards to step up after a poorer performance last week and they definitely rose to the challenge. It was a pleasure to see our boys going forward in the scrum and I hope they liked the feeling. In general rucking and tackling was improved. Although Jayden once again showed some powerful running it was great to see him joined with others keen for a run. Gus displayed leadership in the front row and Slade was always placing pressure on the opposition in defence. Our bigger lads James, Jake, Jack and Tino also played nice rugby throughout and it was excellent to see our new U10 Jett enjoy a couple of breaks. Keagan had a shot at flanker this week and performed well and Noah showed strength in attack and defence.

We kept the ball quite tight in the backs and when we did spread it wide we looked dangerous. Harry and Morris were a new halfback partnership and balanced a few solo runs with some nice handling through Ryan and Siobhan, who's fine running has been a joy all season. Meg, Katie, Xanib and Wellington didn't get as much ball as I would have liked however made the most of it when they did.

We had Lucas and Max on the bench today from U10s and will expect them to get a proper run out next week. Overall a good performance with plenty to work on prior to finals.

Thanks to all parents who came to cheer, help on BBQ, wash shirts, provide half time oranges and take photos. A great team effort :-)

U10's Match Report

Weekly Award Winners:

Coaches Award: Tyson Hazzard

Tackling Award: Matthew Spark

Most Improved: Oscar Allen

Tries —: Archie King, Max Richards, Lucas Aguiar & Griffin Barker

Conversions-: Sam Lindow (2)

The Onkaparinga 10s came to play; it was hard work for us until the 8th minute mark when the Old Collegians 10s got into their true game style which is a delight to watch.

As with all junior games, both sides tend to play like a pack of Sea Gulls around the last chip. It is only when the ball gets out of the rucks and mauls that the backs can run the ball in an open field to score a tries.

It was pleasing for the coaching team to see some great clean out play, some good passing, good catching and strong running.

In the tight play some outstanding play came from Lachian Bell and Matthew Sharp which gave our backs the chance to run in one or two tries. Louis Clementon played an excellent game picking up any loose ball and running through Onkas loose pack. As always Jett Behrens used his size to our advantage gaining many metres and creating great ball possession for the loose forwards and backs to use. Our pack showed what can be achieved by working together pushing Onkaparinga back from our 3m area to the 22m line and getting the put in at the scrum.

Once the ball got to our backs there was no stopping them. It is always a delight to see the speed that Max Richards has once he has an open field. Lucas Aguiar, as always, ripping the ball from opponents and always in support of his team mates. Jack Bell had a great run between their pack and the touch line, gaining some 30m. Fergus Keigharn's strong pick-up and go movements, side stepping and weaving though their pack gaining many metres. Alistair Tanner had a great game with lots of pick and go runs, while Charlie Waltham produced some great try saving tackles.

Referee Report. Still too many high tackles which cost us 10m each time.

U8's Match Report

Old Collegians v Onkaparinga

It was back to the home of rugby last weekend as the mighty Under 8's fronted up to play Onkaparinga. Whilst rain threatened during the game, Tregenza was in great condition which allowed for both teams to play a great brand of attacking rugby.

Onkaparinga started with possession and pushed forward to find a determined and committed defence led by Mia Aguiar, Quillian Bleakley and Thomas King. Hudson Lindow, Lucy Brennan and Will Tanner soon joined in to help turn the ball over to allow Alex Punshon, Daniel Boulden and Toby Wilson to attack the Onkaparinga defence. Eventually we broke through. Edward List, Nick Robertson and Jackson Brady doing the damage by busting through a weary defence to set up others or scoring themselves. Our passing has really improved and it was on display many times during the first half. Most of our scores came from players willing to put their team mates into better positions.

The message at half time was to continue with the team play but to concentrate on our tackling. Onkaparinga were proving to be a determined opponent and any missed tackles were being taken advantage of.

The second half really opened up. Strong running and passing to advantage from both sides paving the way for lots of scoring. Match highlights for us included Mia Aguiar crossing over to score on more than one occasion, Nick Robertson's speedy running and Hudson Lindow getting his first try for the season

Your support is truly appreciated!

U7's Match Report

Old Collegians v Onkaparinga

Once more we dodged the rain bullet and had some good conditions for our home match against Onkaparinga. Onkas have a fair few U7's and we split up once again into an Under 7's (Old Colls Blue) and Under 6's (Old Colls Red) game. Again, thanks to a couple of older U7s qualified players for playing with the U6s as well.

We waived the line-outs and scrums again this week.

Both games played were pretty even affairs. Old Colls Red are continuing to improve each week. Try scorers this week were Noah Burton-Howard (2) and Zack Czeglik (3). There were also fine performances by Lois-Burton-Howard, who is ever ready to receive the ball and distribute it, while Myles Kidd produced some nice running.

The Old Colls Blue team played a very good game against a fast Onkaparinga team. The blue team, once more, showed significant improvement compared to the last game played against the same opposition. The defence was consistently good and all the team did their part, Manuel De Campo was untiring in his efforts and Callum Reeks spreading out well in defence and picking off Onkaparinga players when they got near him. Alexander Smitham and James Hicks both were strong defensively and had some nice runs, each scoring once again (but they both need to get back on-side a bit more in defence). Rhys McCarthy (1) scored another nice try and Manuel De Campo blitzed the opposition on two more occasions in the game, produced two fine scores. As every player is very anxious to get hold of the ball, and having 5 substitutes means not quite as much game time, the players were bunching up considerably near the re-starts, making it difficult for the passers to pass and the recipients to receive and run directly. We will need to work on this in the coming weeks.

Team Awards this week went to Noah Burton-Howard, Lois Burton-Howard, Manuel De Campo and Callum Reeks. This week the Coach's Award went to Zack Czeglik for scoring three very nice tries.

Thanks to all the coaches and volunteers, especially Dave Humble this week, and thanks to all the parents for getting their kids to the game.

Next Weekend: Southern Suburbs at Bailey, 8am kick-off, see you there.
