Old Collegians Rugby Union Football Club

Vision Statement:

To be South Australia's leading and most innovative Rugby Union Club, a strong community based club with a spirited culture.

Mission Statement :

To build a framework that delivers sustainable, long-term success on and off the pitch for Old Collegians Rugby Union Football Club by including, engaging, encouraging and supporting all Club members and supporters in every aspect of the Club

Values:

- Inclusivity
- Loyalty
- Honesty
- Accountability

We would like to take this opportunity to say

THANK
YOU

*To the U14's Wednesday
Night Meal Volunteers*

You are all greatly appreciated by
Old Collegians Rugby Union Football Club

Ladies Charity Afternoon and Players' Reunion

Thanks to everyone who came along and celebrated Old Collegians Ladies Day on Saturday 28th July.

What a fun day on and off the field! It was great to see players all through the grades donning pink socks in support of YWCA Encore and the swell of pride felt throughout the club when our junior girls ran on with the Women's IV is something to be remembered.

The sparkling wine and oysters were flowing on the balcony for our Ladies Day event and it was great to see so many of our past Women's Team players joining us on the day as well.

A big thanks to our partners who helped make the event such a success - ***Koonara Wines, Oyster Brokers Australia, O'Neills, Lion Co and Barossa Fine Foods.***

Thanks also goes to Milly Bennett for her kind donation for our Wine Raffle.

A huge thanks also to our members who worked hard to put on such a great show - Jo Rogers, Kelly Flanagan, Kim Evans and Sue Thewlis.

We are still tallying to total funds raised for YWCA Encore Breast Cancer programs and will announce this soon on Facebook.

Events at Old Collegians

OC Quiz Night—September 1st

This will be our major fund-raiser for the Season.
Please start planning now! Tables of 8.

To make the evening a great success, we will need donations for prizes for the winning tables and for the silent Auction.

More details will be provided in coming weeks but mark the date in your Diaries now!!!!

Presentation Events

The Senior Presentation Night will be held in the Old Collegians Club Rooms on Friday September 14th, 2018. 6pm—1am

Tickets are available through Ticketebo:

<http://www.ticketebo.com.au/oldcolls2018snrpresentation>

Early bird \$60 per head, if booked before September 1st 2018. All sales after that date will be charged at \$65.

The famous Smorgasbord Dinner will be served, discounted drinks at the bar, DJ Pat will be in attendance and of course Senior Players will be acknowledged for their performances through the season.

Come dressed in your best!!!!!!

And the **Junior Presentation Afternoon** will be held at Old Collegians on Sunday 16th September, 2018.

Welcome to Old Collegians

Nick Ryan from the Melbourne Rebels came out and joined us on Saturday afternoon and evening.

Fostering the great relationship we are forming with the Rebels.

Hanging with the Under 18's!

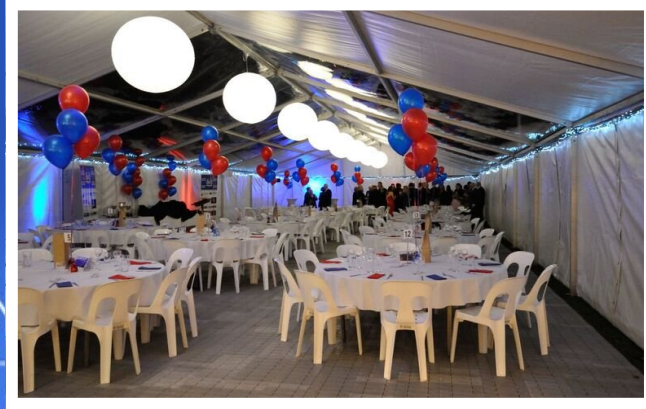

This has to be the best photo of the Season!

Pegged on the line in on-field formation!

Thank you to all our junior parents who wash our playing jerseys each and every week during the season.

Join us for our 2018
Senior Presentation Dinner

Friday 14th September 2018
6.30pm – 1.00am
at Tregenza

Smorgasbord Dinner & Presentations

DJ Pat—Dancing

Black Tie—Cocktail Attire

• Book before September 1st for early bird tickets \$60pp
last minute bookings \$65pp

Coopers Premier Grade Match Report

Old Collegians 32 v Burnside 41

Tries: Nick Howlett, Luke Clifton, Gary Mann, Chris Bartlett, Jack Curtin, Will Sadler
Conversions: Jack Curtin
Best Players: Jeshua Graham, Tim Dawes, Gary Mann

As has been the case in the last few weeks, the first grade began the game well and had some consistently good passages of play, however eventually took the pressure off as they tired and let the opposition back in. There was some exciting attack and generally strong one on one defence, but too often a turnover was allowed or pass dropped, particularly after we had scored, and Burnside capitalised on their counter-attacking chances.

It was a hectic first 30. In the early stages Kyle Fleetwood-Pieper found some space on the wing around half way and put a chip over the last defender which was regathered by Curtin for the first try. Burnside forced a turnover from the restart and pushed up to our try-line, where their halfback scored with a dummy pass off the back of a ruck. In general play Dawes broke the line and ran the ball to the 22 where the backs passed quickly through the hands and Bartlett scored in the corner. Burnside again pushed back quickly and evened the score with their own second try.

In the last 10 minutes Burnside took advantage of a penalty to kick for touch and, after their line out drive was stopped, went from one side to the other and found an overlap to score out wide. Old Colls tried to run the last play out of our 22 rather than putting the ball into touch, but became isolated and Burnside stripped the ball and scored in reply for a 24 - 10 lead.

Old Colls got things moving again in the second half, pushing hard to earn a couple of penalties and eventually some forward drives off a line out saw the pack force their way over the line where Howlett grounded the ball. Another turnover from the restart however gave Burnside the advantage and they responded in kind with their own forwards' try off a line out, then took the lead to 38-15 with a kick over our defence and regather for their sixth try.

Old Colls rallied after the restart and gained momentum, as Bartlett and McDonough combined to breakthrough the line and run to the 22, finding Sadler inside who beat the last defender. Tim Atkins got great distance off a penalty kick to give the forwards a line out in the 22, and Jake Busby directed the attack phases well, eventually creating enough space for Clifton to crash over. Burnside then cushioned their lead with 3 points off a penalty.

Photo's courtesy of AJWalwyn Photography

With time running down, Old Colls held a scrum in our 22 and Fleetwood-Pieper broke out to run down the far wing where Burnside knocked his attempted chip into touch. From the ensuing line out Gary Mann scored to equal the tries scored at 6 per side as time ran out.

Reserve Grade Match Report

Old Collegians 14 v Burnside: 22

Tries:	Jack Darby (1), Will Sadler (1)
Conversions:	Jimmy Hopkinson (2)
Penalty Goals:	Nil

No one said that the road to the finals was an easy one. This round was an opportunity for us to test ourselves against a quality opposition and see if we were on the right track. We got out of the blocks well and with 5 minutes played Jack Darby was crossing the try line and Jimmy Hopkinson confidently kicking the conversion. But it was obvious early that Burnside would be no pushover and it was only another 5 minutes before they had 7 points on the board. It was to and fro for the remainder of the half. Perhaps more correctly, Burnside doing most of the 'to-ing' and us stoically defending. Word has it that Burnside's scrum has been dominant in recent matches so credit to our pack for holding their own and giving them a real contest.

Will Sadler replaced Matt Sharples close to half time when Matty was forced off with a twisted ankle. A couple of minutes into the second half and Will was over the line and with Jimmy's conversion we were 14 - 7 up! Burnside missed a penalty. Maybe we were on the right track. But no. We had our opportunities but found ourselves getting off the beaten track. With full time looming, a couple of fairly innocuous lapses gifted Burnside two tries in quick succession. That, and a penalty goal to close out the game and Burnside came from behind to win 22 - 14.

Now this could be in the realms of 'we would say that' but Burnside played well and probably near their best and we still have a few cards to play, so... still on the right track.

Amongst our best were Mark Darby, Stu Robertson and Heysen Siegfried. Jack Darby was instrumental in holding our defensive line all day and Peter Cross had a storming game on the flank.

Third Grade Match Report

Old Collegians 29 v Burnside 43

A strong and ready squad took to the field to line up against Burnside on an unusually bright and sunny Saturday afternoon. The kick-off play looks promising with good attack moves. Burnside presented strong but not invincible. The first score went to Burnside with a penalty kick hitting the mark around 7 minutes in. It wasn't long before OC fought back and responded with a try over the line at the 15-minute point with a conversion following. Burnside strikes back with a try and conversion to once more take the lead. The scores were held with Burnside just in front for most of the remainder of the half with the ball finding its way up and down the field both ways as both Burnside and OC made gains but were fought back each other. With just 3 points between us and the lead, the boys fought very hard to gain the lead against an unbeaten Burnside team. Some sloppy play and missed tackles late in the half with only five minutes to go allowed Burnside to bolt past and score the final try of the half. With the conversion made the scores rested at 7-17 in Burnside's favour.

The second half was full of fast-paced with a quick recovery try and conversion to OC to bring us back to within sight of the lead again. Again, some less than impressive defence allow a Burnside attack to bolt past for another try. A penalty try around the 40-minute mark has the crowd alight as we inched ever so close to the lead. Finally, a well-deserved penalty kick leapt over the crossbar to propel our boys into the lead. Unfortunately, due to exhaustion or complacency, or something in between we dropped our guard and Burnside pushed ahead with three more nail-biting tries interwoven with one from our boys. Ultimately in the end Burnside prevailed with a final score of 29-43.

Women's Match Report

Old Collegians Women's Team 26 v Burnside 15

Tries: Sian, Lusia, Rebekah and Liné
Conversions: Sian (3)

It was fantastic to have the "Little Collegians" junior girls run out on the field with our senior ladies team on ladies day, in support of the YMCA Encore Breast Cancer Survivorship Programme. Not sure who were more excited! It was great to see the junior girls join our ladies team, as part of their team warm-up. Thank you to all involved for making this a special occasion. Each of the junior girls were handed a gift bag with rugby goodies afterwards and it was wonderful to see their faces light up!

We knew that it was going to be a competitive game. Burnside started strong, scoring the first try and making their presence felt early. Our defence was sound and we started taking control of the possession, although it took some time before we could break through. We finished the first half up 19 – 5, which set us up well for the remainder of the game. We impressed with our backline running up strong, using the width of the field and we looked dangerous on the attack. Burnside managed to score 2 more tries during the second half and we scored one more converted try to further our lead, ending the game with a full time score of 26 – 15.

Due to the nature and intensity of the game we sadly saw a couple of key players come off with injuries. We wish them all a speedy recovery. It was pleasing to beat Burnside in a tough and physical game in the lead up to finals. With only 3 more rounds remaining in the season, we are currently positioned 3rd on the ladder, with one game left against Brighton, Woodville and Souths.

We truly appreciate all the support on the sideline and love our 5pm home games at Tregenza.

U18's Match Report

Old Collegians 33 v Burnside 0

Tries: Kees Young (2), Ruan Fourie (1), Michael Clifton (1)

Conversions: George Hewitt (2)

Summer is on its way folks, this was the sunniest and warmest day to watch rugby since the pre-season hit-out at the Adelaide University grounds at Waite Oval in March. It was also both pleasing and encouraging to see all of our fellas support Ladies Day and help with the YMCA Encore Breast cancer Survivorship Programme by sporting the Old Colls pink socks, great work lads. This was by far our most complete performance of 2018, to do it at Tregenza makes it more special, for Burnside to be the recipients even sweeter. You will always win more games than you lose when you put 33 points on the scoreboard. When you keep your opposition scoreless you will win every time.

To be super critical it was not the perfect performance, I am still concerned by the high quantity of conceded penalties (particularly for off-side). However, we attacked with power, pace and precision and when required we defended strongly and well organised and of late the forwards and backs link up superbly. Saying that grunty forward play was the catalyst for our opener. An Old Coll's attacking line-out fell to Kees who, with the benefit of a penalty advantage, went solo and got the 5 pointer. George narrowly missing the conversion although he slotted every one afterwards.

Our 2nd try came courtesy from incisive back play- Ruan made a huge line break which drew in the defenders. The ball was recycled quickly and Michael was the beneficiary with the score. Our 3rd came from the prolific Kees in similar fashion to his 1st. With a haltime lead of 19-0 you could be mistaken in thinking the team talk was all positive. Whilst there was mainly acclaim following such a dominant performance Richie had to highlight that at times we got a tad too fancy with too many basic errors, usually following too ambitious fancy flicks and passes. Due to a miscalculation the start time of the 2nd half was reduced to 25 minutes. At the time Burnside was unhappy as they had a game to chase, by full time this amendment did them a favour and their relief was evident with the score so one sided. Our 4th try was an Old Coll's classic. An attacking Old Coll's scrum was won by us (we'd been dominant in this set-piece) and the ball was whipped down the line for Ruan to beat 2 defenders and score.

Burnside then had a bit of possession and territory and the score looked imminent. However, fantastic goal line defence eventually caused them to knock on, the resulting scrum allowing us to kick for safety. Pretty soon we had turned defence into attack after a precise left foot kick from George gave Michael a long chase. He not only tackled the Burnside player but stripped him of possession. Max made an insightful box kick and chased it himself, only to be thwarted by a desperate lunge by the Burnside fullback. We already had the 4 try bonus point but our 5th try came from another forward – back set-play. Our pack won an attacking lineout, the ball went down the line and George used great vision to give a looping pass, bypassing the heart of the defence and allowing the overlapping Michael to collect and score with ease, topping off a 33-0 victory.

Many thanks to the U18's parents who volunteered to help with both the canteen and BBQ prior to the game. Also thanks to the players who did such duty afterwards. Also thanks to our resident photographers Bec and Tom for your pics and Tom for also washing the jerseys this week.

Finally Carl Arnold, thanks loads for filming the game, I really look forward to watching this replay on YouTube.

Oooooooooooooooooohhhhhhhhhhhhhh me lads, you should have seen us coming.....

Under 16's Match Report

Old Collegians 22 vs Burnside 53

It was great to have a rare Friday night game to bring more of a sense of occasion to a highly anticipated match against our local rivals Burnside. We stood at one victory each for the season and were happy to have some returning players, as did Burnside, since our last encounter that saw a 60-20 victory our way. The game started well with a fired up Connor Ryan showing his muscle to power over to score. A second try from Connor meant that we were where we needed to be - in the lead - against a tough opposition sneaking into the lead. Now to keep the momentum going! It is hard to ignore the fact that we had the requisite number of players at the start of the game for a rare time this season - 15. Alas this was not to last long as a previous hamstring injury came back to haunt Christian Wills and we were down to a familiar 14 after about 10 minutes of the game. A bitter blow for a player who plays with the heart of a lion and is a true impact player. We were then immediately on the back foot but still maintained our forward runs with Max Bowen getting his hands on the ball to take us forward.

Good ball got out to the backs but an organised opposition defence stifled our progress in attack and some individual threats from the opposition centres meant we had a battle on our hands. No greater rugby spirit was shown than by Joeli Tavui who with ball in hand or chasing down the tackle showed his skill, strength and determination that was unequalled by any player over the weekend I am sure. With reduced numbers we had the opportunity once again to show that a hooker (Tom Deakin) and a loose forward (Clayton Dawson) can do a great job out on the wing. Again and again Clayton chopped down any attacking players and looked threatening in attack. We would prefer both these boys in the mix with forwards as outstanding clearing out has become a trademark of Tom. Great also to see Clayton being rewarded by a try for all his hard work. A tougher day at the office meant that Lefatu was restricted to one superbly taken try - showing his potential when in space and his strength and speed when focused on the line. Not quite the freedom that he had on the last meeting when he ran in four tries. All credit has to go to the opposition number 12 who was able to dominate at times against a team short of numbers.

Again Lachlan Fisher showed he wont ever have a quiet game and will never shirk a tackle and Wills Hillier stepped up at loose forward to really get involved with the physical confrontation. For a team low on fit numbers and with 5 players playing totally out of position as a result we never give up. We showed fight until the end and held together as a team. If you learn more from your losses then clearly we have learnt a lot this season - but we have never felt uncompetitive - just the victories slip away from us normally due to low numbers and covering a large field. Our pride is in how we hold together as a team and never give up! Together we stand!

Under 14's Match Report

Old Collegians 14 v Burnside 26

Tries: Tom Mocatta (1), Jayden Hazzard (1)
Conversions: Carl Arnold (2)

Old Collegians versus Burnside are always great games and this round was no exception. Held on Friday night under lights and with the side almost back to strength except for Ted Henbest and Jack Norris, currently recovering from an injury. After Burnside's last 45 to 24 defeat against us in Round 2 they were eager to regain a win.

It was close in the first half with Burnside leading 12 to 7. The combination of Jake Branson, Max Gordon and Tino Kanonge in the front row was able to dominate the scrums but our Jayden Hazzard was well matched by Burnside's Taj Rahui. On several occasions we managed to get close to the try line but were caught by swift footed opposition.

It was a close contest but we allowed Burnside to run away in the final 15 minutes to finish up 26 to 14. Seb Smit suffered a hyper extended knee and we wish him a speedy recovery, we hope to see him return in Round 14.

It was a strong show by the team and we look forward to a finals rematch!

Under 12's Match Report

Old Collegians 22 v Burnside 7

Tries: Lachlan Bell, Ben Norris & Lucas Aguiar (2)
Conversion: Ivan Arnold

The Old Collegians U12's played against Burnside RUFC on Saturday morning at Tregenza Oval in beautiful sunny conditions. It always makes for some exciting rivalry when we play against our eastern suburbs neighbouring club. A special welcome to Ben Lotz who played in his first game for Old Collegians on the weekend, we welcome him and his family as part of our Old Collegians rugby community.

We've seen a strong return in attendance to training, which our coaching group appreciates as we've seemed a bit rusty and disjointed during the holidays and not as sharp as we've been in the weeks leading into the school holidays and our outstanding game on tour against Melbourne rugby club, towards the end of June. We've reiterated to our playing group the importance of basics, rucking technique and tackling skills and will continue to work on these as well as game structure as we progress through the last couple of rounds of the 2018 competition.

We controlled the majority of play in the first half and finished up 12 – 0, following two beautiful tries from our forwards Lachlan Bell and Ben Norris and a successful conversion from Ivan Arnold. In the second half we spread the ball out wide and saw Lucas Aguiar run in two more tries, whilst Burnside managed to score one converted try. It was overall a good game with huge improvement on the previous week.

A special thank you to our rostered-off players Will Deakin & Max Cross as well as Jack Bell who came out on Saturday to support the team, run on water and the kicking tee. A special thank you also to Jack Robinson and his family for washing the U12's jerseys for us following the weekend's game and to Graham Raymond who did an outstanding job refereeing the U12's game for us on short notice.

We look forward to our next game on Saturday morning against Woodville RUFC as we travel to Gleneagles Reserve to play against the Wasps for the first time this season.

Under 10's Match Report

Old Collegians 50 v Burnside 5

Another good and convincing result for the Old Collegians U10's. This was a good game in parts but we sometime allow ourselves to think that a single player will win the game for the team.

There is still a lot of room for improvement when it comes to our team's rucking ability. We often still get to a ruck and NOT push over the ball carrier. We'll continue to work on this aspect of our game at each and every training session, as this is a key part of our junior player's skill set, as they progress to the next age group.

When we do get the ball from the rucks, we are often not recycling it to the backs quick enough, which allows the opposition to set-up their defence well.

On the few occasions we did get a clean ball out to our backs, we swiftly moved it down the line, to run in a try or two. It was great to watch.

Overall this was a good game, but scrappy in parts, when this scrappiness was pointed out to our playing group by coach **John Kinniburgh**, we returned to the style of rugby we know we can play.

Can we once again ask for our players to please be at training on time this week - as we still have some improvements to make before the end of our season.

PS: Dads and Mums please get your young players at the field of play by **8am** on game day and by **6pm** on training nights.

Under 8's Match Report

Old Collegian vs Burnside – 28 July 2018

Continuing healthy numbers in the under 8s allowed us to split into two 'red' and 'blue' Old Collegians teams for a scratch match before the 'main event' against Burnside. We will aim to continue this format for the remainder of the season as it is a great way of ensuring every player gets a good run and that everyone is warmed up before the main game.

As always, Burnside came out strong and put a few tries on the board early in the first half. They ran the ball well in attack, testing our tackling and positioning in defence. Burnside continued to dominate for much of the match but there were great signs of determination from Old Colls and we never gave up, putting five tries on the board.

Positives included some great running of the ball in attack, improved structure in defence and at the breakdowns, and good support.

Areas for improvement include our tackling and support play.

We continue to see great improvement from all our players. Special mentions this week go to Oliver for some great tackling and running (including two tries), James for some excellent running and for bravely playing on after a knock to the nose, and Patrick for sheer determination and consistently solid tackling.

Player of the match this week was Sid, who ran hard all game, particularly in defence where he made some great tackles and never gave up when chasing down the Burnside players.

Under 6/7's Match Report

It was another great turn out for the under 7's against Burnside on Saturday resulting in enough players to field two teams. Burnside were willing to field 2 teams if we lent them 2 players so we played two 7 a side games. Playing with slightly smaller sides allowed the players the room to work on lines of running and forced them to become more aware of their dense. Both games had lots of brilliant runs resulting in a large number of tries. The defence continues to slowly improve but further hard work is still needed to make sure that all players get back on-side with the team once the tag has been made. Players worked hard running in support in an attempt to speed up the next phase play. Both teams worked hard to share the ball and encourage each other in their efforts. It was great to see such a good sense of fair play.

Our try scorers this week were: Ellis Twigge (4), William Page (3), Otto Knoll (2), Archie Kinniburgh (2), Sienna Ellis (2), Talei Corpus (1), Armi Totolas (1) and Chase Rogers (1).

This weeks awards went to: Otto Knoll, Archie Kinniburgh, Zander Czeglik, Hamish Clark, Ellis Twigge and Henry Trlin.

Thank you to all those parents who have washed shirts it is greatly appreciated it.

RUSA News

JPP (U7's – U10's) End of 2018 Season - Gala Day:

Date: **SUNDAY, 2nd September** (please note that this unfortunately is Father's Day too)

Where: North Torrens RUFC (Dry Creek)

Ø Time: During the morning only

RUGBY AU COMMUNITY COACH OF THE YEAR

Nominations are now open for the Rugby Australia Community Coach of the Year Award.

The winner will attend the prestigious Rugby Australia Awards in Sydney thanks to the support of the [Australian Rugby Foundation](http://www.australianrugby.com.au).

Nominate at:

www.rugbyaustralia.com.au/communityrugby/CommunityCoachoftheYear2018.aspx

The poster features a large orange shield on the left with the text "SA High Schools 7s" in white. To the right is the Rugby Union SA logo, which includes a stylized bird and the text "RUGBY UNION SA". Below the logo is a table with event details. At the bottom, there are silhouettes of rugby players in action and a contact email address.

Wednesday 12 th September 2018 Burnside RUFC 9.00-14.00	Boys & Girls Under 16s Under 18s FREE
---	---

Contact: leesa.kenny@sarugby.com.au

We have seen an increased number of incidents of stamping and referee abuse over the last 12 month period.

To deter this type of conduct, the Judicial Committee will from this week be giving higher than usual suspensions for red cards and citations of this type (Rugby Australia Disciplinary Rule 87).

Clubs are reminded that verbal abuse of a referee carries a suspension of 6 matches as a starting point. Stamping carries a suspension of 2 matches as a starting point, or 6 matches if to a player's head. A suspension can be reduced however for stamping/ verbal abuse it will now also be increased as a deterrent.

As we come into Finals for 2018, let's see clean games and good sportsmanship on show.
