The Bob Burgess Cup

Who was Robert Clark Burgess?

Old Collegians Life Member - Inductee of the South Australian Rugby Hall of Fame

A Legend at Old Collegians

Bob played grade rugby from the '50s right into the '80s; he played through every grade over the years and won five First Grade premierships with us. He retired to Golden Oldies in 1983, and played about 80 games for the Crippled Crows.

Bob holds the record for the most games of any player in the history of South Australian Rugby. The number is estimated at more than 700; Bob humbly suggested it was only 530, but we didn't believe him.

Bob was at various times Captain, Coach, Club Captain and President of Old Collegians Rugby Club. He was a State Representative for three years, including hooking against the British Lions in 1966, which he claimed as his proudest rugby moment.

He was made a Life Member of Old Collegians in 1971, and was one of the inaugural inductees to the South Australian Rugby Hall of Fame in 2007. That is an astoundingly impressive list of achievements and contribution - legendary.

"Such great heart-warming memories he has left us with, but even they do not quite do justice to what Bob meant to Old Collegians. Bob was long retired from playing when I first met him, he was a Life Member before I was born. I envy those of you who played with him, who knew him forever. Yet it wasn't very long after first walking into this place that I understood what Bob meant to it. You learn about a man by the way other people relate to him. There was ever a palpable respect and affection for Bob, from everyone here. He wore it on him like a big, warm aura. He was a pillar of Old Collegians, and to see him at home here was to understand that instinctively, long before anyone explained to you why.

At the same time that the club taught me about Bob, Bob taught me about the club. The process was one of osmosis rather than instruction. He radiated friendship and goodwill. You couldn't spend much time near Bob without absorbing some of his good humour, his passion, his loyalty and his pride. Put simply, Bob was a touchstone. He was our giant little man."

Kim Evans, President of Old Collegians at the time of Bob's Memorial Service.

The Bob Burgess Cup is held annually at Tregenza and is awarded to the winner of the Premier Grade match between Old Collegians and Brighton.

OC Score Board

Fantastic News! It's Happening!

On behalf of Old Collegians Rugby Club, I am absolutely thrilled to announce that our goal of buying and installing an interactive scoreboard early on in the 2018 season has been realised thanks to the generosity of the **Mocatta Family** who have kindly offered the club interest free financing for the purchase.

The Committee and I strongly believe that this investment will be a winner for the club in the long run. Importantly, it will allow us to offer a point of marketing differentiation to our current and future business partners moving forward. We aim to unveil the scoreboard by the Round 6 when Old Collegians play against Brighton.

The club needs your ongoing support! We aim to pay back the loan within 12-months by continuing to actively fundraise. There is a lot of work to be done. Some of the upcoming events include –

- Rugby Run-A-Thon
- Movie Night
- Cocktail Party

If anyone else in the OC community would like to consider a donation towards the score board, please let me know. The committee is really excited about our vision, it involves making further improvements that benefit members and continue to attract new members, as well as putting the club on a solid and sustainable long term-footing.

Premier Grade - Match Report

Old Collegians 45 v Woodville 20

- Tries:** Nick Howlett, Fraser Murison, Jake Busby (starting First Grade debut), Tim Atkins (2), Kyle Fleetwood- Pieper, Alex McQueen
- Conversions:** James Hopkinson (2), Rob Smedley (3)
- Best Players:** Liam McDonough, Nick Howlett, David Alo-Emile

With 5 changes to the starting team from last week, Old Collegians took about 10 minutes to settle into the game and get the measure of Woodville in their return season to first grade,. Pleasingly the set-piece remained solid and good discipline plus effective tackling led by McDonough allowed Old Colls to hold out the initial attacks by Woodville. Eventually Old Colls took advantage of penalty kicks to touch to gain ground for movements from line-outs in the Woodville half, with secured ball first providing a platform for Howlett to score from a drive by the pack, then soon from a similar position the backs sped the ball wide where Atkins scored in the far corner.

Old Colls maintained the pressure with some well-supported offloads in open field putting the defence on the back foot, and Chris Paseka was enjoying applying fend-off face time to any attempted tacklers. When play broke down in the attacking 22 Kyle Fleetwood-Pieper scooped up a loose ball and cut back through 4 defenders to score under the posts. Not to be outdone, in securing and returning the restart, Atkins eclipsed the defenders on the halfway and ran in for his second try of the half.

In both the last 10 minutes of the first half and first 10 of the second, Old Colls' concentration slipped and some scrappy handling gave Woodville easy ball which they capitalised on with 2 tries of their own to bring the score back to 26 - 15. Collegians reset things from another penalty to line-out, where the Howlett / Campion combination locked down possession, and eventually getting the ball wide to Alex McQueen who side-stepped his way to the line for a try (backing up from and adding to his haul from the seconds).

Woodville kept in touch with a third try after gathering a loose ball and reorganising quicker than our defence. Fraser Murison stole through and claimed the restart to get Old Colls moving, with subsequent phases driving into the 22 where McDonough was pulled up just short of the line, but Murison was again in the right place and took the clearing pass to score looping around the wing. Jake Busby also capped a strong first starting game at 5/8 with an intercept try late in the game.

Premier Reserve Grade - Match Report

Old Collegians 71v Woodville 10

Tries: Matt Sharples (3), Alex McQueen (3), Paul McFadden (2), Jon Mokokoko (2), Heysen Siegfried
Conversions: Jon Mokokoko (8)

Dry Creek was the neutral venue for our Round 4 match against Woodville. The creek may have been dry but it rained Tries as we went on to dominate the Woodies 71 to 10. Woodville started brightly with a Penalty within a few minutes of the kick-off to take a 3 point lead, the first and last they would see of it.

It is always such a great pleasure to have Paul McFadden take the field during the family's annual return home. Great bloke, great Team Man, great fun and still a formidable player. Teamed up with with long time playing mate Jimmy Denley, these two relived past glories as they dominated in the Centres. And so it was not long before Kaboom scored the first of our 11 Tries, bookended by one close to full time, to start the flood. Our penalty count threaten to keep Woodville in the game early but they could not capitalise as we scored three further Tries (Heysen, Jon, Matt). Jon Mokokoko converted three times for a 26 - 3 halftime lead.

To Woodville's credit they regrouped at halftime and were first to score in the second half. But their second wind didn't last and as the match structure started to disintegrate we did well to stay composed. Matty Sharples completed his hat trick virtually in lock step with Alex McQueen who, despite arriving late (due to work commitments), also scored 3 Tries. With 7 unanswered Tries and 5 Conversions in the second half, that was that.

The composition of the team was substantially changed from the previous week. First games for Matt Ryan (Flank) and Alex McQueen (Full Back), both making outstanding contributions, as did Thibault Legrand, Matt Milne and Oisin Heaney.

Best players were Jon Mokokoko who managed the craziness well from Fly Half and kicked efficiently, along with Mark Darby (Hooker

Premier 3rd Grade - Match Report

Old Collegians 60 v North Torrens 10

Tries: Lenny Eilers (1), Jack Nicholson (2), Ryan Nielsen (1), Jon Collins (1), Mike Otty (1), Mark Johnson (2), Matt Milne (1), and Owen Osborne (1).

Conversions: Vinnie Laurendi (5)

Old Collegians started proceedings with our kick off. Quickly, however, we managed to regain control of the ball with a spectacular first run by Will McLeay supporting our first try within the first minutes of the game by Vinnie Laurendi. Unfortunately, Vinnie was unable to convert it. However, it wasn't before long that OC's fine form continued with our attack once gain breaking through North Torrens' defensive line for a try to Jack Nicholson and an easy conversion by Vinnie Laurendi cementing the tempo and theme for today's game. Despite the occasional burst of passion from North Torrens threatening our score line, throughout the first half it looked like our boys were just too fast and too strong for North Torrens with the boys keeping tries coming.

After the half break it looked as if North Torrens had regrouped and started to give us a run for our money with two quick tries breaking through some lacklustre defence by Old Collegians. It proved to be a renewed wakeup call with the North Torrens surge being short lived and our lads continuing the stream of spectacular runs – by both the forwards the backs – continuing the theme we started the day of try after try.

Open Women—Match Report

Old Collegians 97 v Barossa 0

Tries: Shahaan Kermeen (4), Lusia Raikiwasa (2), Melissa Hitchcock (2), Kate Donnelly (2), Sian Beavers, Tara Naige, Barbara Low, Zara Lee, Tayler Savage.

Conversions: Sian Beavers (11)

Another week, another game under lights for the OC women. This week we played Barossa at Lyndoch at 4.40pm.

Barossa is a new team to the competition this season and was also short of numbers this week.

The game was quite competitive for the first 10 minutes or so, before the game broke open.

Excellent team effort from the girls with many playing out of their usual positions due to injuries. The support play was something to behold.

Welcome to Shahaan Kermeen, Melissa Hitchcock and Zara Daniel who played their first games for OC.

U18's — Match Report

Old Collegians 24 v Barossa 19

Tries : Harrison (2), Oscar (1)
Conversions : George (3)
Penalties : George (1)

On a cracking rugby day, sunny, only a little wind and nice firm turf, not the bog that Lyndoch oval is renowned for the Old Coll's Under 18's of old turned up, instead of the rag-tag bunch from last week. These conditions were conducive to running rugby and it seemed that we looked the most threatening when we opened the game up. The game started off as a close, hard fought game and in truth it remained like that throughout. We usually dominate scrums but against Rams it was equal with the team feeding the scrum usually winning it. The lineout was a different story with Harrison dominating, even making a few steals and securing our own throws.

George had a perfect kicking day, getting 100% from the tee and in the 1st half a probing kick had their 15 backpedalling, a great chase and tackle from our 15 Michael gave us a 5 metre scrum which came to nothing. We'd already showed Rams some lovely incisive play of popping and recycling through our forwards and Ned but they didn't take the hint when, shortly after Harrison opened the scoring after Alfie broke the gain-line and popped for Josh, who, looking more decisive every game dumbfounded 5 defenders. Brad, took the ball on and after the ball was presented Harrison dove over the whitewash. Disappointingly we went to sleep soon after for them to get their own try. They took it to our heart through grunty forward play (their modus operandi), although we contributed by our defending being slow off the line

The halftime score of 7-7 highlighted the closeness of the affair, second half was equally close with a tad more scoring. The scoring may have opened up after the referee chose to reduce the numbers on the pitch after harshly red carding Jake and yellow carding their 13 following a disagreement between the 2. Mind this seemed to fire up our blokes, Harrison got his and our team's 2nd try scoring, after we won a penalty and the subsequent lineout. Drama continued with them equalising only for Oscar, growing significantly and confidently in the 9 role to score our 3rd try. Ned made a great line-break and after the ruck formed Oscar took it himself on the blind-side to notch with time ticking away.

At this stage, with victory in our grasp our bloke's, erm..... basically we chilled out too much. Barossa took advantage of this, quickly scoring another try of their own, the missed conversion giving us only a 2 point lead. This woke us up, we drove downfield and were awarded a penalty, right on the touchline with 90 seconds left. The crowd, coach's, managers, basically everyone thought we should kick for touch, milk the clock and win. The players thought differently, clearly learning from a similar position at Burnside which eventuated in a drawn game. George lined it up, Barossa waited for the ball to land short, or wide and run it back at us. No such luck Rams, George slotted it through the posts to glee and much Old Coll's whooping and a 5 point cushion. Predictably they won the restart and ran back at us, looking threatening until they met Michael who stripped the Rams lad in possession, faced our sideline and booted it into touch to top off a fantastic team performance full of grit and bottle. Hurrah!!!

After a 2 week hiatus oooooooooooooooooooooohhhhhhhhhhhhhh me lads.....

U16's — Match Report

Old Collegians 17 v Barossa Rams 39

Make no mistake we knew we were in for a tough day at Barossa Rams. They are flying high at the top of the table and we are gaining altitude each week with a very new side.

Barossa did not disappoint for offering a beautiful day for rugby after some horrendous weather the day before. Their pitch had held up well and had not reverted back to the cow pasture it has once been.

This was going to be a tough encounter with a large pack and a dynamic back row ready to hunt us down. Aggressive rucking & tackling was always going to be the key and each missed tackle was punished with serious metres lost or tries scored. Although going down we showed good intent and we distributed the ball well to our backs who were put under immediate pressure with a rush defence. This tough encounter reduced our numbers with injuries and Jayden Hazzard playing up from the U14s did not look out of place.

Although going down by a few scores we tried to keep our shape and were rewarded with a try after concerted forwards pressure with Tom Deakin poaching over the line. Christian Wills moving the pack helped generate some fight in the pack. A Barossa Yellow card followed due to derogatory remarks unbecoming of a sportsman. We pushed this advantage and scored a second try with Christian Wills powering over the line which is becoming a familiar site. Going in to half time 29-10 down.

The battle continued as did the yellow cards for Barossa with two more for high tackles. Marquell Parry showed great strength after two charging players collided for the biggest hit of the day - even his family in NT would have felt that. He bounced straight back up and continued with more determination. Awesome!!

Joeli and Lachlan also felt the big hits and like so many continued with their amazing grit and determination to push on with blood spilt but no ground given. Lefatu is now starting to spread the ball more and he, Ben and Nathaniel are now connecting well and offer more options in the game. Fight is something we are starting to show much more and earlier in the game. Yes we were under the pump but another try by Christian Wills meant the second half ran 10-7 to Barossa. A great contest.

Not all victories follow a win. Next step is to score the first try to set us on our way.

U6/7's — Match Report

This week the U6/7 fielded 11 players for our match. Port Adelaide had seven players and for the first half one of our players filled in to make it eight-a-side with us having subs. In the second half two Old Cols players joined Port Adelaide to make it an even nine-a-side. It was great to see our players helping out the other team so that everyone got more game time. After the very wet weather on Friday the conditions were almost perfect with a dry pitch and warm weather.

There was lots of running rugby from both teams and it was as an end to end encounter throughout. We played well as a team with players supporting each other in attack and everyone wanting to get their hands on the ball at the re-start. There was some good hard running in defence and some really great tackling. The team worked hard at getting back on-side quickly after the tackle which is an area we have been working on.

We scored plenty of tries with William Taylor (1), Connor Wallace (1) and Sam Parcell (5) crossing.

With such great effort across the team it was again hard to pick our team awards. **Otto Knoll, Rory McDonald and Patrick Reeve** all played a half each for Port Adelaide. **Chase Rogers** also received an award for his efforts in both attack, where he made some positive runs and in defence where he made some determined tackles.
