Message from the Women's Captain

We've had a successful 2018 season and from my perspective success comes in many forms. After 19 long years we've got these shiny little things hanging from our necks again. We've worked hard on and off the field to achieve this and it wouldn't have been possible without all of you. None of what my team has achieved this year would have been possible without the support of our family, friends, fellow clubmen, coaches, managers and the committee for keeping the place running.

To the **senior men** - thank you for making us feel like "one of the boys" at training. This simple gesture shows us that we're welcome, included and helped us develop our skills. Words cannot express how much it means to have sideline support from you all, not just in the finals but almost every round this year. You make us feel like we're your family and the respect that you have for us to show up and support us does not go unnoticed. Thank you to the senior players who showed up week after week to stand on the sideline and recognise us as equals, as team mates, all year.

Thank you to the unwavering support from our best clubmen, especially **Peter and Jill Allen**, who have rarely missed a game and are there rain, hail or shine, winning or losing.

Rob Costanzo and the committee - each year that passes, the club's commitment to an inclusive environment grows stronger. We look forward to a brighter future in years to come. Thank you for all of your hard work and for all of the hours you volunteer to keep this wonderful club running.

Thank you to **Jamie Punshon** for being eternally hard working, committed and positive. You're our rock, and show us how to be selfless and resilient no matter what. We love you and could not have done this without you. Thank you to **Fiona Brady** who believed in us and taught us how to do the same. You've fought for us on and off the field, this competition and club are much richer for what you've achieved over the last two years. It's taken commitment, hours of personal time and professional expertise to do what you've achieved, you've pushed the boundaries of what's possible and opened our hearts and minds to our own abilities, even if we weren't able to see it for ourselves. You never doubted us, you never shouted and were eternally optimistic. You are a fantastic role model for this club, one which any young woman would want to aspire to. You deserve everyone's admiration and respect for what you've achieved and you have lead us in our success this year - by the culture you've created.

We're successful not just because of the trophies on our necks and on our walls, we are successful because of the love, trust and respect we have for each other and the unwavering support that we share at our club. We are proud to bring the flag home but we are even more proud to be a valued part of this club.
