Old Collegians Firsts, vs Elizabeth at Womuna, 28/8/86

The last game of the round, sitting on top of the table, the hottest day of the season and we began very sluggishly. New faces included Ben Perkins at full-back and Roger McDaniel at hooker, in our Elizabeth attacked and spent a few forward minutes in our 5 metre zone with two free kicks but our forwards were much too strong. A series of sloppy errors kept them in our half until a penalty let our backs run it out. We put no pressure on them until at 3.15 a penalty kick put them ahead 0-3! A couple of nice movements which should have ended in a try, resulted in a clearing penalty to Elizabeth. We had difficulty coping with a very technical ref ~~at~~ almost the whole of the first 35 minutes ~~was~~ was spent in our half. We diffused, we fumbled, we lack spirit & interest, in the next 20 minutes Elizabeth kicked one ~~of~~ out of three possible penalties and we were down 0-6. (It could have been 0-12!). Finally at 3.35 we managed to ~~to~~ get a free kick in front of goal & Gerry Fogarty dropped a goal: 3-6. An error by then centre let Ross run it up ~~to the~~ in front of the posts. Sean took it from the resultant scrum and scored between the posts, Fogarty converted and at last we were ahead 9-6. ~~Score 8~~

~~Stop at half time, then~~

The second half began with Elizabeth attacking, we lost the first two lineouts & two loose heads.

12-6 16-6 16-9 20-9.

A Note From The Selection

The team was as follows:

~~Boy A-Sanke~~

- Goalkeeper: Richard Woodhouse
- For: A Seel & Mil Longman
- For: ~~Bob Seel~~ Dennis Hingle
- For: ~~Norman~~ ^{Clayton} Gerrit Longman
- Def: Bob Seel
- Def: Paul Andrews
- Def: Tony Joynt
- Def: Shorn Boston (Vice Capt)
- Def: ~~Norman~~ de la Motte
- Wings: Peter Toback & Neil Wood
- Full Back: Ben Perkins

Those who had with a & played last year's first grade final so that you know - Henry Oak

We ~~should have~~ ^{had} ~~more~~ ^{more} players were Mil Longman, Peter Lacey, Paul Lacey, Peter Dwyer, Tim Farrell, Don Glenwill & Tony Hingle Dennis H., Tony Joynt & Phil Joynt. Our club their support appeared - it meant that they trained very hard after their narrow but really ended.

This year our is disappointed by injuries, ~~setback~~ ^{very difficult} and supporters may not have realized how many of the boys were carrying injuries through the last few weeks, ~~some~~ ^{severe} ~~injuries~~ ^{injuries} for Seel & Seel, knees for Toback, ~~de la Motte~~ ^{de la Motte}, shoulders for Boston & and Longman's back to name just a few. Tim Longman unfortunately only just made part of the ~~last~~ ^{first} final, that Wood, & ~~Paul~~ ^{Paul} Lacey & Hingle made it back at the end of the season but unfortunately Kevin Ross & Henry Joynt didn't.

I ~~had~~ ^{had} ~~written~~ ^{written} ~~to~~ ^{to} ~~say~~ ^{say} ~~some~~ ^{some} ~~hard~~ ^{hard} ~~things~~ ^{things} about this team in my write-ups this year but they made me eat my words. It was a great team effort and perhaps I should not single out individuals but
