# Australian Deaf Games—Wednesday 13th January

Well done, again OC has shown that we can put our “noses to the grindstone” at the last minute in the name of Rugby, with less than four weeks notice and limited information coming our way, the day was a great success for the three teams competing. Fiji, Queensland and New South Wales.

A big thank-you it would not have been possible without you all. Please pass on my thanks to your family members who also suffered in the heat and worked tirelessly from the crack of dawn in their various roles as BBQ and canteen helpers, ball boys, scorers, etc. Also to the team that prepared the pitch, line marking etc and to the referees who had a briefing on the signals required for the hearing impaired players.

**Sue Thewlis—Secretary**

*The following email was received from the Deaf Games Rugby Coordinator—Joanna*

*Just a quick, late-night HUGE THANK YOU for the amazing show your Club put on for us today. Everyone was truly blown away by the whole thing and so very, very appreciative. They couldn't believe you had done all this for them and were so very happy about the day.*

*But I just had to let you know how huge the impact of your generosity was on everyone there today.....your efforts truly make the whole thing look as if it was a flawless event that had been in the planning/preparation phase for many months.*

*Referee Kath giving the signals*

**Fiji—Gold Medal Winners**  
*Most of this team also played Touch and Netball throughout the Deaf Games!*

**John and Simone—cooks extraordinaire**  
*BBQ was greatly appreciated by the players and spectators*

## Tony Jellicoe—Vale

It is with sadness we advise past and present members that Tony passed away on Thursday 14th January after being diagnosed with an untreatable cancer in December 2015.

A member for some 15 years before moving interstate in the mid 90's and then back to his hometown Christchurch.

Tony played cricket for the club and was a strong supporter of Rugby. He served on the Committee in the early 1990's.
