# From the Director of Rugby

The 2017 season may not have been the successful year on the field that we were hoping for in terms of premier-ships but there were some real positives to come out of the year that we can build on next season and into the future.

**Firstly**, the Under 18' tour of New Zealand was a great success. Initially the idea of Rob Smedley and with the help of Peet the project gained momentum and a touring Committee was formed.

The committee led by Chris Killick worked tirelessly and given the short time frame to raise funds together with the difficulties with logistics and scheduling managed to turn a dream into reality. We forged many valuable connections in New Zealand and the players gained so much out of the tour.... which was evident in their play during the year and this will hold them in good stead as they embark on their senior careers.

The 18's tour is planned for every 2 years with the next in 2019, so the next crop of juniors has something to aim for.

**Secondly** the Women's Team worked very hard this year and made the Grand Final. Well coached by Fiona Brady the women's team once again had many new members..... with some new to the game, trained hard all year with good numbers and got it together when it mattered most. The Semi and Preliminary final wins were great games to watch and they didn't lose any admirers in going down to Souths in the Grand Final.

Hopefully the group can stay together and go one better next year.

**Also** a positive for me was the emergence of some of the Juniors players coming into the Seniors ranks and having an immediate impact. This once again highlights the work done by our Junior coaches and the programs we have in place.

**One** of the most disappointing aspects this year was having to withdraw our Third Grade from the competition halfway through the season. With players moving back overseas or interstate for work, plus those with increased local work commitments meant our numbers were reduced significantly from last year. Unfortunately, with many First and Second Grade players continually unavailable for a variety of reasons the regular Third Grade players were required to play up which meant we had to forfeit nearly every week. These players punched above their weight all year and did a great job to get to the Preliminary Final, losing in a tight one.

**I would like to thank the following people:**

**Our Coaches** – Women's' Team: Fiona Brady and Gerard Barrie

Second Grade: Mark Siaoisi, Sandy Taylor and Rudi Timoteo

First Grade: Steve Pepper and Will Sadler

**Our Director of Coaching:** Peet Arnold

**Our Club Fitness Coach:** Glyn Whatley

**Our Team Managers:** Women's: Rob Costanzo – 2nds: Doug Mein and Ian Walker. 1sts: Tom Secker

**Our Selectors:** Ian Walker and Doug Mein

To **Kate Denley** for keeping all things medical in shape and looking after the player's welfare

To Barb Finn, Margaret Patterson, Jane Wright and Sue Thewlis for helping prepare the Thursday night meals.....and to Ted for always cooking those steaks just right. And to those players who regularly put up their hand on Saturday's to help on the BBQ or in the Canteen....we know who you are and we thank you.

All the people I have just mentioned are volunteers who give freely of their time because they have a passion for Rugby and the Old Collegians Rugby Club. We are all members of an amazing club. I've always appreciated that fact but even more so last year when I spent a month in hospital. It was a bit raw to talk about at last year's dinner but the way the club got around me and the support Rebecca and I received from so many past and present members was at times overwhelming and very much appreciated.

Our club has such a strong community feel and the level of support and caring we show for each other and the intrinsic values we share as a group has held us together for many years. It has helped us to survive the tough times and has given us the strength to bounce back strongly.

I'm proud of the way we conducted ourselves this year both on and off the field and the respect we show for each other and our opposition, regardless of the result, is what the spirit of rugby is all about.

Next Year we all need to be motivated to improve in all areas of the club, whether you are a player, coach, administrator or thinking about getting onto the club committee. Start thinking about it now.....Motivation is the key.

WITHOUT SACRIFICE, THERE IS NO DISCIPLINE  
AND WITHOUT DISCIPLINE THERE IS NO SUCCESS***
