Kitchen & Balcony Renovations

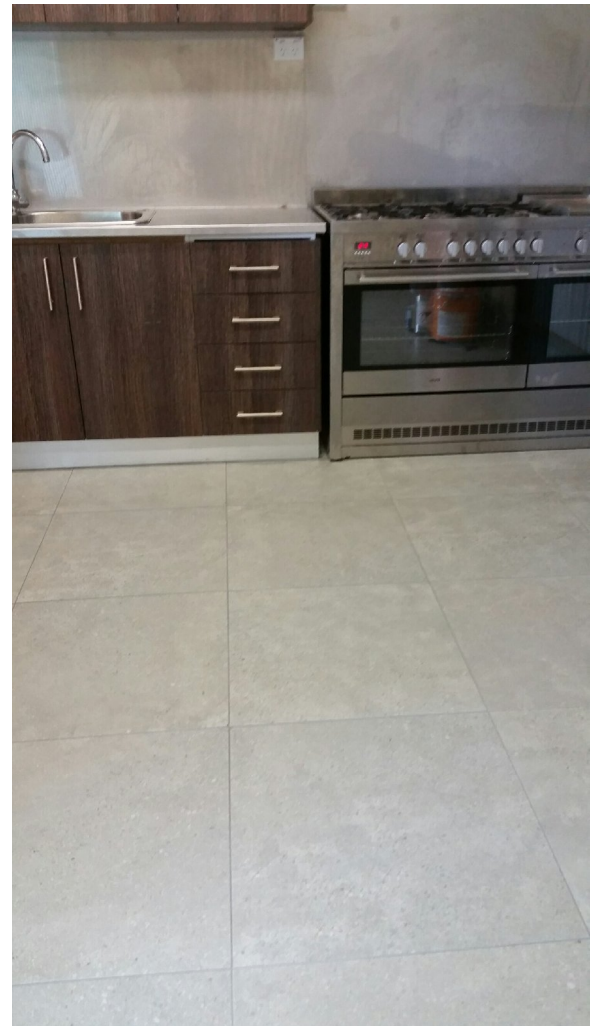

Balcony Upgrade - Works in progress

Huge thanks to **Mark Pickard** (and his team) who have been working tirelessly over the last couple of days improving our outside kitchen (see new tiled floor) and the entertaining area of the balcony which is receiving a facelift (or do I mean floor lift). The floor is being resurfaced to improve its appearance and to assist with cleaning.

Please be patient, this area will be **out of bounds** while the surface is drying.

Along with replacing the fire damaged stove in the clubroom kitchen they are installing a new splash back. By the Cocktail Evening we will have two newly renovated kitchen spaces!!

Players Gymnasium—Nearly There

Once again we say a **BIG THANK YOU** to Glyn, his wife and son and Geoff Holdich who answered the call for assistance to get this new area ready for the benefit of all OC players.

Please remember say a “personal thanks” to them when you see them at the Club!

There is still a little more work to be done before it will become available for your use.

Remember **NO RUGBYBOOTS** are to be worn in **THE GYM**.

They will damage the floor matting!
