Players are encouraged to bring cash on the day.

The specially designed socks will be worn by players for all games played on Ladies Day and proceeds raised will support Breast Cancer Survivorship Programs in SA.

Latest Renovations

Members would have noticed the recent acquisition of new tables and chairs. What a difference they have made to the appearance of the Clubrooms.

And within the next few weeks sliding/folding doors will be installed to open onto the Balcony, extending the seating capacity of the Club Rooms.

Another great achievement for the Club in 2018 which could not take place without our Business Partners and Management Committee's commitment to Old Collegians Rugby Union Football Club.

OC Quiz Night—September 1st

This will be our major fund-raiser for the Season. Please start planning now! Tables of 8.

To make the evening a great success, we will need donations for prizes for the winning tables and for the silent Auction.

More details will be provided in coming weeks but mark the date in your Diaries now!!!!

Presentation Events

The Senior Presentation Night will be held in the Old Collegians Club Rooms on Friday September 14th, 2018.

And the **Junior Presentation Afternoon** will be held at Old Collegians on Sunday 16th September, 2018.

More details about both events will be forthcoming.

Crippled Crows @ Old Collegians

Once again Old Collegians hosted an amazing afternoon of Rugby, delicious food, fantastic music and great fellowship. Congratulations to the group of Ladies who provided the fabulous Curries and accompaniments. All palettes were catered for with a range of Beef, Lamb and chicken dishes, hot to mild, vegetarian and for the non-curry eaters a great pasta bake!! And not forgetting the delicious oysters!!!!!!

And it was great to have the fabulous **DJ and the Crabs** back again to entertain all afternoon with their 'fab' music from the 60's onwards!

Oh! And the Rugby game was pretty good too.....

Coopers Premier Grade Match Report

Old Collegians 29 v Onkaparinga 34

Tries: Tim Dawes, Kyle Fleetwood-Pieper (2), Liam McDonough, Tim Atkins
Conversions: Tim Atkins (2)
Best Players: Kyle Fleetwood-Pieper, Nick Howlett, Jon Mokokoko

Old Collegians played a strong first 30 minutes to give themselves every chance for a win, with a strong defensive effort holding Onkas out whilst we put the first three tries on the board. However this could not be sustained and even though both sides scored 5 tries, Onkas took the win on the back of more aggressive ruck work and forcing turnovers in the tackle.

After some initial back and forth plays, on the far side of half way the backs chipped over the Onkas defensive line and Tim Atkins regathered the ball and tore down the wing to score. Not too long later Atkins fielded kick cleared by Onkas from their 22, passing it quickly in field to Fleetwood-Pieper who straightened nicely into a gap in the centres and went under the posts almost untouched. Old Colls squandered some further chances as impatience forced some easy turnovers, but Campion stole an Onkas line out in their half and the forwards drove up well with Dawes forcing his way over from a ruck near the try-line for a 19-0 lead.

Onkas are a team that will take any chance and they began a solid attacking push, moving fast and taking advantage of several penalties to progress up-field and eventually grab their first try. As half time loomed, Old Colls had possession in our half but allowed another tackle strip and Onkas counter-attacked to take a second try and put the score at 19-12 from the last play. Disappointingly they also dominated the first 5 of the second half and rolled into our half to even the score.

Old Colls did regain some composure and settled into an attack in the 22 where the forwards and backs combined well and McDonough scored to retake the lead. Just after the restart a scrum mistake in our 22 saw the ball pop out the side and Onkas pounced on it for an opportunistic try up the blind side and once again a tied scoreboard .

Old Colls began to look tired and were not making the impact on attack they had in the first half, allowing Onkas easy territory from several penalties and they scored again from a lineout in our half, with another 3 points following from a penalty kick.

Pleasingly Old Colls did finish strong as the backs ran a penalty out of our 22, where Bartlett battered his way to halfway then passed to Fleetwood-Pieper who held off 2 defenders down the wing for his second, but Onkas put the ball out as soon as they could on the restart to prevent any further comeback.

Old Collegians 24 v Onkaparinga 13

Tries: Ben Viljoen (2), Jimmy Hopkinson (1), Karl Edgar (1)
Conversions: Jimmy Hopkinson (2)
Penalty Goals: Nil

Building. It's only natural. It's what humans do. After all Donald Trump is building a wall. The Chinese did that once but have decided that building a wall in the sea would be more fun. As we start the final trimester of the season we too are building. Building a road to the finals. We have surveyed the route, we have come up against obstacles previously and have been thwarted by them. But we remain resolute in our objective. In our two past matches against Onkaparinga this year we could not navigate a path to victory. But building on that disappointment and experience we brought some heftier machinery to bear to deal with the challenges we knew we would encounter this time around thanks to Paul Cleary, Riady Perdana and Rudi Timoteo. With the late withdrawal of regular scrum half Matty Sharples, Rob Smedley stepped in. And in a welcome return after a year or so's absence it was great to have Stu Robinson back on the park.

After a typically frenetic start which saw the usual accumulation of penalties, Okna's were first on the scoreboard with three points. But once things calmed down this turned into a good quality match, perhaps the best we have seen this year, with extended periods of phase play by both sides and good defence as well. We were able to utilise our forward power to dominate the set piece and with eight minutes played it was Ben Viljeon who scored our first try. With the odd fortuitous moments we had Jimmy Hopkinson and the Karl Edgar score tries as half-time closed in, with Jimmy converting Karl's for a solid 17 - 3 lead at the break.

Still with the momentum after the restart, Ben Viljeon scored a second try, converted. Wholesale changes in the front half by Onkna's evened up the scrummaging contest. Onka's scored two pretty soft tries in quick succession and with 20 minutes to play it seemed that the pendulum was swinging their way. Stu Robertson's deft field kicking and Jack Darby's power tackling help to keep Onkas on the back foot. With no further score we ran out 24 - 13 winners.

Jack Darby was strong all day and clearly best on ground. Mark Darby, obviously the Ref's favourite based on the number of times he stopped the game to admire Mark's work on the ground, along with Jimmy Hopkinson also top performers. Tom Harpur, Paul Clearly, Al Ward and Pete Cross also terrific in building this important win.

Third Grade Match Report

Old Collegians 19 v Onkaparinga 24

After a three week break between games, OC started soft and slow whilst the opposition appeared strong, fast and well drilled. During the first half we saw many unforced errors being made by the guys on the field - the break had not done kind things to us. The resulting uncoordinated defence allowed Onkas to make their first try within minutes of the first kick off. The carnage continued as Onkas walked all over us and put away two more tries before the end of the half.

The second half initially wasn't looking much better but as Onkas tired our boys capitalised and finally started to look like a team again. Possibly due to some very wise and inspiration words from coach and captain, our defence improved and even our attacked stepped up and paid some early dividends with our first try on the board around the 40 minute mark.

Onkas struck back with try in response ten minutes later. As the half rolled on, our intensity and enthusiasm built. 60 minutes in the game, our second try, followed closely by the third to even the scores.

With the final whistle coming closer and closer it was coming down to a nail biting finish with victory so close and within our grasp. The final 5 minutes of the game saw by far the most passion and intensity of the whole game from both sides.

Well and truly a case of last try wins it was do or die. In the end, unfortunately we couldn't hold the opposition from that final, fateful try and the win.

Women's Match Report

Old Collegians 76 v Onkaparinga 0

Tries: Lusia Raikiwasa (5), Tayler Savage (2), Rebekah Jones (2) Milly Bennett (2), Linae Davis (1), Melissa Hitchcock (1) and Phoebe Linder-Patton (1)

Conversions : Tara Naige (3)

After a disappointing result before the bye against Souths, the girls were keen to get the season back on track.

We had some big ins this week, including an impressive return by Phoebe Linder-Patton from injury.

Despite playing a much improved Onkaparinga side, the OC girls put on a show for Sponsors Day and the big crowd in attendance for the twilight home game fixture.

Overall it was an excellent offensive performance, contributed to by all players.

A big shout out to Bec Manson who returned to the side after several years hiatus and played a fantastic second half on the flank - after strapping the whole team before the game.

The remainder of our games are against the other four premiership contenders and we will need a big effort leading up to finals to position ourselves well on the ladder.

Three of those last four games are twilight fixtures at Tregenza. We look forward to seeing you all there cheering us on!

U18's Match Report

Old Coll's U18's 37 v Onka's 26

Tries: Brad (1), Kees (1), Ruan (1), Jack (1), Michael (1), Jake (1)
Conversions: George (2)
Penalty Goals: George (1)

With 4 games left in the regular season we are approaching the business end of the season, the finals are looming and we are on top of the ladder. More significantly we are now approaching full strength (other than Josh who is madly recuperating for the finals). This means we once again have competition across all positions and attendance at training is paramount. Onka's probably rocked up for our "home" game at Burnside's Parkinson Oval a tad overconfident after giving us a 35-15 thumping at our last hit-out (although after scrutinising that game on YouTube it was much closer than the score line suggested). Speaking of which, I advise you all to search Nathan Wyatt on You Tube where you can watch all of the U18's games from this season, fantastic viewing and a great personal learning resource (great work Nathan).

Early doors were a tense affair with both teams having and squandering chances before we were awarded a penalty a few metres out. Kees took the initiative, tapped and went and scored, George converting from an acute angle. Onka's levelled in a very similar fashion to ours then this free flowing game went in our favour as our forwards were pressing them in the far corner. Suddenly a cheer, a loud whistle and no one was surprised to see Brad taking all of the plaudits for our 2nd try. Not to be out-done the backs then got the 3rd try. We won an attacking penalty, went for the lineout in the corner and the driving maul was just held up. No fretting, the 5 metre scrum allowed us to tie in their forwards and as the ball went down the line Michael was the beneficiary for a true team score. Sadly, against the run of play they pulled another try back in the same fashion as their 1st (really lads another penalty?). Half-time score 17-14 to us.

I wasn't privy to our forwards half-time team talk but I'd be surprised if Richie said to our pack "right fellas, go out there and rumble up the pitch playing 7-a-side type rugby doing pops, hand-flips and fancy offloads." Well that's what we did, with Brad, Alfie, Ed, Kees, Harry going right through their pack until Tyler got the ball, head down and charged only a cynical penalty stopping him. Once again we opted to scrum (we had been dominant in this set-piece, so great decision) and Jack, running a fantastic attacking line received a well-timed pass from Max and untouched, notched under the posts. Jake then scored another try but I have no recollection of the events, sorry mate.

Wow!!! Despite playing well we still gave away our 3rd penalty in a risky position so who can blame Onka's for trying the same tactic, luckily James Rees was alert and clattered their player so hard we even got a turnover. However this merely delayed the score, them scoring directly from a lineout pass. This left the lead at a close 3 points but finally Ruan put the game to bed with 5 minutes left after a superb line break and race to home, sending the Old Coll's sideline into raptures. The final score was George slotting a long range penalty, both icing the clock whilst extending our lead.

This was a hard fought team victory, everyone contributed, the forwards gave us a platform, the backs gave us incision. Whilst special mentions go to Ed, Tyler and Harry the whole team deserve accolades. Don't get ahead of yourselves though fellas, the biggest test awaits as Burnside visit us at Tregenza Oval next week, a hungry, full strength Burnside keen to avenge our 47 - 24 victory in round 7.

Super special shout-out to **Carlos**, our very animated **assistant coach** who sadly is leaving both the team and (luckily for him) the frigid Adelaide weather for new pastures in sunny Queensland. Jammy bugger, cheers for all your hard work and input Carlos, at least the lads gave you a cracking send-off and you go with the best wishes of both the team and the entire Old Coll's family.

Oooooooooooooooooooooohhhhhhhhhhhhhhhhhhhhh, me lads, you should have seen us coming.....

Uder 16's Match Report

Old Collegians 26 v Onkaparinga 46

A great day to welcome some home support to cheer on our boys. School holidays still with us and we ran out as 13 players against 15+. A familiar story this season but to our credit the boys don't dwell on the numbers and run out with heads held high. We were joined once again off the bench by Jayden Hazard who is developing well with the extra challenge of U16s rugby to bring us up to 14 for most of the game. A great asset to have on the wing. Great to see the return of Max after receiving a blue card during a man-of-the-match performance against Barossa. Some still a little under the weather but they turned out and battled as hard as they could. Still awaiting Seb, Bertie T and Nathaniel who are all very close to a return as well as the returning holiday omissions.

Tom Deakin continued to show his versatility and willingness by dropping in at hooker - great to see him near the action and clearing out all day with his motor revving up throughout the game. I must commend our side for always showing that the rucks is an area that we can dominate when we work as a team and leave our number 9 free to distribute quick ball. Although we were matching Onkas well the missed tackles hit us hard and had us chasing the game from early on. Not to be dissuaded we kept battling and the breaks came for us to run in at half time trailing 17-12. Still very much in the game. Great contributions in attack with tries from LeFatu and Clayton went over after great support - he has returned so well after a long lay off. We are learning if you follow Christian Wills he will rampage and if he is stopped he is always ready to pop the ball to a supporting player.

Joeli combined well all day with Lachlan who showed their heart in their tackling and commitment to put their body on the line. Luke was also in that category at number 9 and enjoyed pulled down every prop forward that ran at him and clean their boots on the way. The calls of "tackle low" from Joel there coach could not have been followed more to the letter. Our tall lads kept at the coal face with Bertie M, Jett and Wills proving that our scrum could our muscle a big Onkas side when we needed to. Against the head ball was great to get throughout the game. Special mention must go to Ben in his first full season having to regularly play and cover two positions in a game with wing and full-back. Very tough challenge against a swift back line.

Connor again impressed with his physical commitment and a resurgence in the second half saw us take the lead with a well constructed team try which was ably finished off by Jayden on the wing. The boys were flying high. We continued to apply the pressure but some great cover tackling from Onkas kept LeFatu in check and limited Christian's progress. Support play for our line-breakers is key to converting these games in our favour. Now with low numbers playing against a team rotating 5 substitutes we knew we would inevitably tire. Onkas have improved all season and weren't going to buckle under our pressure. They chipped away during this second half and built up a lead. LeFatu was still probing in attack and looking for some high risk intercepts. One which paid off and got us that bonus point with our fourth try.

A Friday night game awaits against Burnside as a deciding game in a three match series for this local derby.

Under 14's Match Report

Old Collegians 26 v Onkaparinga 70

Tries: Jayden Hazzard (3) & Carl Arnold (1)

Conversions: Carl Arnold (3)

A highly anticipated rematch for Onkaparinga who were looking to make a comeback after their last match against us was a loss. We fielded a full side but were missing five players away and felt the pressure early on, by half time we were down with a score of 12 to 34.

Jayden Hazzard ran in three tries and Carl Arnold also scored but we couldn't turn the match in our favour. Carl was successful with three conversions resulting in a final score of 26 to 70 to Onkas.

Our team was missing our main and back up hookers for this match and thankfully Slade Hollway volunteered, both Coaches thank him for his efforts and because of the outstanding job done award Slade Most Improved Player.

The team has now lost their second game for the season but will surely think about the result and bring a better game to the upcoming Burnside match on Friday night.

Under 12's Match Report

Old Collegians 10 v Onkaparinga 29

Tries: Archie King & Oliver Collins

The Old Collegians U12's played against Onkaparinga on Saturday morning for the third time this season. On both the previous occasions in Round 1 and Round 8 at Onkas home ground we managed to secure the victory. But needless to say this past weekend we came across a very hungry and focussed U12's Onkas team who has clearly stepped up their game since our last encounter. They beautifully controlled their possession and set-up various phases of play. They used their opportunities wisely and they were well directed by their experienced fly half who set-up several of their tries.

This was our first team loss for the season and our playing group were very disappointed at the half time mark with us down 22 – 5. Following our half time talk we clearly stepped up our game and only conceded 7 points in the second half, whilst also scoring a try but sadly the damage was done as we allowed Onkaparinga to do the bulk of the playing in the first half. The couple of times we had possession we gave the ball away to easy, as we lost the ball in contact or through poor passing and struggled to win it back as Onkas used their big and strong forwards to suck in our defence and then play it cleverly out wide. The one aspect of our game in which we did very well was our scrummaging against a far heavier and bigger forward pack.

We hope to see stronger numbers at training now that the school holidays have come to an end and for us to work really hard on our basic skills as our ball handling, tackling and rucking let us down on Saturday. Several of our opposition teams have showed great improvement in recent weeks and we'll have to lift our game significantly if we want to be successful through the last part of the season, with only 4 season games remaining before finals.

We look forward to our next game on Saturday morning against Burnside RUFC at Tregenza Oval.

Under 10's Match Report

A challenging but positive week for the Under 8's as they played Onkaparinga at home early on Saturday morning. A 19 strong side turned up to played Onkas who displayed strong offensive play.

The brave Old Cols U8's never gave up as they chased down the onkas players. All players in the U8's side are playing tackle rugby for the first time this year and we have seen some massive improvements in tackling form and technique, game structure and rucking. Still much work to do over the coming weeks of training include rucking and restarts.

Incredible and relentless tackling from Oly Slade-Jones and hard chasing from Noah Phillips. Player of the week went to Josh Trlin who in his very first year of rugby has shown massive improvements which showed in this weeks game in some hard chasing, accurate tackling and understanding of the game structure.

Tries from Zack Czeglik and Noah Phillips.

Under 8's Match Report

Old Collegians 73 v Onkaparinga 0

Our opponents on Saturday were a very young and inexperienced team, some 50% of them have only started playing rugby this year and to say this match was one-sided is an understatement. The game was mostly played in our opponents half.

This could have been a wonderful opportunity for us to further refine some of the key areas in our game, which we have focussed on during our training sessions, but although we ran in numerous tries with by far the majority of ball possession we tended to not always share the ball around enough and allowing the game to flow.

Rugby Union is ultimately a team sport and the teams that really do well are those that train and play together as a team. We still have a long way to go as we continue to develop these skills within our playing group. We still see too many of our players arrive at a ruck but not pushing and going over the ball and we also see too many players hanging onto the ball too long, whilst they've got a team mate on their outside in perfect position and calling for the pass.

Although this was a strong and convincing win we can play better "team rugby" which will greatly assist us in the closer competitive games. Training this week will be hard and back to basics, so Mums and Dads please get your child to training on time for a 6pm start so that we can make the most of it. We look forward to our next game against Burnside on Saturday morning.

Under 6/7's Match Report

We had another great turn out at home playing against Onkaparinga. Our defence is getting better each week, with every player making a tag. In the first half we held Onka's off for about 12 phases before they broke the line and scored. It just shows how much the Under 7's are now understanding the game.

The players have worked hard but still struggle at time to get back onside quickly once the tag has been made, especially when teams such as Onkaparinga go quickly after the tag . Another area of improvement has seen the players work hard to keep the ball on the pitch and reduce the number of runs that go out of bounds. We have also been pleased to see our numbers continue to grow as more Joeys join the group.

Everyone had a go in attack and some great runs were made particularly from Connor Wallace, William Tayler, Sienna Ellis and Straun Cowe. Our try scorers this week were Connor Wallace (4), Zander Czeglik (1), Struan Cowe (1), Henry Trlin (1) and Sienna Ellis (1).

Our player awards went to Connor Wallace, William Taylor, Scarlett Nielsen, Talei Corpus and Sienna Ellis.
