31<sup>st</sup> October 1985

Dear Sir,

Due to an unfortunate misunderstanding, our club did not field a team in your recently held competition, even though we had promised one. We are most embarrassed at this oversight - and it in no way reflects the lack of friendship and comradeship between our clubs which has built up over many seasons.

Please extend our apologies to all concerned and we will ensure that this sort of mistake will not happen again.

Yours in Rugby

Barbara Gini

Dear Ken,

The President and Committee of O.C.R.F.C. have asked me to write and congratulate you on becoming Manager of the Wallabies. We feel this is an honour which you richly deserve - and also must be of pride to S.A.R.U. to have you in such a position of honour in Australian rugby.

Once again, congratulations and best wishes for a busy and happy year,

Yours in Rugby

The Chairman,  
Old Collegians Rugby Union Football Club,  
P.O. Box 164,  
GLENSIDE, S.A. 5065

Dear Sir,

I am pleased to enclose herewith my Audit Report on your Club's Accounts for year ended 30th September, 1985. The Report has been qualified on three grounds which I hope you will agree are reasonable under the circumstances.

I have also taken this opportunity to set out a number of matters which I hope will be of interest and some assistance to you and your Committee in conducting the affairs of the Club during the current year.

## Bar Trading Operations

I recommend that all cash register tapes are retained and cleared by someone not connected with bar duties. The present system is not adequate and it is my opinion that a Club of this size and calibre should take steps to conduct bar operations in a more conventional fashion.

Lack of control in this area is of some concern to an Auditor. I have, however, accepted the situation for this past year, encouraged by the fact that gross profit margins have, in fact, increased from 34.5% [1984] to 36.7% [1985].

Perhaps it might be just as well to set down some sort of predetermined standard [acceptable to the Club as a whole] and measure performance accordingly.

## Goods Received & Services Rendered

Inwards invoices should, without exception, bear the signature of some authorised person acknowledging the receipt of all goods and services. No accounts should be passed for payment without assurance that this area has been attended to.

The point is perhaps that if certain standard procedures are adopted, efficiency is generally improved.

## Receipts

It is also my opinion that receipts should be made out for all cash received [donations subscriptions, etc.]. Receipts need not necessarily be issued, of course, but the general accounting control is obviously improved.

...2/-

Subscriptions Received

I have accepted the figure produced for receipts on a cash received basis under the circumstances. In future years it would be an improvement to see working papers relating to subscription arrears and subscription advances [if any!].

Finally, it may be necessary for you to have a look at the new Associations Incorporation Act 1985 [especially Sec. 51] re returns that will be necessary in the future.

I do wish you and your Committee a most successful year and I look forward to attending your Annual General Meeting with subscription in hand.

Yours faithfully,

GRAY, TAYLOR & PARTNERS

*EW Reeves.*

E. W. REEVES

---

AUDITORS REPORT TO THE MEMBERS OF  
OLD COLLEGIANS RUGBY UNION FOOTBALL CLUB INC.

1. I report that I have audited the accompanying accounts being the Balance Sheet as at the 30th September, 1985, Statement of Income & Expenditure for the year ended 30th September, 1985, and notes 1 - 7 inclusive attached thereto.
2.
  - [1] As an audit procedure, it was not practicable to extend my examination of fund raisings and raffles and competitions beyond the accounting for amounts received as shown by the books and records of the Club.
  - [2] No Auditor was appointed for year ended 30th September, 1984. Prior year comparative figures have not been audited by me.
  - [3] Clubhouse premises constitute leasehold improvements. In accordance with Accounting Standard AAS4 issued by the Institute of Chartered Accountants in Australia "the cost of improvements to or on a leasehold property should be written off, by means of depreciation charges over the unexpired period of the lease or estimated useful lives of the improvements whichever is the shorter".  
  
Until the final agreement of the terms of the proposed lease is settled, it is, in this case, not practicable to quantify the effect of this standard on the accounts.
3. Subject to the matters discussed in Paragraph 2, in my opinion, the attached accounts referred to in Paragraph 1 have been properly drawn up to give a true and fair view of the state of affairs of the Club at 30th September, 1985, and the results of its operations for the year ended on that date.

.....  
E. W. REEVES  
[CHARTERED ACCOUNTANT]

Mr. P. Allen,  
President,  
Old Collegians Rugby Club,  
14 Swan Avenue,  
ROSTREVOR, 5073.

Dear Peter,

Thank you for the invitation extended to the South Australian Rugby Union to attend your Annual Dinner and Prize-giving night.

It was indeed a pleasure for Alison and me to represent the Union on what turned out to be a most friendly and entertaining evening.

It was unfortunate for your Club that you were so badly hit with injuries as the finals approached. This must have been a great blow to your coaches and to you personally.

Thank you for your co-operation and Collegians assistance during the season, particularly with the interest shown in the formation of junior teams.

Best wishes for 1986.

Yours sincerely,

KENNETH P. GRAYLING,  
CHAIRMAN - BOARD OF MANAGEMENT.

31<sup>st</sup> October 1985

Dear Brigadier Walker,

At the Annual General Meeting of the  
Old Collegians Rugby Football Club held on 24<sup>th</sup> October 1985  
it was proposed and seconded that you become again our  
Hon. Vice-President for the 1985-86 season.

The President and Committee and Members  
would be delighted if you would once again accept  
this position. We are looking forward to a most  
interesting season as we have a very firm financial  
basis, thanks to President Peter Allen's negotiations - and  
Juniors are off and looking good, thanks to Howard Blay's  
efforts.

We look forward to hearing from you  
in due course, and thank you for your interest during  
our last season.

## TO THE LICENSEE

The transitional provisions under the Liquor Licensing Act, 1985 exempted a licensee until 1 September 1985 from the requirements of Section 116, 117 and 120 provided that, until that date, the licensee complied with the corresponding requirements of the repealed Act.

It is now an offence, carrying a penalty of up to \$5,000, for non-compliance with these requirements.

Your attention is drawn to the relevant provisions of the Act and the Regulations of which are reproduced below.

### Section 116

- "(1) A licensee (not being a licensee who holds only a limited licence) shall display, at or near the front entrance to the licensed premises, a notice in the prescribed form setting out -
- (a) the name of the licensee;
  - (b) if the licensed premises are not managed by the licensee personally - the name of the manager;
  - (c) the class of the licence;
- and
- (d) if the licence is a restaurant licence subject to the endorsement "B.Y.O." - an indication that the licence is subject to that endorsement.
- (2) A licensee who fails to comply with this section is guilty of an offence."

### Regulation 11

"The notice to be displayed by a licensee pursuant to section 116 of the Act shall be painted or printed -

- (a) in bold-faced letters of a height of at least 50 millimetres;
- (b) in clearly legible form; and
- (c) in such a place, and subject to sufficient lighting, to make the notice conspicuous to and legible by any person passing or entering the front entrance to the licensed premises during authorized trading hours."

### Section 117

- "(1) A licensee shall cause a copy of the licence, showing all conditions of, and endorsements on, the licence to be kept on the licensed premises at all times.
- (2) The licensee, or a manager of the business conducted in pursuance of the licence shall, if so required by an inspector or a member of the police force, produce the copy of the licence for inspection.
- (3) A person who fails, without reasonable excuse, to comply with subsection (1), or a requirement under subsection (2), is guilty of an offence."

.../2..

Section 120

"(1) A licensee shall cause to be displayed in a prominent position in each part of the licensed premises to which access is permitted to minors by the licensee a notice in the prescribed form -

(a) stating -

- (i) the minimum age at which liquor may be consumed in the licensed premises;
- (ii) that persons suspected of being under the minimum age may be required to provide evidence of their age;
- (iii) that minors are prohibited from obtaining or consuming liquor on the licensed premises;
- (iv) the penalties for the unlawful obtaining or consumption of liquor on licensed premises by a minor;

and

(b) including such other information as may be prescribed.

(2) A licensee who fails to comply with this section is guilty of an offence."

Regulation 13

"The notice to be displayed pursuant to section 120 of the Act in each part of the licensed premises to which access is permitted to minors shall be in the form of the Sixth Schedule to these regulations, and shall be printed on paper of dimensions -

- (a) in the case of all parts of licensed premises the subject of a hotel licence or entertainment venue licence, or those parts of licensed premises the subject of any other licence and in respect of which parts consent has been given pursuant to section 113 of the Act - at least of those of international size A3 paper, in bold-faced letters of a height of at least 10 millimetres;
- (b) in any other case - at least of those of international A4 paper, in bold-faced letters of a height of at least 5 millimetres."

Regulation 14

"The words of notices referred to in Regulations ..... 13 shall be printed in a colour or colours contrasting with the background on which they are printed."

The Sixth Schedule is as follows:

"LIQUOR LICENSING ACT, 1985 - PART VII

NOTICE  
TO ALL PERSONS  
UNDER 18

IT IS AN OFFENCE IF, ON THESE PREMISES -

- . YOU OBTAIN LIQUOR,
- . YOU CONSUME LIQUOR,
- . SOMEONE AT YOUR REQUEST, BUYS YOU LIQUOR
- . SOMEONE SUPPLIES YOU WITH LIQUOR,
- . YOU RETURN WITHIN 24 HOURS OF BEING LAWFULLY REMOVED OR REQUIRED TO LEAVE

IT IS AN OFFENCE IF, ON REQUEST -

- . YOU DO NOT STATE YOUR TRUE AGE,
- . YOU DO NOT PRODUCE SATISFACTORY EVIDENCE OF AGE,
- . YOU GIVE FALSE EVIDENCE OR STATEMENTS.

PENALTY FOR OFFENCES: A FINE OF UP TO \$1,000"

OFFICE OF MINISTER OF HEALTH  
ADELAIDE, S.A.

20 August, 1985

C I R C U L A R

Smoking is a major cause of ill-health in the community and steps to reduce the incidence of smoking, particularly among the young, are important preventive health measures.

I am writing to you to ensure that, as a seller of cigarettes and tobacco, you are aware of your legal responsibilities in respect of their sale to children.

*Legislation recently passed by Parliament (The Tobacco Sales to Children (Prohibition) Act, 1984) continues to make it an offence to sell or supply tobacco products to persons under 16 years of age and also increases significantly the penalties. Tobacco products include cigarettes, cigars or other tobacco products intended for smoking. The penalty for breaching this prohibition is a fine of up to \$500 and the person who actually makes the sale commits the offence.*

The prohibition applies both to the selling of tobacco products and to their supply including both giving or lending. Sale also includes sale by vending machine.

*The Act requires retail vendors of tobacco products to display a warning stating that it is an offence to sell or supply tobacco products to persons under 16 years. A notice which is considered suitable for this purpose is enclosed for display in a position where it will be readily noticed by persons intending to purchase tobacco products. The penalty for not displaying a suitable warning is a fine of up to \$200.*

As the retailers of cigarettes are faced with the task of restricting their sale to children, I seek your co-operation in enforcing this legislation and displaying this notice.

Thank you for your assistance.

John Cornwall,  
MINISTER OF HEALTH

Dear Barbara,

I acknowledge receipt of your letter of the 12th July, 1985 concerning a fine imposed on your Club for not entering a team in the S.A.R.U. 7-a-side competition last season.

Enclosed please find a copy of correspondence sent to your Club on the 16th November, 1984 which is self explanatory.

My Union were not informed either verbally or in writing by your previous Committee that they would not be entering a team in the sevens.

Taking this into consideration the Board would appreciate settlement of the outstanding account immediately.

Thanking you in anticipation.

Yours sincerely,

*Julie Millar*

Dear Mrs. Finn,

I acknowledge receipt of your letter dated the 6th November, 1984 re. the fine imposed for not entering a team in the South Australian Rugby Union 7-a-side competition.

May I take this opportunity to draw to your attention that the 7-a-side competition was requested and agreed to by the Council of the Union at a Special Meeting held on the 5th December, 1983. It was on this basis that the competition was listed as an official fixture in the match programme.

Also, clubs were advised at the September Council Meeting that fines would be imposed on those who did not enter in the competition. You had one delegate present (Mr. R. Murphy) at that meeting who was aware of this fact.

*Julie*  
As there are a number of other clubs in the same position, early payment of the outstanding \$35 fine would be appreciated.

Yours sincerely,

JULIE MILLAR (MRS).  
SECRETARY.

Dear Rowan,

On behalf of the OCRFC Management Committee, I wish to thank lyou for arranging the third prize in our recent raffle.

As you know Tim Farrah won third prize and I guess he will get in contact with you in the near future.

The raffle was a great success for the Club and not only have we consolidated the Club's finances but we will be able to promote juniors in the Club far better than would otherwise be possible.

Once Again, thank you,

Yours sincerely,

Peter G. Allen  
President.

---

Mr. Richard Green,  
District Sales Manager, SA & NT,  
Malaysian Airline System,  
144 North Terrace,  
ADELAIDE SA 5000

19th June 1985

Dear Richard,

On behalf of the OCRFC Management and Committee, I wish to further thank MAS for their most generous support with our recent Club raffle and to let you know that Roger McDaniel won the MAS return flight to London for two. Roger is a previous Club President and is still a very active member in the Club - by the way, he was not personally involved in running the raffle!

The raffle grossed \$8,346.00 for the Club, which was a marvellous result. We are now in a position to consolidate the Club's finances and to promote junior rugby in the Club far better than would otherwise be possible.

Preliminary enquiries are being made by some Club members to organize a group to attend the Hong Kong Sevens next year and MAS will be contacted regarding this tour.

MAS will continue to be well promoted in our Club during 1985 and we look forward to a continuing association between MAS and OCRFC in the future.

Regards,

Yours Sincerely,

Peter G. Allen  
PRESIDENT.

Dear Sir/Madam,

It has come to Council's attention that marquees have been erected on ovals and reserves without Council approval, either for Club use or by other groups that Clubs have given permission to.

This practice is contrary to Council's policy and you are advised that,

- a) the hiring or using of any oval or portion of any reserve or any other recreational facility is subject to permit
- b) unless prior approval of Council to the contrary, no tents or marquees etc. are to be erected
- c) no activity other than that for which a permit is issued is to be held without prior approval of the Council.

Please acquaint your members of these conditions relating to Council's policy on use of Ovals, Tennis Courts and other facilities.

Yours faithfully,

B. F. CALLER  
ACTING TOWN CLERK

CIRCULAR TO ALL COMMUNITY GROUPS

The S.A. Jubilee 150 Committee for Burnside is planning Council events and co-ordinating community involvement for the 1986 celebrations of South Australia's 150th Birthday.

Major functions planned by Council include:-

1. A Community Fair
2. A 'Back to the Chelsea' night with old films
3. A combined Orchestral and Choral Concert at the Chelsea Theatre
4. Exhibition 150 - an exhibition of local Arts and Crafts
5. A Community Ball with a theme from the past
6. A reinactment of a Council Meeting in the Old Council Chambers
7. Tours of Parks, Gardens, Old Buildings and Mines

In addition Council will be part of central Jubilee projects, such as the Opening Ceremony and Garden Displays.

The Committee would like to know what you are doing for Jubilee.

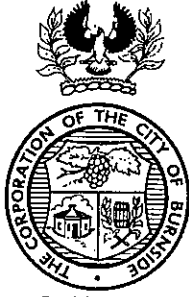

Please register your event with Paula Bruce at the Council Offices, by 31st July, 1985.

If you haven't planned anything yet, turn one of your regular events into something for Jubilee, or, if you want to discuss ideas or gather information please phone Paula Bruce on 332 6199.

*Phoned 31/7 Promised  
to notify details*

Dear Sir or Madam,

It has recently come to my notice (with the approaching rugby season) that I haven't received a copy of the "Newsletter" since the end of last season. This is not the first time this has happened and I would be most grateful if you would make sure I am replaced on the mailing list in order to receive the "Newsletter" regularly. I would also appreciate knowing why I have been without it for so long!

I look forward to an early reply.

Yours in rugby.

*Dear Miss Finn,*

Thank you for your invitation to be an Honorary Vice-President of your Club for 1985. I accept with pleasure.

My wife and I have had a genuine interest in Rugby Union for many years. Although to date we have continued our interest in the Canberra and to a lesser extent the Sydney area competitions whilst residing in South Australia, your offer will now give us a particular Club to follow with interest in Adelaide. We look forward to visiting the Club and meeting with members of your organization, and offer our best wishes for a successful season of rugby.

Dear Barbara,

Thank you for your letter of 28 February 1985 inviting me to be an Honorary Vice-President of the Old Collegians' Rugby Football Club. Under normal circumstances I would have accepted with alacrity. However, I retire from the RAN on Saturday 16 March 1985 to take up private employment and thus believe that I would be ineligible for the position.

If my supposition is correct, then perhaps you would like to approach my relief, Commander Phillip A. Hardy ADC RAN, sometime after 18 March, and offer him this prestigious appointment.

Yours sincerely,

*Robin Pennock*

-----

28th February 1985.

The Secretary,  
Elizabeth Rugby Union Football Club,  
P.O. Box 201,  
ELIZABETH 5112

Dear Sir,

At the SARU Special Council Meeting held on 11th February 1985, a decision was made for your Club to hold a Seven-a-Side Competition on 23rd March 1985. Unfortunately, this was the first time that OCRFC had heard of such a proposal and the proposed date clashes with our pre-season Club Training Camp. We tried to hold our Camp earlier but all of the venues suitable to us were unavailable.

For this reason, OCRFC wishes to inform you that they will not be able to field a team this year and wishes you every success for the day, if you decide to run the competition.

Yours sincerely,

Barbara Finn (Secretary)

28th February 1985

Dear Air Commodore Paule,

The Committee and Members of the OCRFC invite you to be  
an Honorary Vice-President of their Club for 1985.

During the early years of the Club in the late 1940's,  
the membership was based partly on staff of the defence forces  
and since then the Club has had a continuing association with  
staff from various sections of the defence forces. Your accept-  
ance as a Vice-President for 1985 will help to strengthen this  
association between OCRFC and the Air Force in South Australia.

The Club is a major Club in the South Australian Rugby  
Union and plans to run four Senior Teams this year. We are also  
developing the formation of junior rugby in the Club this year.

The home ground for the Club is Tregenza Oval, Booth Ave.,  
Linden Park, where we have our licensed Clubhouse.

We look forward to a positive reply to this invitation  
and welcome you to OCRFC at any time.

Yours sincerely,

*B. Finn*

26th February 1985

Dear Hamish,

O.C.R.F.C. Sponsorship 1985

Further to our discussions on 21st February 1985, I wish to confirm that OCRFC is delighted to have Linux Computer Systems (SA) Pty. Ltd. as a Club sponsor for 1985 (12 months sponsorship to 1st March 1986).

The following comments summarize the responsibilities of Linux Computer Systems and of OCRFC regarding the sponsorship.

Linux Computer Systems.

1. Provision of finance for the purchase of 20 warm-up jackets in Club colours and with Linux Computer Systems written across the back (dark blue jackets with red writing). Expected total cost of jackets is \$500-\$600.
2. Arrange to have Linux Computer Systems printed on the back of the jackets.
3. Provision of a banner displaying Linux Computer Systems.
4. Provision of the layout for a sign (600mm x 200mm) displaying Linux Computer Systems to be fixed in the Club house on the eastern wall.
5. Donation of \$1,500 cash to OCRFC.

OCRFC

1. Arrange for the purchase of the jackets.
2. Have the sign displaying Linux Computer Systems painted and fixed in the Clubhouse at OCRFC's cost. The sign to be blue lettering on a neutral coloured background.
3. Display the banner on the eastern side of Tregenza Oval during home matches.
4. The warm up jackets to be worn by OCRFC's First Div. Rugby Team.
5. The Club to be polite to Hamish and John!

I trust that these responsibilities are acceptable to you and John. If they are acceptable, could you please forward the \$1,500 donation to OCRFC at your earliest convenience.

The Town Clerk,  
Burnside Council,  
401 Greenhill Road,  
TUSMORE, S.A., 5065.

Dear Sir,

Subject: Repositioning of a training light at Tregenza Oval.

To enable night-time training at Old Collegians there exist several lighting fixtures around the ground including a pair of lights at a height of approximately 12 metres situated on the north and south corners of the club house.

The northern-most light was stolen and subsequently recovered but has not been refitted.

We request permission to move the siting of the light some 25 metres north of its former position (see diagram) and it to be positioned at the same height as previously.

This would give a better spread of light over the oval as the north-~~west~~ corner is currently poorly lit.

This area is also naturally the driest part of the ground during wet weather and so its increased use would lessen the use and hence damage to the rest of the ground during poor conditions.

We propose a trench approximately 20 metres long and half a metre deep to take the cabling and the lighting support would be a 3" diameter post concreted in to a depth of approximately 1.6 metres.

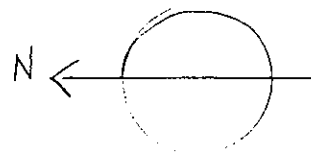

We would be more than happy to consult with your building and parks and garden personnel to ensure that the lighting meets the required environmental and safety standards and to ensure there is no disruption to the underground services.

If there are any queries I can be contacted by phone either at work 223 4205 or home 332 2609.

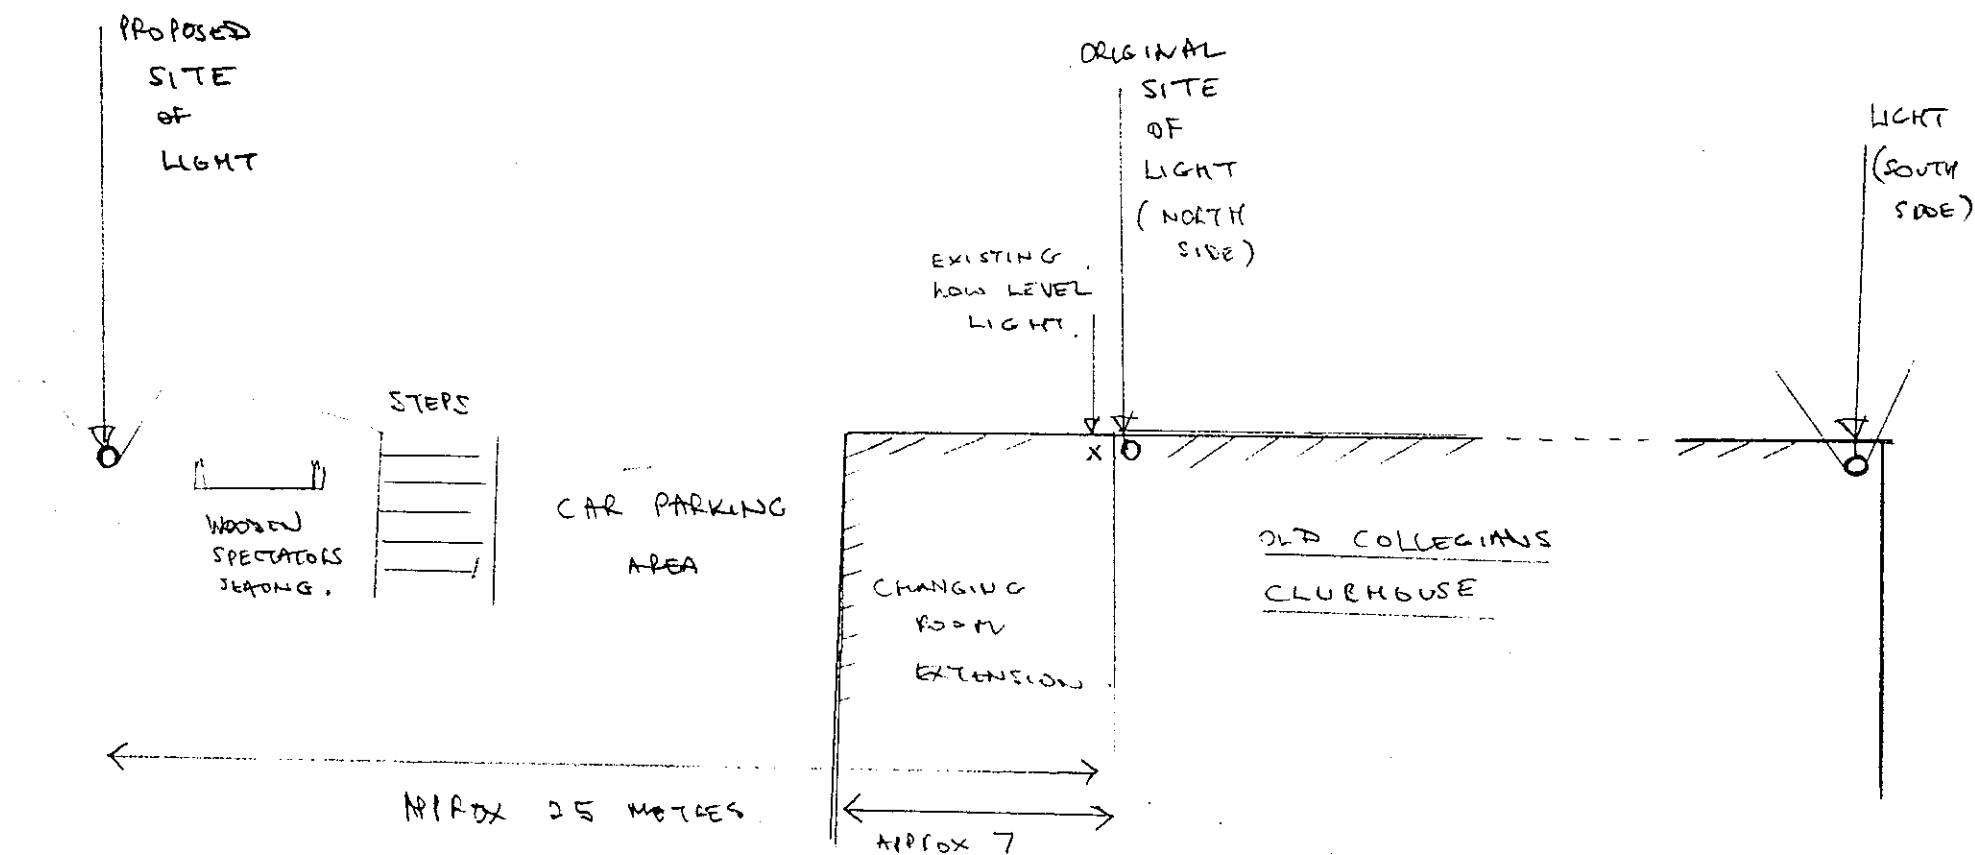

Many thanks for your consideration of this application.

*provisionally approved on 5<sup>th</sup> March.* Yours faithfully,

\*RUGBY IS ALIVE IN 1985\*

ON COLLEGIANS

24 Feb 1985

Dear Sir,

We extend to you an invitation to enter one, or a maximum of two, teams in a seven-a-side competition to be held on Saturday 30th March 1985, KO 11.30am, approx.

The competition will be run on a round-robin basis, as was done last year.

The participating teams will be limited to sixteen and seeded according to finishing position in the 1984 season.

The teams will be divided into four groups of four and each team will play the others in its group. A points system will operate and the top two teams in each group will go on to the quarter final round.

This system will ensure that all teams will play at least three games; in fact half of all teams entered will play at least four games, thus making the trip to Elizabeth well worth while.

All participating Clubs will be notified of the draw in advance. This will permit teams to arrive just prior to their first game, and not having to all arrive at 11.30am.

There will be no entrance fee and trophies will be awarded to the finalists.

R.S.V.P. by 6th March 1985, nominating ten players per team in order that the draw can be organised. Please remember - the first fourteen teams to respond will constitute, with the two teams from Elizabeth, the competition.

Yours in Rugby,

*Reg Hadley*

Mrs. Julie Millar,  
Secretary,  
S.A.R.U. Inc.,  
PO Box 67  
CLARENCE GARDENS 5039

17th January 1985

Dear Secretary,

## Match Program 1985 and SARU Development Fund

The following comments on the 1985 Match Program and our raising monies for the SARU Development Fund are in response to your circular dated 17th November 1984 and addressed to All Club Secretaries and Affiliated Bodies.

### 1. 1985 Match Program

OCRFC agrees with the general message in the submissions to the SARU by Messrs. Herde, Millar, Reilly and Wilson, viz. that the standard of rugby in S.A. could and should be improved, and that this improvement may be achieved by more competitive local competitions and through the promotion of juniors. OCRFC favours improving the overall standard of rugby, including the quality of rugby for players, with the consequence of an improved state side, rather than concentrating on improving the State side per se, at this stage. OCRFC also considers that the SARU Match Committee should look to the long-term interest of rugby when planning the 1985 season rather than to the short-term interest of Clubs. Consequently the number of teams in First Division should be reduced - each of the above submissions also referred to the need to improve the standard of rugby by developing a stronger First Division Competition than in the previous few years. To this end, OCRFC suggests the following type of competition program and requirements of Clubs.

#### 1.1 Competition Program

Division I - six Clubs with a team in each of three Grades, say, Div. I - Grade 1, Div. I - Grade 2 and Div. I - Grade 3. Based on last year's results this Division for 1985 may include Brighton, Burnside, Old Collegians, Onkaparinga, Pt. Adelaide and University.

Division II - six Clubs with a team in each of two grades, say, Div. II - Grade 1 and Div. II - Grade 2. Based on last year's results this Division for 1985 may include Elizabeth, North Adelaide, Salisbury, Southern Suburbs, West Torrens and Woodville.

.../2

A. Kerr-Grant

# Old Collegians' Rugby Football Club Inc.

ALL CORRESPONDENCE TO:  
P.O. BOX 164  
GLENSIDE 5065  
TELEPHONE 79 4770

-2-

Division III - this Division comprises (a) fourth teams of Division I Clubs, (b) third teams of Division II Clubs and (c) teams of special interest Clubs, e.g. Roseworthy. Based on last year's results this Division for 1985 could include teams from Brighton, Burnside, Old Collegians and, perhaps, veteran teams.

In the short-term, there may be some problems fielding sufficient teams in Division III, however, this problem is not considered to differ markedly from similar problems, resulting in forfeits, in the comparable Division IV of previous years - though, the playing of Division III games on different grounds than Div. I or II games (see 1.5) may create problems in some Clubs where players have to play more than one game on a Saturday to make up the required number of players for the Clubs teams.

## 1.2 Pre-requisites of Division I & II Clubs.

In addition to fielding a team in each Grade of Division I, Division I Clubs must also have a direct input into the promotion of junior rugby in SA. The required input may differ for district Clubs compared to non-district Clubs e.g. Old Collegians and University. District Clubs could be required to field junior teams, as proposed in Wilson's submission, and non-district Clubs could be required to assist with juniors, either through fielding junior teams, especially U/18 and/or U/16, or through assisting with rugby in primary and/or secondary schools. Division I Clubs may also field a team in Division III.

Division II Clubs must field a team in each Grade in Division II and may also field a team in Division III. Clubs in this Division should be encouraged by the SARU (e.g. through the proposed SARU Development Fund) to promote juniors and to field a team in Division III - the promotion of juniors and fielding a third team will provide Division II Clubs with an opportunity to be promoted to Division I (see 1.3).

## 1.3 Promotion/Relegation of Clubs

Division II Clubs, which gain the qualities required of a Division I Club, i.e. at least three teams of sufficient reliability and standard and the necessary involvement in junior rugby, may be invited by or make application to the SARU Match Committee to join Division I. At the discretion of the Match Committee, the Club may be (a) "swapped" with a team in Division I which is not fulfilling the required standard or, perhaps, (b) added to Division I with another suitable Division II Club, thus increasing the number of Clubs in Division I. An increase in the number of Clubs in Division I may be justifiable in the future if the standard of rugby in SA does improve.

.... /3

PATRON:  
~~H. J. ROGERS~~  
A. Kerr-Grant

# Old Collegians' Rugby Football Club Inc.

ALL CORRESPONDENCE TO:  
P.O. BOX 164  
GLENSIDE 5065  
TELEPHONE 79 4770

-3-

The SARU Match Committee may also consider the need for each Club in SA to nominate, prior to each season, the Division(s) and Grades in which the Club wishes to compete for the season - annual nomination of teams by Clubs could be a useful tool for the SARU Match Committee to maintain acceptable levels of standard and competitiveness in the respective Divisions. The above requirements for Division I and Division II Clubs preclude automatic promotion/relegation of Clubs at the end of each season.

## 1.4 Number of Games Per Season.

The suggested Competitions for Divisions I and II allow for either 3 rounds plus finals (18 matches) or for 4 rounds plus finals (23 matches) per season. OCRFC favours 18 matches per season, recognising that this is 3 matches/season less than in 1984. The difference in the number of matches could be made up by (a) holding a mid-season 7-a-side competition (running over one or two weeks) - thus solving the recent problems associated with holding such competitions before or after the main rugby season - and by (b) arranging an extra representative match as in line with proposals in Millar's submission. Playing 3 rounds per season also allows 1 game to be played at home, 1 game away, and 1 to be played at Bailey Rugby Ground for each Club.

## 1.5 Venue and Times for Matches.

Similar to Millar's and Wilson's suggestions, OCRFC suggests that all Grades for each Club in each Division are played on the same ground on the same day, e.g. this means that:

- Division I Clubs have teams kicking off at, say, 12.15pm (Div. I - Grade 3), 1.30pm (Div. I - Grade 2) and 3.00pm (Div. I - Grade 1)
- Division II Clubs have teams kicking off at, say, 1.30pm (Div. II - Grade 2) and 3.00pm (Div. II - Grade 1).
- Division III teams kick-off at, say, 1.30pm or 3.00pm (preferably 1.30pm to encourage support of Grade 1 teams in Divisions I and II). Playing Division III matches on different grounds from Division I and II matches may create problems with those Clubs which rely on Div. III players to be reserves or players for Div. I - Grade 3 or Div. II - Grade 2 teams.

Another criticism of playing all the Div. I matches for each Club on one ground may be a loss in bar trade to licensed Clubs because of a reduced number of home games. However, this purported

.../4

A. Kerr-Grant

# Old Collegians' Rugby Football Club Inc.

ALL CORRESPONDENCE TO:

P.O. BOX 164  
GLENSIDE 5065  
TELEPHONE 79 4770

-4-

loss may be off-set by an expected increase in spectators at Div. I matches because of improved standard and competitiveness in the competition - the number of spectators at matches between any two of the top three or four teams in Division I last year were usually markedly higher than the numbers at other matches.

## 1.6 Other Comments

- 1.6.1 OCRFC does not support the suggested abolition of program booklets and players' passes (Wilson's submission.).
- 1.6.2 OCRFC does not support the proposals to play preliminary "play-off/knock out Cup Rounds" each season (Millar's & Wilson's submissions), for grading purposes.
- 1.6.3 OCRFC does not support Competition matches of any Division being played on Sundays (Millar's submission).
- 1.6.4 OCRFC does not support the suggestion that players selected for (State) training but not making themselves available unless approved by the Board do not play for a Club team when the State team is away (Herde's submission) - the incentives to play for the State team should be so high as to preclude the need for such a measure.

## 1.7 Summary

The above suggestions are offered to the SARU Match Committee to assist them with improving the standard of rugby in SA through the weekly competitions and through promotion of juniors. In addition continuing efforts to improve the standard are still required by improving the incentive and status for players to compete for selection in senior State teams, by improving the standard of coaching of the basic skills and spirit of the game and by striving for maximum publicity and promotion of the code.

## 2. SARU Development Fund.

OCRFC agrees in principle with the formation of a SARU Development Fund, especially for the purpose of improving the strength of rugby in SA. OCRFC considers that the fund must be used primarily to promote younger players during their formative years of rugby rather than older players - in particular, such promotion should be directed towards teaching both the basic skills and the spirit of the game.

## 2.1 Raising Monies for the SARU Development Fund

Two broad options for raising monies for the Fund are  
(a) for the SARU to be responsible for raising the money, either alone or in concert with the Clubs or (b) for the Clubs to raise money independently of the SARU.

OCRFC would be supportive of any reasonable methods that the SARU may wish to adopt for raising funds, but favours the second option where Clubs could be responsible for a certain contribution each year, the amount based on the number of registered senior players. Initially, each Club's contribution should probably not exceed \$5 per registered senior player per season. Each Club should be responsible for their own methods to raise the money within their Club - the most suitable methods will obviously vary between Clubs. The first contribution from each Club should not be payable until the end of the 1985 rugby season, but each Club should be informed of the contribution per player prior to the first game of the season, so that each Club can budget, accordingly. Any additional finance requested by the SARU prior to this time could financially embarrass many Clubs. OCRFC also believes that 1985 should be used by the SARU to thoroughly plan the optimum strategies for the development of rugby so that the benefits from the investment are fully realized.

Yours faithfully,

*B. Finn*

20 December 1984

Dear Sir

I am pleased to invite your Club to nominate for the Royals Knockout competition, to be held at the National Exhibition Centre, Canberra, on Saturday 23 March 1985.

The Royals Knockout is the traditional season-opener in Canberra. It is an elimination competition, each game consisting of two 15 minute halves, except for the final which will be 20 minutes each way. There is a repechage competition for 1st round losers, ensuring all entries play at least two games. As usual, substantial prizes (over \$1000) and awards will be at stake.

A nomination fee of \$30 will be charged for each team participating in the Knockout. Refreshments will be available at the ground, and visiting teams will be entertained afterwards at our licenced club in Weston, ACT, where a warm welcome is assured.

Nominations for the Knockout close on 1 February 1985. Any enquiries or assistance with accommodation can be directed to me on (062) 432155 (w) or 863518 (h). I look forward to hearing from you.

Yours sincerely

A handwritten signature in dark ink, appearing to read 'Joe Jurisevic', written in a cursive style.

Mrs B. J. Funn  
Secretary,  
Old Collegians Rugby Club.

16 December, 1984

Dear Barbara,

Thank you very much for your letter of 12 December which invites me to become your Club's Patron Jan 1985. I must confess that I am a little surprised at being invited again, since I did not think that I supported the Club at all well in 1984. I tried to do my best, but a number of other responsibilities made it difficult to be present as much as I would have wished, and to be as supportive as I would have liked. I am afraid that the same problem may exist again this next year, and I hope that this will be understood & forgiven by your

members. With these recommendations, I have much pleasure in accepting the honour offered to me and I wish the Club every success in 1985

Barbara; there are some things that I would ask you to do for me, if it is not too much trouble. This last year I did not receive any Club Newsletters despite sending a donation of \$50 + asking if this could be done. This did not allow me to keep up with Club news or activities, and embarrassed me considerably. I would ask if you could ensure that I am on the Club's mailing list for the Newsletter and all other notices and, also, if you would mind sending me a Membership Card. The latter will make me feel much less guilty when Mary & I enter the Clubhouse after games. I enclose a cheque for \$50, and I hope this will offset any expenses incurred. Please note my address -

DR ALLAN KERR GRANT  
296, SOUTH TERRACE  
ADELIDE, S.A. 5000. Sincerely  
Allan

Mr. G.J. Davies,  
283 Lyons Road,  
BERNANCOURT 5075

10th December 1984

Dear John,

The Committee of O.C.R.F.C. invites you to be the Senior Rugby Coach of the Club for the 1985 season. The Senior Coach is responsible for coaching the First Division team and for liaising with other Coaches in the Club, in terms of coaching and selecting teams.

The Committee looks forward to an early and positive response to this invitation so that planning and strategies can be developed as soon as possible to ensure a most successful 1985 season for O.C.R.U.F.C.

An important part of this planning is the early appointment of a Club Selector and of other coaches and managers for each team. The Rugby sub-committee, chaired by Henry Rymill, looks forward to consulting with you in the near future on the appointment of an assistant Coach for First Division and coaches for the other Divisions, if you agree to be the Senior Coach.

The Committee of O.C.R.U.F.C. will be strongly supporting the rugby sub-committee in 1985 in an effort to maintain the high standard of rugby in the Club.

Yours in Rugby,

Barbara Finn (SEC)

## TO ALL CLUB SECRETARIES & AFFILIATED BODIES.

I refer to the Special Meeting held on the 26th November, 1984. Enclosed please find copies of submissions received from various parties.

As discussed at the Meeting you are requested to forward your comments in writing on the enclosed or any other submissions re. the 1985 match programme to the Union Secretary no later than the 1st February, 1985.

To assist the Chairman of the Match Committee it would be appreciated if your comments could be received as soon as possible and not all come in together around the deadline date (1/2/85).

Another matter raised at the Meeting was the forming of a S.A.R.U. Development Fund which is designed specifically to raise monies for the development of rugby in this state.

Clubs were requested to outline plans of raising money for this fund. Any suggestions would be most welcome and are also to be received no later than the 1st February, 1985.

JULIE MILLAR (MRS).  
SECRETARY.

27TH NOVEMBER, 1984.

\* AS DISCUSSED AT THE MEETING IT WOULD BE APPRECIATED IF ALL INFORMATION COULD BE RECEIVED BY THE 15TH JANUARY, 1985. \*

PO Box 462

SALISBURY SA 5108

SATURDAY 17 NOVEMBER 1984

Dear Julie,

On behalf of the Salisbury Rugby Club I would like to apologise for the absence of our President and Secretary from the meeting arranged for 26 November 1984.

Unfortunately our Secretary is currently interstate and our President is not enjoying the best of health. As the other "Office bearer" of the Salisbury Club I would normally attend but unfortunately I too will be interstate at the time of the meeting.

I would however like to put forward a proposition for next years competition, namely this;

Division A1 + A1 Reserve.

Brighton, Old Collegians, Burnside, Onkaparinga, Port Adelaide and Adelaide University

Division A2 + A2 Reserve.

West Torrens, Woodville, Elizabeth, North Adelaide, Southern Suburbs and Salisbury.

Division 3.

Brighton, Old Collegians, Burnside, Adelaide University, Onkaparinga, Port Adelaide, and North Adelaide

9.11.84  
H.

These divisions have been drawn up purely on the teams respective positions in Division 1 at the end of the 1964 plus I have added Southern Suburbs and Salisbury.

In Divisions A1 & A2 plus their respective reserve grade each team would play the others in the division 3 times plus 1 complete round for cup matches making 20 games in all. There would be the divisions that premierships trophies are awarded for. Division 3 which could contain 2 teams each from Brighton, Old Collegians and Burnside would then only play 2 complete rounds making 18 matches. This would be a novel premiership division, i.e. no finals would be played and the team that finishes top at the end of the minor round would receive any award the S.A. Rugby Union may think appropriate.

The other aspect of this scheme would be that the bottom of team of A1 would automatically be relegated to A2 and the premiers in A2 would be promoted automatically to A1.

I know that this scheme will be objected to by some clubs for various reasons but I believe that if Rugby Union is to progress in S.A. we must realise that the 12 clubs are not of equal standard, and by continually playing stronger clubs against weaker clubs our standard will not improve.

Finally I would like to answer some of the criticisms that I feel may be raised by this

proposal.

(1) Any club who feel that they have been hard done by by placing them in A2 instead of A1 can solve that easily by winning the A2 premiership and gain promotion to A1. The reverse of course is true for any team in A1 who think they should be in A2.

(2) The bigger clubs who may feel that they are being discriminated against by excluding them from A2.

The answer is which premiership would they prefer A1 or A2? This also goes back to my original idea behind it that teams in each division get a competitive game every week rather than 1 week in 3.

(3) Where do we find the extra players? The obvious answer to this is from developing very strong junior competitions, not only in the framework of the S.A.T.R.U., but also through the high schools and the primary schools.

Once again I must apologise for not be present at the meeting but should anybody like any further information on my proposed scheme I would be only too happy to discuss it when I return to S.A.  
Yours in Rugby

Ken Kelly  
Treasurer Salisbury RFC.

In reflection :- How much have we improved?

Looking back on twenty years of Rugby I believe, except in a few isolated cases, we have not improved.

Twenty years ago Brighton (then Glenelg) were playing second grade and regularly being thrashed. A decision was made by the Club to alter that situation and direct its resources, limited as they were at the time, to the promotion of the game at junior level. The belief being that a strong junior club would one day lead to a strong senior club.

A Primary School Competition was established and Under 14, Under 16 and Under 18 teams entered in competition.

During the early sixties the Primary Schools gave rise to an Under 14 team which won the Premiership. Numerous Junior Premierships then followed :-

1961	U14	1973	Div. I & II
1962	U14	1974	Div. I & II and U16
1963	U14, U16	1975	Div. I and U16
1964	U14, U16	1976	Div. I and U16
1965	Reserves, U16 & U18	1977	Div. I & I Reserve and U18
1966	U14, U16 and U18	1978	Div. I & II
1967	Reserves, U14, U16, U18	1979	Div. I, II, III, IV, U16, U18
1968	Div. I, U14, U16 and U18	1980	Div. I, II and III
1969	U14 and U16	1981	Div. I, U10 and U18
1970	U14 and U18	1982	Div. II, U12, U14 and U18
1971	Div. III, U16 and U18	1983	Div. I, II, III and U12
1972	Div. I, U14, U16 and U18	1984	Div. I, U14 and U16

These same Juniors began entering senior ranks in the early seventies. The Club won promotion to First Grade and subsequently the First Grade Premiership in 1972. Since that point Premierships have flowed in all grades, senior and junior with monotonous regularity.

Of the players to represent Brighton in First Grade Grand Finals, approximately 75% have come through the Primary School and/or Under 14 ranks.

This year's Under 14 State side contained 13 Brighton players. An appalling condemnation of the position of the game in this State.

Winning premierships is good fun, but hardly the number one priority of players. The number one priority being obviously to wear the green and gold of Australia. How many of those 13 Under 14's can realistically look forward to that possibility so long as the playing standard in this State does not improve? Good competition breeds good players.

From time to time other clubs have embraced a junior development policy with some spectacular results. e.g.

West Torrens Grand Final Team of 1981

Burnside Grand Final Team of 1980

Port Adelaide's strong showing during the mid 70's.

Elizabeths strong showing during the early 70's.

Onkaparinga's current trend toward the top.

all of these were built around a nucleus of players who had

come through their U14, U16 and U18 teams.

Unfortunately however, in so many cases these efforts are not sustained and the initial good work is left to wither and die.

South Australian's given the opportunity are as good as players in the Eastern State, all we need is regular, high standard competition to prove this.

The efforts of Steve Kowalick, Mike Hansel, Simon Doherty, Phil Bruce and myself in Sydney and Brisbane, must bear testimony to this point.

A high standard senior competition in this state will never ever, ever, ever be possible, until the promotion of the game at Junior level is given a high priority.

This involves a long term plan, not bandaid measures. Paying First Grade Coaches will not result in a genuine, sustained improvement in playing standard.

To this end I humbly submit the following proposals to the Administrators of Rugby in this State.

1. The Senior Competition be divided into two divisions. The first division containing eight teams and having four grades. The second division having the remaining teams and as many grades as is appropriate - possibly three.

This would allow a 21 week season with each team playing each other once at home, once away and once at Bailey.

- (a) The lowest grade in any division being played for all the reasons people all over the world play rugby, and thereby being a little less competitive, cutthroat etc., could if for example two clubs were unable to field teams then allow their opponents to get together and play a "friendly". I mean isn't that what the game is all about? Who knows some of the "old" players may even come out of retirement just to play in this grade.

2. All grades to be played on the same ground on the same day as is the case in both Brisbane and Sydney.

First Grade	3.00 p.m.
Second Grade	1.30 p.m.
Third Grade	12.15 p.m.
Fourth Grade	11.00 a.m.

- (a) This would allow players to more easily "double up", in the case where a team is short and therefore reduce the number of forfeits.
- (b) Allow a much smoother transition of players between grades with selectors not having to rush from one ground to another to see various grades.
- (c) Prevent the present situation where third and fourth grade become almost a separate club from first and second grade, with firsts and seconds never seeing thirds and fourths play and visa versa.

- (d) Allow all of a Clubs junior teams to play at its home ground at what ever times the Junior Union decide to play.
  - (e) Allow a greater efficiency of use of time, effort and finance as far as a variety of operations go. e.g. gate, canteen, bar, referees, ground marking etc.
- 3 The top Second Division team (at the end of the minor round) play the bottom First Division team, possibly on the weekend of the elimination final with the winner playing in First Division and the loser Second Division during the following season.
- 4 To remain in First Division a Club must field (at least) the following teams by the years indicated :-
- |      |                                 |
|------|---------------------------------|
| 1986 | Under 14                        |
| 1988 | Under 14 and Under 16           |
| 1990 | Under 14, Under 16 and Under 18 |

and by 1985 have a person write an article for inclusion in the various Messenger Press Publications every week. (even if it is only the team scores). They'll print it if we submit it.

- (a) This is not to be seen as a penalty or imposition on a Club, but rather an investment in its future, and the future of rugby in this State (OUR FUTURE).
  - (b) Clubs like University and Old Collegians would not be penalized by the requirement, and one needs only to look at Queensland University and Sydney University both of which field junior teams. Also Brothers and G.P.S. (Brisbane) both of which run large numbers of junior teams.
  - (c) "Special" Clubs such as Roseworthy, Army, Salisbury C.A.E., Flinders University etc., who would no doubt prefer to play Second Division anyway, could still be catered for. Some of these teams may choose to fill in for lower grade, First Division teams e.g. Roseworthy might choose to play in place of Elizabeth Third Grade. A simple enough procedure.
- 5 Do away with programme booklets and players passes.
- (a) It's a simple enough matter to circularize a fixture list to Clubs, and the time, effort and money directed toward producing the booklet could, I'm sure, be used more profitably.
  - (b) Clubs could be issued with admission tickets to the few enclosed grounds, with the players collecting their ticket at training during the preceeding week. If a player fails to collect his ticket, no problem, he would pay to get in, collect his ticket from his Team Manager, take it to the gate and get a refund.

This would have the added advantage of eliminating the (occasional ?) practice of people registering as players, but with no intention of playing, simply to gain free ground admission.

In conclusion -

I remember when South Australia regularly defeated Victoria, and Western Australia, thrashed Tasmania, went close to the A.C.T., defeated New South Wales Country, defeated Fiji, and should have defeated Japan.

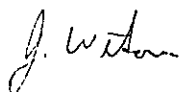

Sure the All Blacks defeated us by over 100 points, but it was against their Test side, and the ground was dry, and the game went for the full time, and the dead ball areas were full length.

Who do we beat now ??

A few years ago we were even beaten by Tasmania. TASMANIA!!

Administrators our future is in your hands, please give the above suggestions serious consideration.

Yours in Rugby,

JIM WILSON

Dear Mrs. Finn,

I acknowledge receipt of your letter dated the 6th November, 1984 re. the fine imposed for not entering a team in the South Australian Rugby Union 7-a-side competition.

May I take this opportunity to draw to your attention that the 7-a-side competition was requested and agreed to by the Council of the Union at a Special Meeting held on the 5th December, 1983. It was on this basis that the competition was listed as an official fixture in the match programme.

Also, clubs were advised at the September Council Meeting that fines would be imposed on those who did not enter in the competition. You had one delegate present (Mr. R. Murphy) at that meeting who was aware of this fact.

As there are a number of other clubs in the same position, early payment of the outstanding \$35 fine would be appreciated.

Yours sincerely,

*Julie Millar*

JULIE MILLAR (MRS).

To All Club Secretaries:

Special notice re. S.A.R.U. 7's, 23/9/84.

Due to the fact that there has been a very poor response from most clubs in relation to the sevens, it has been decided to cancel them.

As advised at the September Council Meeting those clubs who did not nominate a team are to be fined \$35 which is the fine for a forfeit.

This penalty has been imposed as clubs voted in favour of the sevens at a Council Meeting prior to the season and then did not support it.

JULIE MILLAR (MRS).  
SECRETARY.

11/9/84.

THURS  
I would recommend  
that club refuses to  
pay this fine unless  
SARU can show us  
in competition rules  
where we are obliged  
to enter a team

The City of Burnside,  
P.O. Box 9,  
GLENSIDE. S.A. 5065

2, Ringarooma Avenue,  
MYRTLE BANK. S.A. 5064

15th November, 1984

Dear Mr. Peacock,

I refer to your letter of the 19th. October 1984, addressed to Mr. John Turner, Hon. Secretary of Old Collegians Cricket Club, regarding practice pitches at Tregenza Oval.

As requested in your letter, I contacted Mr. Hanning to discuss the matter, and was directed to Mr. Richard Crabb of your offices. Due to the particular requirements of our club, Mr. Crabb requested I write to the Council outlining our proposal for works to be carried out, under the headings as set out below.

#### BACKGROUND

Mr. John Turner (previous Club Secretary) has previously put in writing to the Council, the club's thoughts and the danger associated with the current practice nets. Those comments remain unaltered. The only addition to note, is that the Cricket Club purchased and installed wire netting over the top of the existing nets to prevent balls flying into adjacent properties. This was needed due to extensive damage to the old netting during the winter season.

The reason for not taking up your kind offer of 1983/4 year of a grant for this work, was due to Mr. Turner's previous communication to you indicating a strong need to re-position the pitches.

I understand we may re-apply for this grant if circumstances arise. The following headings were provided by Mr. Crabb.

#### 1. LOCATION OF PRACTICE NETS

It is suggested that the practice pitches be positioned mid-way along the southern bank of the oval, with the bank as the border. The pitches to face north at right angle to the bank.

The Rugby Club Committee are aware of our proposal and are satisfied the pitches will not encroach upon the playing area of the rugby ground.

#### 2. NUMBER OF WICKETS

Two by concrete practice pitches, as currently exists in the North-Eastern corner.

---

3. TYPE OF WICKET

Concrete - three-quarter length (similar to existing pitches). To be covered by an all-weather artificial turf stuck to the concrete, but only up to the batting crease (due to wear and tear). Provision for stumps at both ends of total pitch area. It was suggested a soil test be done, due to extensive dampness to the east of the proposed area.

4. FENCING

It is recommended that portable, fish net type be used. This is suggested in order to minimise damage as they would be stored at the conclusion of each practice.

Extent of netting

- 1) to cover the back (southern) end of 2 wickets.
- 2) 3 sides i.e. 2 outer sides and middle - approx. 8' high; the full length of the total pitch area (i.e. further than the concrete - 22yds; and the two outer sides to be at an angle of approx. 30 degrees away from the pitch.

5. CLUB CONTRIBUTION

By extending our resources, and realizing that we should contribute to this project, it is proposed that the Cricket Club contribute \$1,000 towards the cost - \$500 cash and \$500 interest free loan from Burnside City Council repayable over two years.

The Club is also willing to provide labour for the erection of the netting, on the understanding materials will be provided by the Council.

6. WHEN REQUIRED

Due to the danger that currently exists, we request the project be undertaken as soon as possible - if possible by early February 1985. I cannot stress too strongly, the dangers imposed by the setting sun whilst batting in the existing nets.

7. MAINTENANCE

Once installed, concrete pitches are maintenance free apart from grass mowing and the marking of the bowlers stumps line. It is proposed that the ground Curator undertake these tasks as he currently and competently does.

---

.../3

Whilst it is appreciated that there is a considerable cost in this proposal to the Burnside City Council, the Cricket Club has mellowed it's thoughts for turf pitches, which although highly desirable, are beyond our financial resources. We could not afford an arrangement similar to that of the Kensington District Cricket Club with your offices. However, by increasing our attempts to raise funds, we feel we can contribute the amount and effort indicated above. We see the practice pitch relocation as a top priority for the Club, as player safety and harmonious relationships with adjoining private properties far outweighs the monetary considerations.

Trusting the above meets with your requirements and I await your early and favourably response.

Yours sincerely,

A handwritten signature in dark ink, appearing to read 'D. Sladden', with a stylized flourish at the end.

Dear Sir/Madam,

The records of this office show that your Declaration of Liquor Purchases/Sales for the year ended 30 June, 1984 has not been received. The statutory time allowed for lodgement of this Declaration expired on 1 October, 1984.

The Licensing Act, 1967-1980 provides that you shall be guilty of an offence and liable to a penalty of not less than twenty dollars and not more than two hundred dollars for failure to complete and lodge the Declaration by the due date.

The Licensing Act does not provide for any extension of time, and therefore as your Declaration was not lodged as required, you are liable for prosecution.

I intend to take action against all defaulters. However, if the completed Declaration is forwarded to this office immediately, I may reconsider your particular case.

Please treat this matter as URGENT.

Yours faithfully,

*Michael A. Jeffries*

Clerk of the Licensing Court
