Junior Club Captains

Introducing and congratulating the Old Collegians RUFC Junior Club Captains for 2018.

- **Henri Pardoe** pictured on the left hand side of Club President Rob Costanzo is a member of the Old Collegians U16s Team.
- **Brad Killick** pictured on the right hand side of Club President Rob Costanzo is a member of the Old Collegians U18s Team.

Both players were nominated and elected as Junior Club Captains as a consequence of their commitment and leadership skills both on and off the field at Old Collegians RUFC.

Their roles will see them periodically assisting at Junior training and game days, as well as being the 'player' voices of the Junior Division at Old Collegians for 2018.

Good Luck for the season !

Coopers Premier Grade—Match Report

Old Colls 29 v Brighton 10

Tries:	Tim Atkins, Chris Bartlett, Kyle Fleetwood-Pieper (2)
Conversions:	Deane Phillips, Rob Smedley (2)
Penalties:	Rob Smedley
Best Players:	Luke Clifton, Tim Atkins

The first grade showed a lot of composure in a convincing win, in which Old Colls did not necessarily have a lot of possession, but defensive pressure across the team restricted Brighton's usually dangerous offload game. The scrums and line-outs also improved from past weeks to provide an effective stable platform for the backs to work from, notwithstanding an early injury to Eames forcing the pack to adapt and leaving Campion in a versatile role as the sole recognised jumper.

The first 15 minutes were spent doggedly containing Brighton's attack in our half before Atkins finally ran it out on a counter-attack. This put the forwards in a strong attacking position and several probing phases in the 22 eventually stretched the defence allowing Atkins space to score. The two sides traded possession in the mid-field, with Old Colls gaining ascendancy to get back into the red zone where Fleetwood-Pieper got his first try from close to the line. Old Colls' discipline wavered in the last 5 minutes of the half, as penalties piggy-backed Brighton down the field and they scored just before half time for a 12 to 5 balance.

Brighton again had the initial attack in the second half and were in the Old Colls 22 until Campion secured a defensive line-out, allowing us to clear. Brighton's struggled to make ground with ball in hand and resorted to kicking long, but Curtin fielded it in back field and sliced through the defence in a running return to 30m out, flicking a pass inside to Bartlett who went behind the posts untouched. Penalties again pushed Old Colls back and Brighton ground it up with their forwards to score another try and pull the lead back to 19-10.

Whilst Brighton continued to slug it out in attack the defensive effort made it look like hard work, and Old Colls gathered some breathing space on the scoreboard with a penalty kick. Old Colls finished strong in the last 5 minutes to be in a good attacking position, with a line-out from close to the line being quickly spread to the other side of the ground, and Fleetwood-Pieper went over in the corner to grab his second try.

Many thanks also go to Barb Finn for presenting the jerseys before the match and imparting some of the history of the club.

Premier Reserve Grade - Match Report

Old Collegians 34 v Brighton 12

Tries: Al Ward (1), Heysen Siegfried (1), Sandy Taylor (1), Karl Edgar (1), JackDarby (1)
Conversions: Jim Hopkinson (2)
Penalty Goals: Jim Hopkinson (1)

Happy! Happy! Happy! Happy to have Danny Higgins back fresh from playing for the RAAF in the ADF Rugby Championships. Happy that Al Ward recovered from the flu well enough to join the second row. Happy that Jon Mokomoko recovered from a knock last week and was eager to get back on the park. Happy to see Jake Busby start in the 2's as Fly Half. And very happy that our dominant second half performance gave us our first win for the season - in our first home game of the season.

A yellow card to Brighton's Full Back 5 minutes in for an infringement 30m out, straight in front, had Jimmy Hopkinson take the points on offer. No sooner that the sin bin was over, than Brighton struck back with a converted Try. We recovered quickly and Al Ward crossed the line on the back of some good phase play. The Try well converted by Jimmy. The remainder of the half was an arm wrestle with neither side able to further the eventual half time score of 10 - 7.

Unlike the previous two weeks, our second half performance was better than our first. Our Forwards work ethic gave us a great platform gifting the Backs time and confidence to play with much better depth. That in turn opened more creative options. But perhaps the most impressive aspect of our play was our ability to defend as a line, repelling sustained periods of Brighton's best attacking play without yielding any field position.

Great to watch Heysen Siegfried play with growing confidence, dominating on his wing, scoring one Try but threatening much more. With Heysen and Ben Viljoen causing so much consternation for the Brighton defence out wide, holes opened up through the centres and Tries followed at regular intervals to Sandy Taylor, Jack Darby and Karl Edgar, Hoppo converting two. With 10 minutes to play 34 - 7 looked pretty neigh unassailable. A late Try to Brighton took us to the full-time 34 - 12 scoreline.

Best players Heysen, Sandy and Jimmy in a very even team performance. Yep, very happy indeed.

Premier 3rd Grade - Match Report

Old Collegians 55 v Brighton 10

Tries: Mark Johnson (4), Jamie Foster (3), Matt Milne (1), Vinnie Laurendi (1)

Conversion: Vinnie Laurendi (5)

Perfect rugby weather greeted our 3rd grade squad for their line up against Brighton. Both sides looked eager and ready to prove themselves on the field.

Right from the first kick-off our boys provided a strong defence, quickly turning it around for a fantastic attack and eventual try by Mark Johnson within the first 4 minutes. A scrum or two later and Jamie Foster puts another try on the board for Old Colls. Fantastic effort followed shortly by another patented Foster try. Our quick paced backline and very strong forward pack was proving too much for Brighton's loose defensive line. Keeping up the pace saw more tries from Johnno, Matt Milne and Jamie Foster with a half time score 36-0.

The second half saw us relax a little too much and allow Brighton to break through for two quick tries. Some words from the captain and the lads picked up again returning to outstanding form with three more tries for Old Collegians. The pace and determination continued winding up the game with a final score of 55-10.

Well done boys on our first win of the season.

Open Women—Match Report

Old Collegians 12 v Brighton 32

Tries: Tayler Savage (2),
Conversion: Sian Beavers (1)

This was a rugby game not to have been missed!! our girls played with true grit and determination in defence and attacking where everyone stood their ground and showed real team work and with a never give up attitude!!

Brighton had to really work hard on their attacking line to score against us both in the first and second part of the game. Well done team.

Some incredible progress in our defence game compared to last weeks game against Burnside. We all knew from the start that it was going to be tough out there. In the first half of the game Tayler Savage broke through their defence line with the support of her team mates and scored our first try. Finishing the 1st half with a three tries and one conversion against us.

They went back on the field in the second half with even more determination and guts, they were able to hold possession of the ball a lot more and stand their ground making it very hard for the Brighton team to walk over us.

The end score result was nowhere near close to displaying the true intensity of the game and how hard and well everyone committed to the tackles and gave the opposition team a run for their money.

An extremely proud achievement on the field Saturday night. Brighton have had a taste of what the Old Collegian women's team is made of.

TRUE GRIT, DETERMINATION, COURAGE AND SKILL

U18's — Match Report

Old Collegians 29 v Brighton s 47

Tries: - Henri (1), Oscar (1), George (1), Ned (1), Michael (1).

Conversions: George (2)

Similar to last week at Burnside this was another game of 2 halves but sadly with a different outcome. Our opposition Brighton took advantage of an awful 1st half from our fellas, leaving us with an unsurmountable half time score of 40 – 12. In the second half we both outplayed and outscored them, playing tough, resolute, Old Collegians rugby, however the damage was done and our first loss of the season imminent.

I'm getting ahead of myself, welcome to the Old Collegian's U18's family to 2 new players, Nathan Wyatt and Jasper Stentiford and to Lefatu Egglestone who joined Henri Pardoe in playing up from the U16's. Saturday's 1st half does come with some dispensations, due to injury and school trips we had a few lads playing out of position with Oscar playing at 9, Brad inside centre and Tom playing flanker.

Their first try was a shocker, a failed wide penalty kick at goal bounced back into play and a Brighton player was first to react to score a try, despite the consternations from the Old Collegians's balcony that the failed attempt had actually bounced behind the dead ball line. I have no recollection of their 2nd but the 3rd was another howler. A Brighton lineout got the rolling maul going, our forwards did not engage believing it was truck and trailer but the referee waved play on, eventually the Brighton backs notched.

Poor tackling led to more Brighton tries but I'm going to focus on the positives (glass half full sort of bloke that I am). Our first try was scored from our diminutive fly half George. After winning the turnover in their half, fantastic ruck play from our forwards presented the ball and George's pre-season discipline and speed work allowed him to dummy a couple of defenders to score. Our second try came from Henri who, after we claimed possession from a kick off made an AFL type spin move to totally outfox the defenders to score. Indiscipline then stopped our comeback with back-chatting and a high Old Collegians penalty count further led to both territory and possession to them which they eventually exploited to make the half time score 12 to 40 and left our boys facing a right bollocking.

Second half was a different affair, disciplined rugby gave us a penalty, a quick tap and go, the ball span through the hands and Ned finished well in the corner. Tom led from the front making some great tackling although, in truth, all of our blokes made contributions in the tough tackling department. Oscar was the next scorer, from an attacking lineout Harrison fed Oscar who flung himself over. Our fifth and final try came from Michael, with possibly the team try of the season. Most lads contributed to quick recycling, off loads and popping, Jasper finally feeding Michael with a cracking offload for the score.

The final score of 47-29 was disappointing, however only 7 points conceded 2nd half is testament to our improved discipline and tackling and we can be proud of our 2nd half efforts. As Brighton were gleefully belting out their club song I looked around the changing room at the quality of this group of blokes, thought of the returning players and the commitment of the coaching staff and I thought we'll be right. Don't panic yet, we'll be right.

U16's — Match Report

Old Collegians 26 v Brighton 36

Week 3 saw our U16s team host Brighton for our first home game. A beautiful day for rugby. We were missing two key forwards (Max and Clayton) but had 17 players available which is great. We welcomed back Noah Rebuli to the fold and he will be a good addition to training and match day.

We recognised a slow start against Burnside last week was something to be avoided (we lost the first half against 14-0 but won the second half 10-0). We saw some good interplay however we found ourselves, again, not bringing the intensity we deliver in training to match-day. As a result we lost our back-line formation with players being drawn in to fight for the ball in the contact area. It will be a long season without us being able to dominate as we know we can in the contact area. As a result we went into half time 0-19 down. Not part of the plan. We did have a busy time with our back three and Joeli and Nathaniel did have to cover some serious ground.

The second half continued under the same vain with Old Colls waiting for a spark. This eventually happened when we saw a glimmer of our potential when a well won ball found its way to Lefatu for him to burst through to score under the posts. This was the spark we needed along with a couple of deserved yellow cards for dangerous tackles.

With less than a quarter of the game remaining we fired up and saw 2 more unanswered tries from Henry Par-doe and a monstrous break from Christian Wills through the middle from half way - as he turned to look for support he quickly realise he needed to pin his ears back and go the whole way - which he did. Awesome. An exchange of tries from each side saw Lefatu score again to bring us within one score.

Sadly a final score by Brighton saw them see out the game. We again showed our true potential too late. We won the second half an impressive 26-17, It was exciting rugby and showed how easy we can make it look. We have the skill!

We have the fitness! We now, thankfully, have the players! We just need to start grafting from the moment we cross the white line. Let's get this freight train on the tracks because when we do there will be no stopping us!

All aboard!

U14's — Match Report

Old Collegians 27 v Brighton 29

Tries: Jayden Hazzard (4) & Charles Macfadyen (1)

Conversions: Carl Arnold (1)

Another very highly anticipated game against our competitors the Brighton Tigers! With Brighton winning the U12's premiership in 2017 and a strong inflow of 1st year U14's – we knew that they'll be a strong competitor this season, but that is ultimately what we want – more good competitive rugby every week. It was a great game to watch with both teams giving everything and trying to make every touch of the ball count. Brighton made their presence known and came out strong but it didn't stop us, we kept competing and fought hard, finishing half time down 10 – 5.

Both Jayden Hazzard and Charlie Macfadyen scored beautiful tries. Our team's ability to retain our possession when we play strong attacking rugby is something we'll continue to work on. Thank you to all our players that have come out to training diligently, your improved fitness and work rate makes us proud! Our new and first year players are also starting to settle in well as they continue to grow their understanding of the game each week!

This week, our Best on Ground was awarded to our complete team for their fighting spirit. We made Brighton work for every point, final score Brighton 29 versus OC 27. There are lots of positives to take out of this game and the final result could have gone either way towards the end!

We look forward to welcome Brighton back at Tregenza for another good competitive game of U14's rugby in Round 6 on the 2nd of June. In the interim we are training very well as a unit and look forward to continued improvements in fitness and our tackling skills across our complete squad. This is how we are going to become stronger, especially in these close games, where there is often very little that separates teams from each other.

Enjoy the BYE weekend and the following Saturday, 26th May we'll head to Waite Oval to take on Adelaide Uni.

U12's — Match Report

Old Collegians 41 v Brighton 17

Tries: Archie King (2), Jackson Denley, Jake Richardson, Jack Robinson, Fergus Keighran & Harry Ward
Conversions: Ivan Arnold (3)

The Old Collegians U12's took on Brighton for our 1st home game of the season. We've had a solid start to our 2018 campaign and it was particularly pleasing to see another strong team effort on Saturday morning with 7 players contributing to our final score, but even more importantly every single Old Collegian contributing on the field and creating the opportunities for various players to touch the ball down over the try line. Well done Harry Ward with your 1st rugby try ever!

Special mention to our rostered off players this week: Tyson Hazzard, William Deakin, Jack Bell, Torence Egglestone, Jenson Grudnoff, Sasha Humble and Marcus Pickard. With the majority of them out on Saturday morning to support our team!

Our team's results thus far follow through from strong attendance at training, which makes it a pleasure for our coaching group. We would like to maintain our momentum and keep working hard as our opponents will come back stronger when we see them again. We ended the first half up 15 – 0 and managed to keep Brighton scoreless. We played with good structure, strong rucking and good handling, ultimately treasuring the ball, which allowed Brighton with very few opportunities.

We allowed Brighton to score a couple of times in the second half but also managed to score 4 more tries ourselves and ended the game up 41 – 17. A highlight this week and in particular during the second half was when we started utilising the width of the field, which resulted in a number of tries scored out wide by our wingers, with beautiful handling and passing through the backline.

Well done to 8 of the Old Collegians U12's who went to Waite Oval on Saturday after our game to help out Adelaide Uni and Elizabeth to play a 15 a side game, this was done and received in the true spirit of rugby!

Let's keep up our strong training effort and enjoy the break this weekend with our U12's having a BYE!
In Round 5 on the 26th May we'll head to Waite Oval to take on the Uni Blacks!

THANK YOU:

U10's — Match Report

Old Collegians v Brighton

This was always going to be a hard game as both teams were unbeaten so far this season. Both teams played fast and hard, no quarter given by either team, which made for a wonderful game of junior rugby.

Old Collegians U10 played with great determination, skill and speed. Our defence had to and did remain solid, holding Brighton up for long period during the first half of play. Tackling, rucking and ball ripping have all improved.

The backs turn of speed was great to see once the ball got out to them.

Still one or two of our new players not understanding the offside laws and entering the rucks from the side, its early days for them and we are sure they'll master this during the course of the season.

Thank you and great refereeing by Sandy Taylor who allowed the game to flow beautifully and encouraging the young players to enjoy the game and doing some coaching while explaining what is required of them. Great game!

Note: Dads and Mums please get your U10's players at the field of play by 8pm on a game day.

U8's — Match Report—8am game

GAME1: U8's Old Colls vs Brighton

A full side turned out to play a strong Brighton side early Saturday morning with each team playing a strong defensive game.

It has been a tough start to the season for the Old Colls U8's with almost all the kids coming up from 7's and playing tackle for the first time. A strong Brighton side looked organised from the first whistle and Old Colls tried valiantly but struggled to hold the tackle against a few of the quick offensive players.

The team has been working hard on tackle technique in training however showed some nervousness in game but as the season goes on, we are sure to see massive improvements as they continue to give their best. Great to see some genuine attempts at passing from the kids showing a growing maturity and understanding of the game. Further work in training will also focus on correct ball placement and securing the ball from the ruck. The kids will continue to work hard and their effort and enthusiasm will reap rewards.

A fast run and try from Jack Wilson in the last few minutes of the first half spurred the team on and was backed up in the second half by Noah Phillips and Zack Czeglik.

Player of the week to Zack for an outstanding try in the dying minutes of the game and weekly awards to other try makers Noah and Jack

U8's — Match Report—10.30am

Old Colls Vs Adelaide Uni

An additional opportunity was provided to players to face another team (Uni) later in the morning. A full team played a strong Uni side. A stronger offensive result in the second game affording Old Collegians the opportunity to score 7 tries to Uni's 10.

Less nerves executing the tackle than we have seen before. Convincing runs and tackles from Hamza al Fayed and Lois resulting in well deserved encouragement awards. Tries from Jack Wilson, Patrick Sos, Harry Menz and Zack Czeglik.

A great game and thanks to Uni for providing us the opportunity for extra play and parents for staying out for more rugby.

U6/7's — Match Report

This week a really strong turn out for both Old Colls and Brighton meant that we were able to play two parallel matches. This allowed the full team to get a long run out picking up valuable match time. Some of our new players are still settling in to the game but played well with the extra time on the pitch. It was also good to see some of last years players continuing to develop and become more confident. There was effort in quickly getting on-side and working together as a team.

With two matches we had plenty of tries scored by William Taylor (1), Connor Wallace (3), Sam Parcell (5), Talei Corpus (2), Chase Rogers (1), Scarlett Nielsen (2) and Armi Totolas (1). Player awards went to Patrick Reeve, Jobe Wilson and Talei Corpus for their efforts this week.
