

# ANNUAL REPORT

## OF ASONI LTD.

FOR THE YEAR 1973

To be presented to the ANNUAL GENERAL MEETING of members to be held  
at the G. V. Portus Rooms, Bailey Reserve, Aldershot Street, Chancery Gardens  
on Monday, 17th December, 1973, at 8 p.m.

OFFICE BEARERS 1973

PATRON:

His Excellency, The Governor,  
Professor Sir Mark Oliphant, K.B.E.

VICE-PATRONS:

G.C. Gordon Esq., F.Kenneth Milne Esq.,  
R.E. Porter Esq.

PRESIDENT:

The Hon. Sir Norman Jude

IMMEDIATE PAST PRESIDENT:

C.E. Runge Esq.

VICE-PRESIDENTS:

B.E. Brook Esq.	N. Carmichael Esq.,
J.H. Davey Esq.,	E.R. Fidock, Esq.,
K.P. Grayling Esq.,	M.F. Homes Esq.,
A.J. Mallison Esq.,	A.A. Marks Esq.,
A.E. Mitchell Esq.,	R.F. St. J. Sweeting Esq.,
F.H. Shaw Esq.,	W.H. Wainwright Esq.

CHAIRMAN OF BOARD OF MANAGEMENT:

K.P. Grayling Esq.

CHAIRMAN OF COUNCIL:

W.H. Wainwright Esq.

LIFE MEMBERS:

P.Campbell Esq., J.A. Carroll Esq., C.E. Runge Esq.

MESSAGE FROM

THE PRESIDENT  
OF THE SOUTH AUSTRALIAN RUGBY UNION

Another season has passed and seen further development in this State of our great amateur game, culminating in the selection of a very fine player, Rod Hauser, for the Australian team now visiting England. Our first Wallaby!

The highlight of the season was the first-time visit of the redoubtable Tongan team, accompanied by Chief Hahano Vahai, who represented H.M. The King of Tonga. Although we were outplayed by their brilliance, it was a most enjoyable game, while off the field they gave tremendous pleasure to all who met them.

We were honored on this occasion by the presence of our Patron, His Excellency The Governor, Sir Mark Oliphant.

On Grand Final Day, I had the pleasure of presenting various trophies and awards, and also the privilege of unveiling the "Jack Case Memorial Plaque". I asked Mrs. Case to accept a token on your behalf, of our appreciation of his long service to the game.

Again I tender my sincere thanks to all those who have devoted time and energy to our interests. To name only some of them would be invidious, but all should be conscious of the merit they deserve from the rank and file of the organisation.

Norman L. Jude  
President

CHAIRMAN OF COUNCIL:  
W.H. Wainwright Esq.,

CHAIRMAN OF BOARD OF MANAGEMENT:  
K.P. Grayling Esq.

HONORARY TREASURER:  
Dr. P.R. Beasley

HONORARY ASSISTANT SECRETARY AND REGISTRAR:  
Mrs. J. Bryant

BOARD OF MANAGEMENT:	
K.P. Grayling (Chairman)	P.E. St. J. Sweering (Dep. Chairman)
P.R. Beasley	Mrs. J. Bryant
P. Quinn	D. Kerrigan
A. Mitchell (Res. Sept.)	M. Mitchell
A.A. Marks	W. Perkins (Res. July)

AUDITOR:  
D.C. Flood, Esq.

HONORARY SOLICITOR:  
J.R. Davey Esq.

SECRETARY:  
P. Campbell Esq.

STATE COACH:  
J. Thomas Esq.

STATE SELECTORS:  
T. Henderson Esq., A.E. Mitchell Esq.,  
C. Plews Esq.

JUDICIAL COMMITTEE:

## REPORT FROM CHAIRMAN OF COUNCIL

The season 1973 has been somewhat spasmodic in its success. It has been evident that the mistake of conducting a Bye-series in Division 1 must not be repeated, and we should look forward to a period of greater balance between all clubs, which could result in a more open and successful competition. It is possible that the continuing work with regard to Club Rooms amongst some of the more progressive Clubs will help in this regard.

Council business in general has improved with the resumption of monthly meetings during the playing season, although I would like to see better liason and reporting between some delegates and their respective clubs. Greater attention to this will improve and expedite Council affairs.

Our new secretary, Mr. Campbell, faced the beginning of the season with a number of problems and frustrations, but with determination, application and hard work, he has managed to overcome the majority of these, and I feel confident that some of the results of his labour will be evident in the coming season.

It is unfortunate that in the field of higher administration, we are still obliged to rely on the old and willing workers. The Board of Management has done a magnificent job under difficult and trying conditions. They have been understaffed, and subjected on occasion to unfair and uninformed criticisms. I would appeal to senior and able members of the Union to offer their services in this valuable field of administration.

In congratulating the Board of Management, I would at the same time offer my personal thanks to the Chairman and members of the various committees, State selectors, Referees Association, State Coach and to all members of Council.

W.H. Wainwright

## FINANCE

The finances of the Union have remained relatively stable throughout the period. Without seeing the auditor's report, it appears that a position not very different to last year's statement will be shown.

Two matters did cause some concern. The first was the need to pay, in the early part of this financial period, the Bailey Recreation Ground dues for 1971-72. These dues had been overlooked. The second was the sudden request by the A.R.F.U. for an interest free "loan" of \$1,000.00, to be paid by the S.A.R.U. as soon as possible. The period of the loan is three years.

A number of the clubs had owed moneys to the Union for some years. The amounts owing varied from as small as \$30.00 in one case to some \$990.00 in another case. It is a matter of gratification that all these sums have been met and the books are now cleared for the next year.

With the inflation that has occurred in the last ten months, costs will undoubtedly rise. In addition, the Portus Rooms at Bailey Recreation Ground must be renovated and improved. Consideration must be given in the near future to providing covered spectator areas for the main pitch at least. All of this means that increased revenue must be obtained and, perhaps, new and different means employed to obtain that revenue.

The efforts of the secretary in the field of finance are worthy of commendation. His work and cooperation has relieved the Hon. Treasurer of many tasks.

A Merry Christmas and a Happy New Year to you all!

Dr. P.R. Beasley.

## REVIEW OF 1973 SEASON

The S.A. Rugby season, which finished with a rather one sided Grand Final in Division 1, was one of mixed progress, in other words, not without its problems. The prime factor in any Rugby season is that all the playing members in the State enjoy their games, learn to improve their own ability, and vow to do better next year.

As in the past, the Elizabeth "sevens" sets the pace of the season, and gave players a rather hectic and very energetic start. Again this year it was a success. It was suggested to end the season with a country carnival set of Seven-a-side games, but this did not eventuate.

We hope that the serious problems of the match committee in planning the programme will be made easier in the preparatory work towards 1974, with early applications and listings from the clubs for the various grades in which they wish to take part. In this connection, lateness last March caused delays and errors in the specially printed programme. In this past season, through the good auspices of Rugby minded people, a few advertisement helped to finance the project. We hope for a continuation of that support in 1974.

Due to the dropping out of Whyalla from the Metropolitan competition, a redraw was made which resulted in a series of 'Bye' games for division 1. This fact did not enhance the competition - again next season's planning must be more positive.

The highlight of our season was the colourful arrival of the friendly Tongans. They spent a few days as our guests, enjoyed themselves, and defeated our South Australian selection at Norwood Oval. It was a good game and the visitors showed that enterprise is one of the most important attributes of any team. For this game, the S.A. Rugby Union had the support of Phillip Morris Ltd., whose public relations team were a great asset to the organisation of this popular event.

Our Colts proved that they are the makings of a great future State team, thanks to the efforts of State coach, Jim Thomas. They were able to defeat the visiting Colts from Victoria in a good, open, fast game at Bailey Reserve last May 27th. by 22 points to 13 points.

When Western Australia Colts visited us on Sunday, July 22nd., we had a good attendance at Tregenza Oval, where we were treated to a very spirited game between two well matched sides playing good Rugby. This game resulted in a ten points all draw.

The State senior team travelled to Melbourne, but were unable to take the honours. The Victorians beat us 27 points to 10. For that game, the Australian selectors had a member present and as a result two South Australian club members were selected for the Wallaby Trials - Denis Hayden from Glenelg and Rod Hauser from Old Collegians. Following the trials, South Australia was thrilled at the selection of Rod Hauser to the Australian team to tour Wales and England. He has the honor of being the first ever player to be selected from South Australia. It will be great experience for Rod to play against the U.K. clubs. It must be also noted that the award of the Don Smith Trophy for South Australia's most outstanding player for the year deservedly went to Rod Hauser.

The fact that it is now more than just a 'possibility' that players who really put their minds to playing Rugby as Rod has, can look forward to the great honour of representing Australia in overseas matches.

The season was rather quiet from the point of view of visiting teams, but on the actual club game side it was a very disturbed season with much confliction between teams and referees in the senior games. This was truly unfortunate as it tended to create a loss of liaison between the 'man in white' and the players. Let us not forget that, in 1974, its the playing of the game in the true spirit that matters, and what's more and equally important, is that the referee is as much a part of our game as the players. During the season there were many complaints about forms of violence despite the fact that our game is a tough one. There is no need and no place for the player who fails to come up to the standard we like. In 1974, if club coaches note such players, it is their obligation to the code to drop them/.

1973 produced a most interesting and indeed entertaining 2nd. Division Competition, with many changes on the ladder, other than the Glenelg side who played great Rugby and eventually won the series. The runners-up, Salisbury College of Advanced Education, fielded a really enthusiastic and well-balanced team, whose back play was a feature of the season.

We look forward to the opening by West Torrens of their own grounds and club-house at Dry Creek next season. Their performance during 1973 was not great, possibly due to being more or less 'homeless'. This fact highlights the big difference between the performance of the top teams in Division 1, and those who find themselves at the bottom of the ladder. The new plan for 1974 should create a better balanced competition.

Onkaparinga made good progress with their new grounds at O'Sullivan's Beach. They also plan to be involved with other sports clubs for a joint club-house. Other clubs engaged in similar planning are Southern Suburbs and Glenelg.

The club competition could not be claimed as highly successful due to the fact that some clubs did not appear to take the competition seriously. We would hope for a more enthusiastic approach next year.

Grand Final Day was a memorable one, and we were pleased with a fine day which helped to swell the gate.

##### AMATEUR SPORTS AWARD: (Under 21 years)

R. Hauser

## A TRIBUTE

During the past three seasons the work of preparing the cricket pitch at Bailey has virtually passed un-noticed.

This work was first undertaken by Mr. B. Brook on a purely voluntary basis. It involved many hours of arduous work which had to be fitted in with Mr. Brook's ordinary employment.

The plain facts are that Mr. Brook's generous gesture has enabled the Union, by rent obtained for the prepared pitch, to pay the bulk of its excess water bill, which amounts to over \$1,000 yearly, a fact which seems to have a perpetual stranglehold on the finances of the Union.

This season Mr. Brook has intimated that he can no longer do the work, and the Board is now beset with the problem as to the preparation of the wicket, which has to be paid for and also made a payable proposition.

Mr. Brook's work over these three years must go down in the records of Rugby in this State as a contribution of loyalty and unstinted generosity to the game.

## REPORT FROM S.A. RUGBY UNION REFEREES' ASSOCIATION

The 1973 season saw a further increase in the size of the association's membership, and it was most gratifying to be able to appoint referees to all fixtures under the control of the S.A.R.U., the Junior Union, and the Schoolboys' Association.

During the summer months a cricket match was played against Old Collegians Club and a successful barbeque was held prior to the commencement of the season.

Professor R.W.F. Tait was elected president for 1973, Mr. K.P. Grayling was Hon. Secretary, and Mr. R.C. Essery was Asst. Secretary/Hon. Treasurer.

The Australian Society of Referees held its convention in Brisbane this year. It was well attended by delegates from all states. Mr. John Pring, New Zealand's Test Referee, was the guest speaker at the convention, and gave a most interesting talk on all aspects of refereeing.

Mr. K.P. Grayling was elected to the executive of the Australian Society.

The next convention, in 1975, will be held in Adelaide and this will involve a lot of work for all members of the Association.

A new format for meetings was arranged this season, and participation by all members of the Association in preparing papers for discussion was most successful. Several members gave lectures to clubs and more of this type of liaison between referees and clubs should be encouraged.

Officials appointed for the match against Tonga were:

Mr. K.P. Grayling, referee; Mr. K.W. Underwood, reserve referee and touch judge; Mr. R.D. Rosser, touch judge. Referees' sons acted as ball boys for the match.

Members of the Referees' Association were prominent in the organisation of the Tongan Tour through South Australia. Mr. K. P. Grayling was chairman of the tour committee, Mr. R.C. Essery was secretary of the committee, Mr. P. Gogan was chairman of publicity, Mr. H. Rosser was in charge of programmes, Mr. G. Barrett, finance, and many members of the association helped as officials on the night of the match.

The annual dinner was well attended and Dr. S. Hutton gave a most interesting speech on the playing of Rugby in the U.S.A. and Canada.

Referees appointed to Grand Finals were Messrs. K.P. Grayling, R.D. Rosser, K.W. Underwood and W. Tubbenhauer.

The Association looks forward to further progress and co-operation with the S.A. Rugby Union in 1974.

R. Essery.

Acting secretary.

PRIMARY SCHOOLS RUGBY UNION.  
ANNUAL REPORT FOR THE 1973 SEASON.

\* \* \*

Twenty-seven teams played rugby in various competitions during the 1973 season, which is less than in previous years.

Elizabeth fielded the greatest number of teams, taking part in both the Under 12 and Under 10 competitions, from the following schools - Smithfield (the winner of both competitions), Elizabeth Downs and Elizabeth West, while South Downs fielded Under 12 only.

Port Adelaide commenced a Friday afternoon competition, and is the only area to improve on the number of schools playing. Largs Bay were the district winners, in which Largs North, Le Fevre, Taperoo and Pennington also fielded.

West Torrens District had Mansfield Park as the winners with Challa Gardens, Ridley Grove and Ferryden Park competing.

In the Northern District, Hillcrest were winners against teams from Klemzig, North Adelaide and Para Hills West.

In the Eastern District, St. Morris School played a number of games against teams from non-playing schools mid-week, something of a step in the right direction which can help to bring Rugby Union to the fore in any area. There were two teams formed from boys attending the following schools - Inverbrake, Marryatville, Magill and Rose Park.

The Under Seven Zone inter district competition, played on Sunday afternoons for three weeks at West Beach, again created an interested response from parents and provided enjoyable sporting entertainment. Smithfield played our winners with a 4 - nil win over the Northern Districts. Smithfield also won the Advertiser Shield from Glenelg in the Grand Final played at Bailey Reserve. For this Shield the winners of district finals in all areas are invited to take part.

On the interstate level, South Australia played N.S.W. This S.A. team experienced a departure from the norm, in that one test was played in Sydney at North Shore, one at Goulburn, N.S.W., and one in Canberra. A.C.T. Results of the tests were as follows:-

Sydney 25: S.A. nil.  
Goulburn, 21: S.A. nil.  
Canberra, 12: S.A. nil.

the boys trained under coach T. Wooten, on 5 occasions prior to the tour and the improving results show how, with enthusiastic guidance, the lads improved under his coaching. The manager, Mr. P. White, last year's host manager, played an active part both with assistance to the coach and liaison with S.A.P.S.A.A.S.A., in addition to the normal duties of manager, and the fact that so many boys expressed their pleasure and enjoyment of the tour, is largely due to his efforts on their behalf.

S. Cora was selected by N.S.W. Officials as best and fairest for the tour with T. Paproth as runner-up.

N.S.W. retained the M.P. Reilly Shield.

Representatives were: S. Kowalick, captain (Oaklands), P. Cockburn, vice-captain (Glenelg), S. Bloom (Dover Gardens), M. Sowter, T. Paproth (Hampstead), D. Cole (Klemzig), B. Hayes (Hillcrest), D. Young (Para Hills West), D. Freer (Richmond), S. Cochrane (Mansfield Pk.), N. Titchmarsh (Elizabeth West), W. Wilton, S. Cora, B. Williams (Elizabeth Field), D. Wootton, M. Tyndall (Smithfield Downs), N. Playford (Elizabeth Downs), M. Nielson (Largs North).

S.A.P.S.R.U. presented S. Walker, N.S.W., with a rugby ball as best player and a state tie to A. Taylor as runner-up.

N.S.W. originally insisted on an Under 7 stone weight limit, and while S.A. adhered to this limitation, N.S.W., on this occasion, selected boys over this weight. It appears that future N.S.W. teams will be selected on an open weight basis.

The greatest disappointment of the season was to see Woodville, an area which has fielded sides since the mid-50's, without any teams. The Southern Districts has been without teams since 1968, but it is believed that steps are being taken to remedy this. Onkaparinga has commenced junior rugby and maybe consideration will be given to schools in the future. It was from this area that a state "first" was achieved in the early 1960's when a Port Noarlunga School team visited N.S.W.; the first Primary School team in any sport in this state to undertake such a visit.

Obtaining reliable coaches, available straight after school hours, appears to be the greatest problem to being able to expand rugby within schools. That "Other Code", being played on a Saturday morning, is directly responsible for the decline in rugby over the past two years, especially with the type of coercion being applied in some schools. Only full co-operation of players, supporters and clubs and Unions can ensure that this body returns to the strength that it once enjoyed.

The annual drive for funds resulted in a slightly greater result than last season, and it is only from the support from all clubs that results can continue to improve.

West Torrens and Port Adelaide took advantage of the loan sets of jerseys available, while St. Morris are prepared to buy the set on loan to them. The Union re-purchased from Gepps Cross the set of jumpers which they were helped to buy.

We urge all clubs to endeavour to encourage school teams in the various areas, take the lads on through junior ranks and thereby foster rugby in this state.

S.A.J.R.U. PRESIDENT'S REPORT 1973

The year 1973 has been one of extreme satisfaction albeit tempered with a little disappointment. The satisfaction of being manager of the U/16 team which won the Southern States Shield, in a closer liaison and co-operation with the S.A.R.U., and of advance in general standard of play in S.A.J.R.U.. The disappointment of an increase in violence on the field of play, and a lack of discipline in some players, also the disappointment in a lack of support for the S.A.J.R.U. by many clubs, resulting in financial loss, and a heavy work load for a few people.

Regretfully, 1973 is my last season for some time as a member of S.A.J.R.U. management, and I cast back to my first season of association with S.A.J.R.U. in 1961 to find that none of the people then involved are still in evidence, in fact very few of the people from five years ago are still active. Continuity is important to the continued growth of Junior Rugby in this State, and it is to be hoped that some of the people who worked so hard this season will continue.

The loss of Mrs. Joan Playford as secretary will be a severe blow, but perhaps some other dedicated person will come forward to cajole and encourage S.A.J.R.U. management and council to continue to promote our great game.

I want to thank management, particularly Mrs. Playford, for a very good effort, often under severe criticism and pressure. Congratulations to Rod Hauser on his selection to play for Australia, this must give hope and encouragement to our juniors to train and work hard.

Very sincere congratulations to the U/16 State team for their effort in Perth, and particularly to coach Ron Underwood for a striking effort, and to Philip Badcock, Berndt Kronin, Mark Ryan, Alex Tanlelei Stephen Rigney, Michael Bynoe and Ken Underwood on their selection to tour N.Z. I hope and trust their clubs will support them fully and make sure they can make the tour. Thank you to referees who helped with the preparation of the State team and to the Schools Rugby Union and particularly Mr. Niel Jackson for their efforts.

A moderately successful year, highlighted by the W.A. tour, showing our weakness and I hope giving the new committee the incentive to improve and progress further.

My years with S.A.J.R.U., on the whole, have been happy ones and I hope useful to the game and I thank players, officials and supporters for the pleasure and friendships I have found.

R. Badcock  
President.

#### SECRETARY'S REPORT.

It is with regret that I must relinquish my position as Honorary Secretary to the S.A.J.R.U., but I feel that to continue in my present state of health would be to the detriment of Junior Rugby.

I would like to acknowledge in this Annual Report my thanks to the many people who, during my two years in office, have helped and supported me in many ways.

It would help the secretary and administration generally if advice of names and addresses of newly elected officers were forwarded immediately following the clubs' A.G.M.

Jean Playford  
Hon. Secretary.
