GRAND FINAL RESULTS

Congratulations to our 2013 BACK-TO-BACK PREMIERS! ~ Second XV & Third XV

A fantastic end to what has been a wonderful season at Old Collegians!

JV CASE CUP - DIVISION 2, 3rd XV GRAND FINAL Old Collegians 24 v Brighton 3

Tries: Ryan Nielsen, Ben Suttell, Austin Wakeham Convs: James Hopkinson (3) Pen: James Hopkinson

We should start by thanking Brighton for their good work last week in knocking Uni out of the Grand Final! However, while Uni can give us a run for our money, Brighton are an older and heavier squad who struggled against our youth and fitness, particularly in the warmth of Saturday's midday sun. They looked dangerous and scores were fairly close for the first 20 minutes, but from that point we ran away with the game, with plenty of try scoring opportunities (of which we mostly made good use), and Brighton never looked likely, despite a brave contest till the end. Kudos to the whole OC team, and particularly to the 4th XV boys who stepped up to the plate and proved themselves more than good enough. Another premiership for our Thirsty Thirds, and a great testament to their management and coaching team, given how many players revolve through this squad each week and how few of these finalists played in the GF last year.

JOHN PARRY CUP - PREMIER RESERVE GRADE, 2nd XV GRAND FINAL Old Collegians 24 v Brighton 18

Tries: Jame Bradley, Tom Nutt, Fraser Murison Convs: Mitch Sallis, Nat Linder-Patton At full strength despite recent hiccups we opened the game superbly. Brighton could not stop our relentless physical agression and our polished skills. We quickly found ourselves two tries ahead, and like a good ol' Collegians team... we relaxed. This allowed Brighton to reassert themeslves on the game, claw back possession and score two tries. Despite being dominant for most of that half, we went into the half time break only one point ahead. The second half opened much the sme way as the first half and we quickly scored two more outstanding tries. A spate of inuries threw our plans into chaos and Brighton fought back hard and were within a single try from victory with only 10 minutes to go. Self-belief, hard work and discipline saw us home through and intense final few minutes, much to the relief of the OC crowd. A deserved premiership to our oustanding 2nds, who gave away only one match this year (in the first week). Like the Thirds, this is a team with a constantly revolving membership, which poses enormous coaching challenges. Again, a testament to Stew, James and Dougy to see another year of style, success and commitment from a squad that has only two of the same starting players as the 2012 premiers.

KENNETH MILNE CUP - PREMIER GRADE, 1st XV GRAND FINAL Old Collegians 19 v Brighton 22

Tries: James Daley, Chris Bartlett, Mitch Oak Convs: Will Sadler

We started strong and confident and had a try on the scoreboard within a few minutes of kick off. Despite looking dominant in most aspects of the game in the first 15 minutes, we then let ourselves down with a large number of unforced errors that relieved the pressure from Brighton, allowed them to suffocate our game and had them scoring then next 19 points without answer from us. As the game crawled to a close, most of the OC crowd had abandoned hope and we had a player shown a yellow card, so naturally we chose that moment to stage our come back. Assisted by fresh reserves and a more consistent application of our game plan, we put two tries over the line in the last 10 minutes of the game, and converted both from wide out off the able boot of Will Sadler. We had the momentum and Brighton looked rattled. The score was at 19 all, and the fans watched with their hearts their mouths. The score remained tied for the last excruciating minutes of the game, with possession being swapped back and forth and both teams seeming determined to win the game without going to extra time. Unfortunately, we gave away a penalty within range of the goals in the dying seconds, and lost the Grand Final to the kick. Heart breaking to be so close, and little comfort for the lads to know that it was theirs for the taking had their run not come too late.

Congratulations to Will Sadler for winning the trophy for Best on Ground in the 1st XV GF, a rare honour for a player of the team that comes second, but awarded to Will by unanimous vote after a truly amazing game.

One other award was presented on the night: the **Alan Spry Memorial Trophy for Portraying the True Spirit of Rugby** was presented to our Director of Junior Rugby, **Stewart Frew**. It would normally be awarded at Senior Presentation Night, but we wanted to present it in front of the people Stew has worked so hard for all year. There can be no doubt that Stewart portrays the "true spirit of rugby". That spirit can be hard to define, but it is something like a blend of mateship, contribution, fairness, encouragement and plain old fun. We are very lucky at OCs; so many of our people glow with "rugby spirit", but Stewart takes it to the next level. Not only is he filled with his own spirit of rugby, but his enthusiasm and love of the game spills out and infects everyone around him. A rugby Johnny Appleseed, he plants the love of rugby whereever he goes in the hearts of the people he meets. The wonderful vibe in the Juniors this year has delighted everyone and has made us a much stronger club, and is due in no small part to Stew's simple, contagious "sprit of rugby". The force is strong in this one. We thank and congratulate him.

Another highlight of the evening was the excellent young Slade Hollway reciting *Invictus* for the crowd, and he repeated his performance on Saturday night after Senior Grand Finals. It was a particularly moving poem for the 1st XV who were smarting "under the bludgeonings of chance" after their heartbreaking loss to Brighton. If you missed Slade's show, watch it <u>here</u>.
